THE GREAT AMERICAN HAIR TONIC.

Bogle's Celebrated Hyperion Fluid,

For the Growth and Preservation of the Hair, is well known to be without a rival on this Continent.—Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair Restorative, and their doom been sealed, whilst Bogle's Hyperion Fluid, with a popularity never attained by any other article, goes on "conquering and to conquer." There is no malady that can affect the hair but can be cured by this incomparable preparation. To ladies it is invaluable, and on children's heads it lays the foundation of a good head of hair. It is now patronised by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

BOGLE'S AMERICAN ELECTRIC HAIR DYE. Converts RED or GREY Hair into a beautiful Black or Brown, the moment it is applied, literally dyeing the hair without staining the skin, and leaves the hair soft and glossy, without injuring its texture in the least—a decided superiority over all other Hair Dyes.
