Advantages of this Institution.

INCREASING RATES OF PREMIUM.

A Table of Rates peculiarly applicable to cases where Assurances are effected for securing the payment of debts, and to all other cases where a Policy may be required for a temporary purpose only, but which may be kept up, if necessary, throughout the remainder of life.

HALF-CREDIT RATES OF PREMIUM.

Persons assured according to these Rates are allowed credit for half the amount of the *first seven annual Premiums*, paying interest thereon at the rate of five per cent per annum, with the option of paying off the arrears of Premiums at any time, or having the amount deducted from the sum assured when the Policy becomes a claim.

SUM ASSURED PAYABLE DURING LIFE.

A Sum may be secured, payable at the death of the Assured, if he die before attaining Sixty years of age, but also *payable to the Assured himself, if he attain that age*,—thus combining provision for old age with an assurance upon life.

Orphans' & Children's Endowment Branch.

This Branch has been established for the purpose of affording to parents, guardians, and others, the means of having children educated and started in life; thus protecting them from the difficulties and destitution to which they may be exposed by the premature deaths of those on whom they are dependent. Reversionary Annuities may thus be secured to commence at the Parent's death, and to be paid until the child if a son, shall have completed his 21st, or, if a daughter, her 25th year of age.

Policies revived, without the exaction of a fine, at any time within twelve months.

Age of the Assured in every case admitted in the Policy.

Medical Attendants remunerated in all cases for their Reports.

Thirty days allowed for payment of Renewal Premiums.

Ladies and others, to whom it may be inconvenient to appear at the Office, visited by one of the Medical Officers.

ELEGANT PERSONAL REQUISITES

Under the Patronage of Royalty throughout the Aristocracy Europe.

And universally preferred and esteemed.

The successful results of the last HALF CENTURY have proved beyond question that

ROWLANDS' MACASSAR OIL

Possesses peculiarly nourishing powers in the restoration, and improvement of the Human Hair, and when every other specific has failed.

This celebrated Oil is now universally acknowledged to be the cheapest, and superior to all other preparations for the Hair. It prevents it from falling off or turning grey—strengthens weak hair—cleans it from Scurf and Dandriff—and makes it beautifully soft, curly, and glossy. In the growth of the *Beard, Whiskers* and *Mustachios* it is unfailing in the stimulative operation. For children it is especially recommended, as forming the basis of a beautiful head of hair.

IMPORTANT CAUTION.

To prevent the substitution of Spurious Imitations for the genuine article, by unprincipled shopkeepers, A. Rowland & Sons have put a small copy in each bottle of their Label from the Name of Messrs. Perkins, Bacon, and Petch, the eminent engravers of London, on which will be seen their names and address in full (THESE ARE IN NO CASE OF THE LEAST) Any deviation from which will always indicate a spurious article. The prices are—3s. 6d.; 7s.; Family Bottles (equal to four small) 10s. 6d.; and double that size, 21s.

A BEAUTIFUL COMPLEXION,
AND
SOFT & FAIR HANDS & ARMS,

Are fully realized and sustained by the use of

ROWLANDS' KALYDOR.

An Oriental Botanical Preparation, which, by its action on the pores and minute secretory vessels of the Skin, promotes a healthy tone so essential to its general well-being and the beauty of its appearance. *Freckles, Tan, Pimples, Spots, Discoloration*, and other *Cutaneous Visitations* are eradicated by the KALYDOR, and give place to a radiant bloom and transparency of Complexion.

*** The words "Rowlands' Kalydor" are on the wrapper, and "A. Rowland & Sons, 20, Hatton Garden," on the Government Stamp, affixed on each bottle.—Price 4s. 6d. and 8s. 6d.

Sound and White Teeth are not only indispensably requisite to a pleasing exterior in both sexes, but they are peculiarly appreciated through life as highly conducive to health and longevity. Among the various preparations offered for the Teeth—

ROWLANDS' ODONTO,
OR PEARL DENTIFRICE,

stands unrivalled. Prepared from Oriental Herbs with unusual care, this compound will be found to eradicate all tartar and concretions, and impart a pearl-like whiteness to the enamelled surface, remove spots of incipient decay, render the gums firm and red, fix the Teeth firmly in their sockets, and from its aromatic influence impart sweetness and purity to the breath.—Price 2s. 9d. per box.

Caution.—The words "Rowlands' Odonto" are on the Label, and "*A. Rowland & Sons, 20, Hatton Garden*," engraved on the Government Stamps, affixed on each box.
