"Why Girls Leave Home"

The story deals with two homes. One, the home of a rich merchant, who indulges his daughter's every whim. The other, the home of the rich man's employee, who represses in his daughter every youthful instinct. The result, both girls leave home, and attempt to fight the battle of life alone. He sues to get his picture, as these two girls work out their own destiny in a manner which is at one time, of compelling interest, at the same time true to life.

Death of Edward Dynes

The funeral of Edward Dynes, who died in Toronto, was held here on Monday. Mr. Dynes was a resident of Acton for over fifty years, but lately had resided with his son in Toronto.

The Waterworks in the Cemetery

The installation of the waterworks at Fairview Cemetery with a tap for the convenience of those who wish to decorate the graves is proving a great boon to the citizens generally. The appearance of the cemetery in increased beauty will no doubt show itself this summer and amply justify the installation of this facility.

Property Changes Hands

Mr. D. Morrison's cement block house and lot on Wellington and Arthur Streets was sold to Mr. Alex. Kannawin, of Georgetown; Mr. A. H. Davis' house on Bower Avenue, to A. E. Cripps; also Mr. C. Holmes' house and lot on Keene Street to Mr. Kerr. These sales were negotiated by J. A. Smith, Real Estate Agent, Acton.

Lost Hand at the Wrist

On Saturday afternoon Pete Morello, a foreigner, undertook to wash his overalls in a wringing machine at the sole leather tannery. He was unacquainted with the mechanism of the machine, got his left hand caught, and it was severed above the wrist. Dr. McNiven dressed the wounded member, and the unfortunate man was taken to Guelph Hospital.

Embro Doctor Fined

Dr. Henry Adams, of Embro, in Ingersoll police court Friday pleaded guilty to a charge of selling liquor and Magistrate Patterson imposed a fine of $200 and costs, which was paid. The case was brought by Provincial Officer Jay. H. Jones, of Toronto, June 6 being specified as the date on which the offence was committed. According to his statement in court, Dr. Adams is 25 years of age and is one of the oldest practitioners in Oxford County.—Guelph Herald.

Big Family Re-Union To-day

The McClure family of Peel and Halton will hold a re-union at the old family homestead at Churchville to-day. Mr. J. H. McClure is the present occupant of this fine old farm, which has been in the family since the three brothers, James, Patrick and Samuel came from Ireland 103 years ago and settled there. Andrew McClure, J. P., of Norval, and Mrs. John Harvey and the family of the late Joseph McClure, Acton, are descendants. Those in charge of the re-union have completed plans to make the event a memorable one. Hands from Toronto and Brampton will lend an interesting feature to the gathering.

A Pleasant Surprise

Rev. George A. Little, the pastor of Chalmers' Presbyterian Church, Guelph, was very greatly surprised when he arrived at his home on Mont Street on Friday evening, to find in his yard a new Ford coupe. He looked around the place for the owner, but finding none, he made an examination of the coupe, and to his very great surprise and delight, found that the coupe was a gift to him from the members of his congregation. Mr. Little is deeply thankful for this kindness, which he appreciates very much indeed, as the coupe will be very useful to him in his pastoral work.—Guelph Herald.

Memorial Service at Aberfoyle

The memorial service at Aberfoyle on Sunday attracted a great assembly of people from the surrounding country. The service was held in the open air near the large monument which had been erected in honor of those who lost their lives in the great war from Puslinch township, and the service was a very impressive one in every respect. The chair was occupied by Mr. Cassmore, and the address of the afternoon was delivered by Ven. Archdeacon Mackintosh, who delivered a very beautiful and powerful oration in keeping with the occasion. Rev. N. A. Hurlbut, of Paisley Memorial Church, Guelph, sang a solo most acceptably, and there were other musical numbers.

St. Alban's Church Garden Party

A very attractive evening's entertainment has been arranged for the annual garden party to be held by St. Alban's Church on Thursday evening, June 22, in the park. The programme which is of a very interesting nature, will be provided by Mr. Cameron and another well-known entertainer from Toronto, and local talent. The Acton Citizens' Band will be in attendance. So as to give all who attend a full evening's entertainment the Church League Baseball Game between the Methodist and Holy Name teams will be included. Admission for the whole evening will be 35 cents, by payment at the gate or by tickets, which can be obtained from the committee. As this is the first garden party in town this season a really good programme has been provided and a very cordial invitation to attend is extended to all citizens which it is hoped will be accepted. Don't forget the date, Thursday, June 22. Ball game starts at 6.45 sharp.

Bad Electrical Storms

The electrical storms of Friday and Saturday evenings were the most severe experienced for some time. The rain was most welcome but the wind and lightning accompanying it caused considerable havoc. Not much damage is reported in this immediate vicinity but in Guelph trees were struck and the streets flooded. At Galt the barn of Mrs. W. Shelton, Cedar Creek road, was struck by lightning. The horses were all stunned and are deaf from the shock. At Kitchener the newly erected bungalow of A. Burke, St. Leger Street, was badly damaged by fire late Saturday night, following its being struck by lightning, and on Friday night the tower of the old building at King Edward School was damaged by lightning to the extent of about $4,000. At the farm of Mr. A. Fraser Auld, well-known cattle breeder, near Rockwood, lightning killed seven valuable pure-bred Shorthorn cattle, valued at $2,500. Included in the lot was Mr. Auld's noted bull, "Royal Triumph," and six young heifers. The animals were killed in an open field, where Mr. Auld had 30 head of his prize-winning herd. The loss to Mr. Auld will be considerable, as the dead cattle were only partly covered by insurance. The Hydro, locally, was off the greater part of Sunday and the Toronto Suburban will completely tied up. The last car to leave here was the 5.00 on Sunday evening. The power went off again about six o'clock and this car did not reach Toronto until early the following morning.

Disastrous Fire at Georgetown, on Saturday

Garage and Show Rooms of J. N. O'Neill & Son a Complete Ruin

TWENTY-FIVE AUTOMOBILES ARE LOST

A fire that threatened to wipe out a complete block of Georgetown's Main Street broke out in that town about 3.30 o'clock on Saturday morning. The fire originated in the rear end of J. N. O'Neill & Son's garage and rapidly spread among the number of frame buildings that adjoin along the back of this and other properties on Main Street.

While the business places of R. H. Thompson & Co., hardware merchants, were damaged to the extent of about $7,000, and W. A. Bailey, harness maker, and H. C. Bailey, electrical supplies, store suffered a loss estimated at $5,000 the heaviest losers are J. N. O'Neill and Son, with an estimated loss of $70,000.

The fine three-storey building occupied by this old-established firm in Georgetown along with about twenty-five cars makes the loss of this firm overwhelming.

The fire was a most spectacular one and difficult to fight. The danger from gasoline explosions and the burning oil and paint made it impossible to enter the building after the fire had gained any headway. Two new cars that were in the show rooms down stairs were the only cars that it was possible to get out.

Several tons of machinery, lathes, etc., on the second floor which had not been removed by a former lessee of this floor, were also destroyed. The walls of the building remained intact until the roof and supports were completely burned, when they collapsed, and almost fell on the crowd on Main Street and the street on the north side of the building.

The fire appeared so serious that the firemen from Acton, Brampton and Milton were called on for assistance and readily responded with their men and apparatus and their assistance helped keep the fire from spreading to other buildings. About 4.30 the pressure on the water appeared to diminish and a hurried call was sent to Acton for the steam fire engine. A team and a couple of trucks set out but were stopped before going very far as the pressure was again restored and the assistance not needed.

The Blackburne Men's Furnishing Store was also damaged but mostly from removal of the goods and by water.

There was about $70,000 insurance carried of the O'Neill plant.

The Annual Convention

Of the Halton Women's Institute Held Here Last Thursday

The annual convention of Halton Women's Institute was held in the Methodist Sunday School room, Acton, on Thursday, June 8. District President, Miss Appleby, of Stewarttown, presided. The meeting opened with the singing of "Blest be the Tie that Binds," and prayer. The minutes of last annual meeting, read by the Secretary, Mrs. Havill, were adopted. The financial report proved very satisfactory.

The President addressed the meeting, in which she repeated the words of Lady Falconer, when she expressed the desire to bring back to our women the joy in work that women used to have, and to remember at all times the key note is co-operation.

A goodly number were present from the different branches, and reports presented showed a wide range of activities.

During the year one new branch had been organized and an increase in membership reported over the previous year.

After the noon-day luncheon the meeting opened with singing of "O Canada."

The election of officers resulted as follows:

President—Miss Appleby, Stewarttown.

1st Vice-President—Mrs. W. A. Inglehart, Palermo.

2nd Vice-President—Mrs. A. A. Biggar, Trafalgar.

3rd Vice-President—Mrs. W. H. Stewart, Milton.

Secretary-Treasurer—Mrs. F. Byres, Burlington.

Publicity Secretary—Miss Ada Weitlaufer, Palermo.

District Representative—Mrs. R. Gorman, Trafalgar.

Auditors—Mrs. Pope and Mrs. B. Porter.

A vote of appreciation was given Mrs. Havill, the retiring secretary, for the service she had given the Institute for the past fourteen years.

Mrs. Havill replied in a pleasing manner.

The business part of the programme being over the outstanding feature of the afternoon was an address on "Mothers' Allowances" and "Parliamentary Rules," given by Mrs. Parsons, Toronto, of the National Council of Women. Much credit is due Mrs. Parsons for the wonderful work she is doing throughout the country.

A question drawer was also an interesting feature.

The musical part of the programme was thoroughly enjoyed by all and consisted of an instrumental solo by Miss Olga Moore, vocal solo by Mrs. (Rev.) Baugh, and vocal solo by Mrs. F. E. Holmes.

All were hospitably entertained and a vote of thanks was tendered the Acton ladies for the pleasant day they had given the visitors.

An invitation from the ladies of Stewarttown to have the next annual convention in that place was accepted.

June Weddings

Ritchie-Norris

A very pretty wedding was solemnized at the home of Mr. and Mrs. Chas. Norris, Trafalgar, on Wednesday, June 7, when their daughter, Ida Pearl, was united in holy wedlock to George H. Ritchie, son of Mr. and Mrs. Geo. Ritchie, Acton. The bride, who was given away by her father, looked charming in a satin dress trimmed with silver and white beads. The ceremony was performed by the Rev. W. M. McKay, of Milton, under an arch of orange blossoms. Miss Blythe Anderson, niece of the bride, made a very pretty flower girl. After a sumptuous repast the bridal couple left for the West for a short honeymoon.

Anthony-Cleave

A very pretty June wedding took place at high noon on June 7, at the home of Mr. and Mrs. J. A. Cleave, Neustadt, when their only daughter, Eliza Jane, was united in holy bonds of matrimony to Mr. Frank Harold Anthony, of Harriston, son of Mr. and Mrs. W. H. Anthony, of Limehouse. Rev. R. L. Weaver officiated. The bride, who was given away by her father, entered the room to the strains of Mendelssohn's wedding march, played by Mrs. Weaver. She looked charming in a gown of navy blue silk and georgette overskirt. She carried a bouquet of bridal roses and maiden' hair fern. After the ceremony the company went to the dining room where dinner was waiting. Immediately after dinner the happy couple left by motor for Niagara Falls, Toronto, Montreal and other points. The bride travelled in a French navy tricolette suit and flesh georgette blouse with black hat. Upon their return they will reside in Harriston.

Somerville-Banfield

From the London Free Press we gleam the following particulars of the wedding of Mr. Earl Somerville and Miss Florence May Banfield: "A pretty June wedding was solemnized in Centennial Methodist Church on Wednesday afternoon, June 7, when Florence May, daughter of Mrs. Banfield Elmonor Street was united in marriage to Mr. Earl Somerville, son of Mr. and Mrs. Richard Somerville, Dufferin Avenue, in the presence of immediate relatives only. The bride, who was given in marriage by her brother, William, looked charming in a gown of blue canton crepe, trimmed with henna, with hat to match. She wore a corsage of Ophelia roses and the groom's gift, a sunburst of pearls. Grace Banfield, twin sister of the bride, who acted as bridesmaid, was in brown canton crepe trimmed with touches of burnt orange. She wore a corsage of Dunlop roses and the groom's gift, a sign of pearls. Fred Somerville, brother of the groom, was best man. After the ceremony a reception was held at the bride's home, where a dainty luncheon was served at a table decorated with peonies and orange blossoms. Later in the afternoon Mr. and Mrs. Somerville left by motor en route to Toronto and Niagara Falls, where they will spend their honeymoon. They will reside in Toronto."

Neighborhood Workers Association

Asks for Homes for a Few Weeks for the Poor Children of the City

Spring has passed and summer is here. With it the call of nature has become more insistent and those who can are leaving the city to go to the country—so green, pure and wholesome. There are thousands of people who cannot leave the city. We find the hot, dusty streets crowded with little children who are doomed to spend an enervating summer here.

The Fresh Air Exchange appeals to the farmers on behalf of those little ones of the city, and asks that those who live within a reasonable distance of Toronto open their homes to two of the children for two weeks or more.

Last summer 236 enjoyed holidays given in this manner. Due to the unemployment of last winter, the incomes of many families have been so reduced that vacations are impossible for a much larger per cent. of city dwellers than in other years. The Neighborhood Workers Association arranges for the payment of railway expenses, but cannot pay board. The children are all thoroughly examined by a doctor so that they will not carry contagious diseases to their new friends.

We fully realize that the addition of two to a family means added work to the housewife but in view of the great need of city children we ask that those who are interested and would care to open their homes to such children communicate with Mr. F. N. Hapleford, General Secretary Neighborhood Workers Association, 71 Grosvenor St., Toronto, giving particulars as to the age and sex of children who would be welcomed and during what periods of the summer the little visitors might depart for a holiday in the country.

No Trace of Another Missing Man

According to information given out by County Crown Attorney J. M. Kearns Saturday, no trace has yet been found of James Thompson, the young married man who made a very sudden disappearance from his home on a farm about four miles out from Guelph on the Eramosa Road a week ago last Sunday. The authorities are still making every effort to find his whereabouts, as his absence is causing his family much alarm.—Guelph Mercury.

Bronte Now In Top Place In County League

And Georgetown in the Bottom With All the Other Four Teams Tied for the Second Place

MILTON DEFEATED ACTON 7 TO 1

The fans turned out in good numbers and journeyed to Milton with the ball Club on Saturday, hoping to see their team play as they have been for the past few weeks. But they were sadly disappointed. The Acton boys were completely off for the day. They threw wild, fielded badly, kicked the ball and Kenney, the Milton pitcher, made them think they couldn't even hit.

They were able to get just one run—a homer by Dr. Nelson—and that was only possible on account of the abundant hay crop on the outfield and the neglect of the Milton park authorities to garner in the harvest of alfalfa.

The game was not a good exhibition of baseball at any stage and Acton, with eight errors to their credit, will need another brushing up before they meet Burlington next Saturday or they will be dragging along with the other tail-enders in the league. Waddell pitched a very good game considering his support and held his position well, and McLeod handled the first base sack well, but the remainder of the team's behaviour is best shown in the box score.

Nine Cases of Beer Seized

License Inspector Grant, Provincial Officer Elliott, Detective Greenaway and Constable Monnie paid a visit to the King Edward Hotel at noon Saturday and, on walking through the hall leading from Wyandham Street to where the bar used to be they came across nine cases of beer, which they had reason to suspect was not of the weak-kneed variety, and this they promptly took possession of and removed. The result will be the issuance of a summons for the proprietor of the hotel.—Guelph Herald.

Presentation to Guelph Pastor's Wife

On Wednesday afternoon the Ladies' Association of Dublin Street Methodist Church, Guelph, held a very enjoyable pic-nic on the church grounds. The pic-nic also took the nature of a farewell to Mrs. (Rev.) D. A. Walker, who, with her husband and family, will shortly leave for Niagara Falls where Rev. Mr. Walker will become pastor of Morrison Street Church. After enjoying a splendid programme, Mrs. McNally, the president, asked Mrs. Walker to come forward when an address of appreciation was read to her by Mrs. Worden, accompanied by the gift of a very beautiful gold wrist watch, presented on behalf of the association by Miss Crosby. Mrs. Walker, although taken by surprise, made a suitable reply, referring to the pleasant relationship that had existed during the past years, and thanking the ladies for their beautiful token of esteem. A delightful luncheon was served, and a programme of music furnished that was greatly enjoyed.—Guelph Herald.
