A New Superintendent

A. T. Brown Elected Superintendent of the School of Which His Grandfather was the Founder

The seventy-sixth annual meeting of the Methodist Sunday School was held last Wednesday evening at Moorecroft, the home of the Superintendent.

The pastor, Rev. I. M. Moyer, occupied the chair. Very encouraging reports were given by the Secretary, Treasurer, Cradle Roll Superintendent, and other departments.

The whole evening was taken up discussing the interests of the School and organizing for the year 1921. H. P. Moore, Superintendent, expressed regret that he was obliged to sever his connection from the ministry of the School, owing to ill health. He was proud that he had been for over sixty years continuously a member of the School, and through the confidence and kindness of the Board of Management, he had had the opportunity of serving for forty-four years in an official relationship. He had been for ten years Secretary of the School, for two years a teacher, and for thirty-two years the School's Superintendent. Through the splendid co-operation of the workers and the general esprit du corps of the School it had enjoyed much prosperity. Many of the leading workers of the church, and hundreds in churches away from the old home had been trained for service in the Sunday School and were doing valiant service for the Master. The membership of the church had been largely augmented from the Sunday School from year to year. Mr. Moore in retiring stated that his best wishes for success, his financial support and his earnest prayers would always be given to the School, which held a very warm place in his affections.

Rev. Mr. Moyer, Miss Minnie Z. Bennett, Mr. A. T. Brown, Mr. E. Beswick and Mr. J. H. Denny expressed their regret that Mr. Moore was obliged to retire and voiced their appreciation of his long continuous services.

Earl H. Vincent, Secretary, reported that the enrollment of the School is 225, the cradle roll has 28 members and the home department 25. The average attendance for the year was 115. There were 17 removals and 50 new members enrolled. The highest attendance was on September 25, when there were 248 present, and lowest was on a rainy day in May with 78. The average aggregate offering for the year for each member who attended was $4.82.

Miss Bertie Speight, Treasurer of the School, reported the finances of the year as follows:

Receipts

Balance from last year	$288 31
General Collections	164 95
Missionary Offerings	226 44
Educational Society Offerings	6 43
Collection for Chinese Famine Fund	137 36
Rally Day Offering for General Sunday School Aid Fund	31 14
Interest, etc.	5 16
	$849 69

Payments

Chinese Famine Fund	137 36
Methodist Book Room for Sunday School supplies	159 66
Educational Society	6 43
General Sunday School Aid Fund	31 14
Esquesing Township Sunday School Association	5 00

Sunday School Picnic Expenses	7 07

The result of election of officers for the coming year was as follows:

Superintendent Emeritus—H. P. Moore.

Superintendent—A. T. Brown.

Associate Superintendents — Frank Kennedy and Miss Minnie Bennett.

Secretary—Earl H. Vincent.

Statistical Secretary—Miss Lettie Scott.

Assistant Secretary and Blackboard Artist—James Matthews, Jr.

Treasurer—Miss Bertie H. Speight.

Pianist—Miss Lorna Kennedy.

Chorister—Neil McDonald.

Superintendent of Missions—Mrs. A. T. Brown.

Superintendent Cradle Roll—Mrs. J. H. Denny.

Superintendent Home Department—H. P. Moore.

Assistant Superintendent Home Department—Miss Emma Hawthorne.

Comfort Committee—Mrs. R. L. Gregory, Mrs. Neil McDonald, Mrs. Frank Kennedy.

Teachers—Mrs. R. H. Wansbrough, Mrs. H. P. Moore, Miss Muriel Fleury, Mrs. N. F. Moore, Mrs. Alice Fleury, Miss Vida Ramshaw, Miss Alberta Brown, Mrs. I. M. Moyer, Mrs. Ostrander, Miss Clara E. Moore, Miss Lottie E. Speight, Miss Minnie Bennett, Rev. I. M. Moyer, Mr. Henry Denny, Mr. Beswick.

The new officers will take their positions on New Year's Day.

The objective for missions will probably be the same as that of last year, $250.00.

Mr. A. T. Brown, the new Superintendent, is the grandson of Alex. Brown, Esq., the first Superintendent of the School, who controlled its destinies with great success for eighteen years. His grandson will make a very worthy successor. Mr. Moore's grandfather, Thomas Moore, Sr., was also an officer of the School when it was founded.

The retiring Superintendent, the Superintendent-elect, and the late William P. Brown, uncle of the latter, are the only persons native-born, who have filled this important executive position during the seventy-six years of the history of the School.

In Memoriam

MRS. WILLIAM SNYDER

The angel of death darkened the home of Mr. William Snyder, Elora, on Friday, when the beloved wife and mother of the home was called away. Mrs. Snyder had been in poor health for sometime. Mrs. Snyder, whose maiden name, was Mary Katharine Anderson, was a native of Acton, a daughter of the late Simeon Anderson. She was a favorite with the young people of this community in her girlhood days here. Between fifty and sixty years ago she and her sorrowing husband were married here. Mr. Snyder is a son of the late Jacob Snyder, of Acton. About forty years ago the family removed to Fergus, where Mr. Snyder had been appointed station master of the old Wellington, Grey and Bruce Railway. He remained in that position for over thirty years when he retired, and has since lived practically all the time at home with Mrs. Snyder. They were greatly attached to each other, and their home at Elora was the centre of hospitality for their many friends there. Mrs. Snyder was a member of the Methodist Church. In addition to Mr. Snyder two daughters survive. The funeral on Monday afternoon was largely attended.

ROCKWOOD

Mr. Alex. Burns, Superintendent of the Presbyterian Sunday School, visited Acton Methodist School last Sunday.

The High School "At Home"

Enjoyable Christmas Function with Teachers, Students and Ex-Members

The usual success attended the annual High School "At Home" held last Thursday evening in the town hall. There was a fine representative audience of ex-students, parents, teachers and the entire School Board. The programme was a most excellent one and great credit is reflected upon those taking part, and Miss Knapp, the principal, and Mr. Lewis. It comprised the following numbers:

1—Song: A Capital Ship, by the School.

2.—Chairman's Remarks, Mr. Harold Mowat.

3.—School Orchestra—Selection.

4.—Duet: Olive McLaughlin and Jean Orr.

5.—The Trial Scene of the Merchant of Venice, with the following cast: Portia, Mary Gibbons; Nerissa, Marie Mowat; Shylock, Jack Robertson; Antonio, Earl Cooper; Bassanio, Laird Macdonald; Gratiano, Laird Dancey; Duke, Ray Gamble; Clerk, Angus Kennedy.

6.—Piano Solo: Jean Orr.

7.—Hungarian Folk Dance.

8.—School Paper, read by the editor, Viola Rumley.

9.—School Orchestra—Selection.

10.—Song, "A Roving," by the School.

11.—Piano Duet, Misses Laura Gray and Jean Kennedy.

12.—Dialogue, "The Rivals," with the following cast: Sir Anthony, Telford Kenney; Jack Absolute, James Matthews; Mrs. Malaprop, Marguerite Ryder; Lydia, Mrs. Malaprop's niece, Laura Scott; Maid, Beatrice Blair.

13.—Girls' Chorus, "Tripoli."

14.—Folk Dance, Sicliano, 4 girls.

15.—School Orchestra.

At the conclusion of the first part of the programme cards were distributed for the promenades which have come to be such a feature of this function. Everyone participated in and enjoyed this opportunity for social intercourse and the chance of mingling with former associates and friends. At an intermission in these promenades a dainty luncheon was served. Ex-Principal and Mrs. W. H. Stewart, and Misses Marguerite and Elsie, and Masters Willie and Robert, of Milton, were honored guests of the occasion. A brief address from Mr. Stewart, at an interval in the first part of the programme, was enjoyed by all and most especially by those who had had the privilege of attending High School under this beloved ex-principal.

Chippewa Power Canal Opened

Official Ceremonies of the Commission's Queenston-Chippewa Power Development

At noon yesterday the official opening of the Commission's great Queenston-Chippewa Development at the power house, at Chippewa, took place with appropriate ceremonies.

By New Year's Day the first unit should be sufficiently tried to commence generating its capacity load of 50,000 horse power. A second and similar turbine, of the proposed set of nine, will soon be ready to be thrown into commission.

Nature made Niagara, Sir Adam Beck has done much to harness its great power. This will be a fitting monument to his prescience and inventive skill.

Five years it has taken to construct the great canal across the fertile farm lands and to hew and blast it through the primeval rocks. Millions of dollars has been lavished upon this thirteen miles of ditch and plant.

The Fiery Pussy was represented at the opening of the first Hydro Development franchise, fifteen years ago at Kitchener. An invitation was received to attend the official opening and luncheon yesterday.
