Georgetown Fall Fair

Georgetown got a taste of the country on September 9 to 11 when the 165th edition of the Georgetown Fall Fair came to town. Beautiful, sunny skies greeted the fairgoers as they checked out the displays, demonstrations, competitions and animals that took over the Georgetown Fairgrounds. Organized by the Georgetown Agricultural Society, the fair also included live entertainment, an array of delicious food, a fun-filled midway packed with rides and games and, of course, the infamous Demolition Derby.
