Denomination Courtesy

The usual friendly courtesy on anniversary occasions will be observed next Sunday on the occasion of the seventy-sixth anniversary services in the Methodist Church. In the morning the Baptist congregation will attend and in the evening the congregation of Knox Church will worship with their Methodist friends.

Effective Way of Collecting Poll Tax

The unmarried men and widowers, who are not householders, of Hespeler, to the number of 100 or more, all received registered letters Friday. To their great surprise it was not money coming in, but an invitation from Town Assessor Joe Darwin to pay their Poll Tax for 1921. They only get two days' notice to settle. It costs five dollars to be a single man in Hespeler.

The Seventy-Sixth Anniversary

Next Sunday the congregation of the Methodist Church will celebrate the seventy-sixth anniversary of the founding of the church in Acton. Rev. Dr. Baker, President of Albert College, Belleville, will be the preacher of the day. Dr. Baker is one of the leading ministers of the church. His sermons will be worth hearing. The church choir will provide special music during the day.

Serious Breach of the Game Laws

Hugh Campbell reports that eleven black and grey squirrels were found in a heap on the edge of the woods east of the Evergreen Cemetery the other day. They were apparently shot wantonly and thrown away. There is no open season for black or grey squirrels this year. Mr. Campbell wants the attention of a game inspector. There is none here and game laws are reported to be broken daily in the neighboring woods.—Milton Champion.

Halton's $200,000 Bridge

Last Thursday evening the final lot of concrete was poured in the floor of the monster Dundas Street bridge across the Sixteen River in Trafalgar. All that remains is to finish a short section of the railing and that can be done in a couple of days when the floor concrete is dry enough. Then when the grading is completed the bridge can be opened for traffic. Certainly the engineer and contractor have done well to complete such a huge structure in well under two years.—Oakville Star.

Dr. Carpenter Next Thursday

Dr. Arthur Carpenter, the world-famous scientist, will appear next Thursday evening at the second attraction of the G. W. V. A. Chautauqua Lyceum Course. "Eloquent, inspiring discussions by a man of tremendous enthusiasm," is the way Dr. Carpenter is described. It is said that Dr. Carpenter has probably done more toward popularizing modern science than any other man on the lecture platform on this continent. Those who have heard Dr. Carpenter's recital of the wonders of the universe and witnessed his experiments declare that the programme he gives is one of intensest interest.

The Founder of Walker Lodge

Mr. Hugh Walker, one of Guelph's oldest residents, celebrated his 85th birthday quietly at his home, 185 Woolwich Street, Guelph, on Tuesday, November 2, when he was the recipient of many congratulatory messages from his many acquaintances in Guelph and from outside points. Mr. Walker holds the distinction of being the oldest member of the Masonic Order in Guelph, as well as the oldest Oddfellow, and was for 34 years precentor in Knox and St. Andrew's Churches. It was Mr. Walker who founded Walker Lodge, A. F. & A. M., Acton, which for forty-seven years has been proud to bear his honored name. The members here join in congratulations and best wishes to this nestor of the craft in this district.

"The Old Home Nest"

If the scenario productions of moving picture films partook, generally more of the character of "The Old Home Nest," there would be fewer objections that the movies have the tendency of degenerating the youth of the country. This splendid film was shown at the New Wonderland on Thanksgiving afternoon and evening to crowded houses. It shows a real home, home life and character, from the time the children began to come to gladden the hearts of the parents, through all the succeeding experiences of leaving the home nest one by one, with a grand finale of a family reunion. It is very human and pathetic throughout. The concluding section of the last reel had this very worthy note by the author: "This picture has shown little of plot or dramatic excitement, but if it has inspired a reverence for the old home and mother, if she has passed away; or has induced any son or daughter who has been neglectful to decide to write home to mother; or, better still, if it has persuaded them to go back and visit mother in the old home, it will have accomplished the end for which it was produced."

A Quiet Home Wedding

A quiet but very pretty wedding took place at Bonview Farm, the home of the bride's parents, Acton, last Saturday, November 5, when Beatie Bell, younger daughter of Mr. and Mrs. W. R. Mullin, was united in marriage by Rev. A. C. Stewart, M. A., of Knox Church, Acton, to Neil A. MacEachern, Preston, only son of Mr. and Mrs. A. MacEachern, Mount Forest. The bride daintily attired in white crepe de chine, beautifully designed with beads, and wearing a bridal veil decorated with orange blossoms, entered the drawing-room leaning upon the arm of her father, carrying a bouquet of Opheliа roses, to the strains of Lohengrin's wedding march, played by Miss M. MacLeod, of Palmerston, a friend of the bride, and took her place under a very pretty arch of evergreens and white flowers. They were unattended, owing to the recent bereavement in the bride's family. The groom's gift to the bride was a pearl pendant, worn by her, and to the pianist a pearl brooch. After the ceremony all retired to the dining room and partook of a sumptuous repast. The tables were decorated with pink. Toasts were proposed and responded to. The bride's travelling suit was of blue serge with hat to match. The happy couple left amid showers of confetti and good wishes for Ottawa and other points. They were the recipients of numerous and beautiful gifts, showing the high esteem in which they were held by their many friends. Upon their return they will reside in Preston, where the groom occupies the position of Assistant Principal of the Public School.

Nassagaweya's Splendid Memorial

The Soldiers' Monument Unveiled on Thanksgiving Day with Impressive Ceremonies

THIS HANDSOME MEMORIAL OCCUPIES COMMANDING POSITION.

Nassagaweya has set a splendid example in the erection of its handsome memorial to the heroes of the township who fell in the great war, on a basis by which every resident of the township has a share in this fine tribute to the bravery and sacrifice of her soldier sons. By the request of the ratepayers, and with funds raised by by-law unanimously passed by the Municipal Council, this splendid monument has been erected at a cost of $4,000.

The monument is located on a fine site on the corner of County Treasurer David Hutcheon's farm at the intersection of the Guelph Road and the Moffat to Speyside cross road. It is about ten miles from Acton. This is a central position and very well suited for the purpose. The monument is of striking design and well proportioned. A figure of a soldier in his uniform surmounts the heavy granite base. The height is about twenty-five feet.

Upwards of a thousand people from all parts of the county attended the unveiling ceremonies on Monday afternoon. The ceremony began at two o'clock, the monument being unveiled by Capt. Mahon of Campbellville, assisted by Rev. Mr. Lowe, also of Campbellville.

An adjournment was then made to the Presbyterian Church, where patriotic addresses were delivered by Capt. the Rev. G. C. Little, of Guelph; D. R. Hutcheon, Reeve of Nassagaweya, and Rev. J. T. Strachan, Nassagaweya; Rev. T. H. Lowe, M. A., of Campbellville; Rev. Dr. McArthur, of Moffat; Rev. Dr. Blair, Guelph; and Rev. G. S. Cassmore, B. A., of Nassagaweya.

Ex-Warden Duncan Campbell, of Moffat, was chairman, and Sergt. W. F. Dewar, of Milton, sounded the Last Post.

Ninety-eight young men from the township answered the call to arms, and 22 made the supreme sacrifice.

The handsome monument has the names of the dead inscribed on it.

Armistice Day Service

Armistice Day services will be held in St. Alban's Church on Friday evening, 11th inst., at 8 o'clock. Local clergymen will assist and the Rector, Rev. Mr. Baugh, will be the preacher. Everybody will be welcome.

A Grand Concert

A grand concert will be held in the Town Hall, Acton, on Wednesday, November 23, under the auspices of St. Alban's Church. Ralph Gordon, the well-known entertainer, of Toronto, will be the principal attraction.

Broke Jail at Guelph

Three convicts in Guelph jail assaulted and overcame Governor McNab and Turnkey Everson on Monday evening and broke jail. Two of them were captured by city police within fifteen minutes, but the third stole a high powered motor car and got away.

Official Visit of Masonic D. D. G. M.

Walker Lodge, A. F. & A. M. is to be honored with an official visit by R. W. Bro. H. B. Edgar, D. D. G. M. of Preston, next Monday evening. The District Deputy of the Grand Master will be accompanied by other officers and members of Wellington District No. 7, to which Walker Lodge belongs.

Chicken Thief Gets Year and a Half

Ernie Wallace, the young man who pleaded guilty two weeks ago to the theft of 36 chickens from the farm of Henry Snyder, Puslinch Township, and who was subsequently remanded for sentence in the hope that the two other men who were with him at the time would also be apprehended, was brought before the magistrate Saturday morning for sentence. He said that at the time he was up against it and that he had to do something, but this was taken by the magistrate as a very poor excuse, and he was sentenced to six months definite and one year indeterminate, at the Ontario Reformatory.—Guelph Herald.

The Mansewood Minister Retiring

Rev. Geo. E. Henderson, who has ministered to the congregation at Mansewood for some time, is about to return to Pennsylvania, to remain there. He has been pastor of the U. P. Church for about four years and his departure will be regretted by many friends. His successor has not been appointed. The U. P. congregation in Mansewood is a very old one and is one of only two now in Canada. Of late years its pastors have come from the United States, where the United Presbyterian Church has held its own. A union of the U. P. and Beaton Churches has been proposed, however. The present generation knows nothing of the differences of half a century ago. They associate with each other freely, their families have been intermarried, there is room for all in one church, and it is hoped for the sake of unity and combined effort that the proposed union will be consummated. The churches are within half a mile of each other on the third line.

The Chautauqua Lyceum Course

The first of the five evenings which are being provided by the G. W. V. A. in the Lyceum course of the Dominion Chautauqua, Limited, was presented last Thursday evening in the town hall. The attendance was good and this initial programme was full of merit and highly entertaining. It was given by the Harp Singers, a quartette of skilful and versatile artists, who with their splendid repertoire, their pleasing presence, and their generous contribution of numbers won golden opinions from the audience. Every member of the quartette proved herself an artist and whether in quartette, trio, duet or solo the numbers presented were exceptionally fine. The selections on the harp, the violin, the 'cello and the piano were all splendidly rendered. The vocal numbers and the recitations were greatly enjoyed. The Italian street scene with the charming artists typically costumed featured the street scenes and quaint incidents of Italian cities. The Harp Singers brought to the audience the atmosphere and music of that phase of Italian life in vivid form. The personnel of this clever organization of artists was Misses Athel Lindorf, harpist and contralto; Helen Miller, Alto; Vivian Purcell, second soprano and reader; Mary Kern, soprano.

In Memoriam

DR. ROBERT WALTER

Dr. Robert Walter, one of Acton's sons who won for himself high position, died at Reading, Penn., last week aged 80 years. He was the third son of George and Betsy Walter, who were pioneer residents of Acton. He spent his boyhood days here and then attended Toronto University and the medical college, taking his degree of M. D. Dr. Walter settled in Pennsylvania and made a name of eminence for himself as a skilful physician. For many years he conducted a sanitarium and health resort at Walter's Park, near Reading. Mrs. Walter predeceased him six years ago. Two sons and two daughters survive. His eldest daughter, Maude, who was also a successful practicing physician, died ten years ago. A brother and two sisters remain, John, of Acton; Mrs. F. A. Galloway, Toronto, and Mrs. G. V. Kennedy, of Vallejo, California.

MRS. ROBERT HILTON

It was with startling suddenness that Mrs. Robert Hilton passed away on Sunday evening, October 30. The dear old lady had been in rather poor health for some months but there was no thought of her demise by the family. In August she went to Galt and spent a month with her daughter, Mrs. Robert Jolly, and felt some better for the change. She was about as usual on Sunday morning but was poorly during the day and in the evening her sun peacefully set. Mrs. Hilton was a daughter of the late John Bennett. Her maiden name was Mary Elizabeth Bennett. She was born in England seventy years ago, and came to Canada with her parents when a child. They lived in Acton for a number of years and then removed to Crewsons Corners. Fifty years ago she married her late husband who predeceased her three years ago. The family moved from Crewsons Corners to the present homestead eighteen years ago. Three sons and six daughters blessed the home. Of these George, Robert and John Miss Charlotte, Mrs. W. Beaver, Acton and Mrs. Robt. Jolly, of Galt, survive. There were also four grandchildren. Mrs. Hilton was a fine Christian woman, a mother beloved, and a neighbor whom all who knew her esteemed. She was for many years a member of the Methodist Church. The funeral on Wednesday afternoon, 2nd inst., was conducted by Rev. I. M. Moyer, the pastor of the home.

POLITICAL NOTES

The cry, "It is time for a change," is now quite current. Electors are rather undecided as to what party to change to—Liberals or Progressives. Of course the leaders are quite willing to inform them.

The leaders in the campaign are evidently laying out to make a whirlwind of big meetings in Ontario and Quebec during the last two weeks before the election, if their crowded itineraries are to be adhered to.

Owing to the indefiniteness or versatility of policies, as presented on the hustings by the various candidates of the several parties, politics seem to have resolved themselves down to the old-fashioned standard—those who are out want to get in, and those who are in are trying to keep the other fellows out.

Hon. W. L. Mackenzie King, the Liberal Leader, travelled from St. Thomas, where he had been addressing a meeting on Thursday night, to Ottawa to attend Lady Laurier's funeral and on Friday night returned to London where he had arranged to speak. Mr. King is evidently "going some" during the campaign.

Many women in this municipality may find themselves without a vote at the Dominion elections unless they register with W. J. Gould for polling subdivision No. 1, or George Hynds, for polling subdivision No. 2, before Monday, November 21. As the municipal lists used as a basis for these elections contain very few women's names, every woman in town should register.

Messrs. George Hynds and W. J. Gould have been appointed revising officers for Acton. They will proceed with the preparation of the voters' lists, complete them on Monday, 21st inst. and post the same. The list will then be corrected and finally corrected by them on November 26. Messrs. Hynds and Gould will also act as Deputy Returning Officers. All who desire their names added should call on these officers at once.

Burlington Conviction Quashed

Judge Elliot Holds that Magistrate Barr's Jurisdiction was Cancelled

Milton, November 7.—Judge Elliot, Halton County Judge, has delivered an important judgment in the case of the appeal entered against the conviction of Landlord Smith of the Queen's Hotel, Burlington, who was fined $400 and costs by Magistrate Barr last August for having beer over 2½ per cent. proof on this premises.

When the appeal came up for hearing before His Honor, Mr. Morrison claimed that the Act of 1921, under which Messrs. Shields, of Oakville, and Moore, of Acton, were appointed Police Magistrates for the county, cancelled the previous appointment of Mr. Barr as Police Magistrate for the town of Burlington, so that he now ranks with J. P's who have no jurisdiction to try the case in question, which was being appealed.

Judge Elliot upholds Mr. Morrison's appeal by declaring that the appointments of Messrs. Shields and Moore as County Police Magistrates cancelled Mr. Barr's jurisdiction as a Police Magistrate, and that he had no right to try the case.

The fine will be refunded as the result of this judgment and other cases tried by Mr. Barr will be appealed.

Principles of the Orange Order

The town hall was well filled last Wednesday evening when the public were invited to attend to hear Rev. Capt. Biddiford, of Burlington, deliver his interesting address on the Orange Order. Capt. Biddiford showed that this order stands for the ascendancy of the Protestant religion, and enumerated specific instances in which its members had accomplished much good through their unity for the advancement of Christian principles. The Capt. is an interesting speaker and his address was followed with keen interest. Rev. Mr. Baugh, Rev. M. Stewart and Rev. Mr. Moyer also gave brief addresses. A well rendered piano solo by Miss Olga Moore; a selection by the Baptist Church quartette and several numbers by a local eight-piece orchestra were contributed to the evening's programme. Mr. Moyer was the chairman.

Fire Yesterday Morning

House Belonging to Mrs. Hornby on Bower Avenue Badly Damaged

About two o'clock yesterday morning the fire alarm rang out and it was ascertained that the last house on the south side of Bower Avenue next to Guelph Street was on fire.

The fire brigade responded promptly to the call and the value of the waterworks system for fire protection was fully demonstrated. The fire had a strong hold upon the building before it was discovered, but a very few minutes sufficed to extinguish it when the firemen got on the scene.

The building belonged to Mrs. A. S. Hornby. The front was tenanted by W. Batten, G. T. R. pumpman, and the rear by Alex. McKenzie, fish dealer. Mr. Batten's family escaped in their night clothing and lost nearly everything. Mr. McKenzie's part of the house was not seriously damaged. The loss to the building will be about $500 and the loss to Mr. Batten is very considerable.

NASSAGAWEYA

Mr. and Mrs. A. Hyde and family, who have just removed from Georgetown, are getting comfortably settled in their new home on the Charles Oldham farm.

All roads in the township led to the unveiling of the new soldiers' monument at the Guelph Road on Monday. It is worthy of the men whose heroism it commemorates.

The anniversary of Ebenezer Church will be observed next Sunday, 13th inst. Rev. R. D. Hamilton, President of Conference will preach in the morning and President J. B. Reynolds, of the O. A. C., Guelph, in the evening. The choir will be assisted by Mr. G. A. McPhail, of Eden Mills. On Monday evening there will be a fowl supper under the auspices of the Ladies' Aid and a splendid concert, to which the following will contribute: Acton Orchestra; Alex. Shand, violinist, Acton; G. N. Crocker, baritone soloist; Miss A. W. Crocker, pianist and Miss Emma Jackson, Elocutionist, Brantford. Addresses will be given by Revs. R. M. Geiger, B. A., Rockwood, J. T. Strachan, B. A., Nassagaweya, and I. M. Moyer, Acton. Rev. Stewart Dadds, M. A., of Duff's Church, will be chairman.

Mr. C. J. Vanflossen has purchased the McGregor farm which Mr. J. T. Layng has owned the past year, and where he holds his clearing sale next Wednesday.
