DIED

DODS—At Montreal, on Friday, January 19, 1923, John H. Dods, of Alton, in his 58th year.

IN MEMORIAM

MacDONALD—In loving memory of our dear wife and mother, Jean MacDonald, who died January 22, 1920.

No pen can write, no tongue can tell
Our sad and bitter loss;
But God alone has helped us so well
To bear our heavy cross.

The years may wipe out many things
But this they'll wipe out never,
The memory of those happy days
When we were all together.

HUSBAND AND DAUGHTER.

McCUTCHEON—In loving memory of Elsie, eldest daughter of Mr. and Mrs. Hugh McCutcheon, who passed away January 22, 1919—

Four years have passed and none can tell
The loss of one we loved so well,
But while she lies in peaceful sleep,
Her memory we will always keep.

This day brings forth sad memories,
Of our loved one laid to rest,
And those who think of her to-day
Are those who loved her best.

Sadly missed by
Father, Mother and Sister Edna.

Brief Local Items

—Slippery walks again during the week.

—Why not do it now? Please. Your address label will tell you.

—The icy roads gave the blacksmiths another busy spell.

—A lot of girls now wish they could unbob, as easily as they bobbed.

—The best argument against strong drink is weak men who indulge in it.

—Anniversary services will be held in Knox Church on Sunday, February 11.

—Wood is still being sold in town by neighboring farmers at "so much a load."

—The snow banks are now piled up perilously high about some of the fire hydrants.

—The January thaw will require to work overtime if it gets in reasonable execution.

—Day by day in every way, the winter is waning. The January thaw will help it, too.

—So live, girls, that you will be given away by your dad and not by your catty friends.

—The Acton Skating Rink will hold a monster carnival on the rink here on Saturday evening.

—The kiddies have been having fine sport coasting on the icy hills these afternoons after school.

—Watch for Ruth Roland in "White Eagle," her latest serial, starting at Wonderland, January 30.

—You haven't enjoyed "The Old Homestead," until you've heard Mason's Orchestra with it.

—"Everybody should learn to drive a car." This is especially true of those who now sit behind the steering wheels.

—Get the pile of snow off your heavily laden roofs before it rains. The added weight may be too much for it.

—It has been quite popular to walk in the centre of the king's highway lately, rather than on the slippery sidewalks.

—The Bruce Peninsula News, published at Lion's Head, ceased publication last week. Couldn't stand the cost any longer.

—Mr. C. H. Moore, of the Dundas Star, was elected Vice-President of the Board of Trade of that town at the annual meeting last week.

—Some one walked away from the rink the other night with his neighbor's boots. Of course it was a mistake, but it has not yet been rectified.

—Newmarket has over 500 telephones installed and over 500 electric meters installed. There are also 754 water meters installed, all owned by the town.

—The very happy address of Rev. S. W. Dean, of Toronto, to the Sunday School of the Methodist Church last Sunday afternoon was much enjoyed by all.

—"Would be very sorry not to receive THE FREE PRESS, so as to get all the news from the old home, and of the old friends."—J. A. McD., Killarney, Manitoba.

—A short course in vegetable gardening and fruit-growing at the Ontario Agricultural College, Guelph, this week is attracting large numbers of attendants.

—Nathan Gill, is reported to have been arrested in Detroit on a charge of obtaining goods to the value of $800 from the Georgetown Dairy Company by false pretences.

—There is a copy of THE FREE PRESS waiting to serve every family in Acton and vicinity and beyond. Your address and instructions will have prompt and careful attention.

—Rev. Mr. Baugh, M. A., of St. Alban's Church, has called attention to the fact that the aggregate givings of the church last year was more than $600 above what had ever before been raised; not as stated in the report published.

Police Court News

The Lease of the Lakeside Hotel, Port Credit, Long Suspected of Illegal Traffic in Liquor, Fined $500.00 and Costs

Last Wednesday Police Magistrate Moore held Police Court at Brampton, where Leo. Cronin, of Bolton, was charged by Inspector Reevely with being intoxicated and being disorderly on the public street on December 23. Evidence was given to prove the charge and Cronin was fined $25.00 and costs, in all $53.85.

On Friday a Police Court sitting was held at Port Credit. This followed the raid of Inspector Reevely and Provincial Constable Cousans upon the Lakeside Hotel in that town, where a number of bottles of both beer and whiskey were secured and two men connected with the premises were arrested and lodged in Brampton jail. They were liberated on bail, and charges against Alfred Curry, George Curry and Albert E. Beddow were heard by Police Magistrate Moore. Alfred Curry is owner of the hotel, and George Curry was shown to be the bartender. Albert E. Beddow had a lease of the property. The evidence showed that liquor was kept unlawfully in a place other than a private residence and the Magistrate imposed a penalty of $500 and costs. The charge was prosecuted by W. H. Murphy, K. C., Crown Attorney of Peel, assisted by Robert Reevely, Inspector. Col. R. H. Greer, K. C., of Toronto, was counsel for the defence. Provincial Officers Cousans of Brampton, Rispert of Milton, and three Provincial Officers from Toronto, were present as witnesses.

11,025 Books Issued Last Year

By the Librarian of Acton Free Library to the Readers in Acton and Vicinity

The first meeting of the members of Acton Free Library for 1923 was held on Friday afternoon last at the office of the Chairman.

Owing to the Chairman, H. P. Moore, being called out of town on official business, Mr. A. E. Nicklin was voted to the chair.

The following members were present, A. E. Nicklin, John Cameron, Rev. A. J. Stewart, M. A.; Rev. H. O. Laugh, B. A., and H. N. Farmer, M. A.

The officers for 1923 were re-elected as follows:

H. P. Moore, Chairman.
H. N. Farmer, Secretary-Treasurer.

The Secretary reported as follows:

Receipts for the year	$689 05
Disbursements	591 56
Balance on hand	$197 49

Since the year opened he had received the amount raised by municipal assessment for the year 1922, $347.12.

Mr. Cameron referred to the wear and tear of the binding of the books and felt that some steps should be taken to minimize this as far as possible.

Rev. Mr. Baugh said that when the Book Committee was making its last selection this matter had been referred to in the wholesale warerooms. The explanation was made that since the war it was found impossible to secure as good binding cloth and other materials and that therefore the books were not as durable.

Mr. Cameron and Mr. Nicklin were appointed a Committee to prepare a notice for the readers, and to have it published in THE FREE PRESS appealing to those who enjoy the privileges of the Library to exercise all possible care in handling the books they borrow from the Library. They were also instructed, in consultation with the Librarian, to withdraw from circulation all books so badly worn as to be unsuitable to be issued to readers.

The Book Committee expressed their pleasure at the courteous treatment accorded them when engaged in the selection of the books added to the Library in November.

"Bring Ye All the Tithes"

"And Prove Me, Saith the Lord of Hosts, and I Will Pour Upon You Blessings"

The theme of Rev. S. Wesley Dean, General Secretary of Finance of the Methodist Church, Toronto, in the church here on Sunday evening was quite in keeping with his important official position, the matter of scriptural giving to God's cause. The third chapter of Malichi, so spiritual in exhortation and instruction along this line, was the basis of his discourse.

Mr. Dean emphasized the personal blessings, the blessing to the church, and the international blessings which follow the scriptural injunction: "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove Me now, herewith, saith the Lord of Hosts, if I will not open you the windows of heaven, and pour you out such a blessing that there shall not be room enough to receive it." Many answers to the question: "Should Christian people now tithe their income," were given. We all are stewards of God. Spiritual blessing invariably follows tithing; it gives a sense of obeying the demands or requests of God. The habit of setting aside a tenth for God's cause renders it easy for the tither to respond to the worthy calls for financial assistance. Nine-tenths with the blessing of God, which is promised, will go farther than ten-tenths without that blessing. There is invariably greater material prosperity to us when we are in partnership with God. It is a cure for covetousness and tends to spiritualize our whole life's activities.

In the morning Rev. Mr. Dean preached on the subject of democracy of the Church of God, basing his thoughts on Ephesians 2: 19, "Now, therefore, ye are no more strangers and foreigners, but fellow-citizens with the saints, and of the household of God." The value of the Church to-day from such Christian fellowship was amplified, and compared with the value of citizenship in the nation. The advantage of being a citizen; the protection of the flag; and on the other hand, the duty of the citizen to obey his country's laws; to pay his taxes and at all times to live as a worthy citizen. The church's similar relationship was pointed out. The members share the advantages; share in the spiritual life; and should share in its financial obligations. Tremendous things are made possible by co-operation, and a democratic citizenship is engendered.

Rev. Mr. Dean's discourses were greatly enjoyed. The very human touch he gave to his arguments for individual loyalty to God and to His Church emphasized most strongly and convincingly the themes he presented.

Prince Edward Island Votes to End Importation for Export

Charlottetown, P. E. I., Jan. 23—In the plebiscite election yesterday Prince Edward Island voted to make a dry province drier by prohibiting the importation of liquor for the purposes of export. So far as reported the vote was 7,873 for prohibition, to 2,746 against.

The Charlottetown complete vote stood 1,678 to 633 in favor of prohibition. About 5,000 voters turned out at the Federal elections.

There was a majority for prohibition in every poll in the province heard from but four.

CARE OF FARM MACHINERY

A person travelling along the country roads cannot but deplore the loss which must be sustained by very many farmers through carelessness in taking care of their implements. Here and there scattered in the fields where they were last used may be seen plows, harrows, binders and other farm implements exposed to all kinds of weather.

Instead of being taken to the implement shed or barn and cleaned and greased to prevent rust and decay, the farmer too often acts as if he were desirous of destroying his tools. A few hours spent on a rainy or stormy day in putting his implements in good order for next summer's work means much longer life for the implements and also means that there will be no delay in getting on the land in the spring as soon as nature permits.

Did you ever notice that the farmer that looks after his implements is usually the most prosperous farmer, and he is always ahead of his work?

On a trip to Toronto last week from Acton, via Brampton and Port Credit, the writer noted the following farm implements standing out in the fields where they had been used last season: 6 plows, 4 pairs harrows, 3 land rollers, 1 mower, 2 binders, 3 hay loaders, 1 hay tedder, 1 truck wagon, 2 cultivators and 1 seed drill.

LIMEHOUSE

The annual meeting of Limehouse Presbyterian Church was held last Wednesday afternoon. Rev. R. P. Cameron, B. A., the pastor, presided. Mr. William Gowdy, Secretary-Treasurer of the Board of Managers, presented a very interesting report. The general receipts for the year totalled $565.47. When all claims were paid there was a balance in the treasury of $136.27. The Sunday School receipts were $63.62, and a balance on hand amounts to $9.52. The sum of $148.86 was raised for Missions and the Budget. The offerings of the Woman's Missionary Society were $70.11.

Forcible Address by Rev. Dr. Moore

The Enterprises and Activities of the Methodist Church Explained at a Congregational Banquet

With a view to giving the members of the congregation a comprehensive understanding of the versatile character of the work undertaken and the results being achieved by the various activities of the church as a whole, a congregational banquet was held on Thursday evening, and Rev. Dr. T. Albert Moore, the Secretary of the General Conference, Toronto, was the speaker chosen to impart the desired information.

The congregation entered into the matter heartily and there was a splendid attendance of the adult members. The ladies provided a very tempting banquet, and at seven o'clock the tables, which taxed the accommodation afforded in the school room, were well filled. Rev. Mr. Hackett, the pastor, was master of ceremonies.

When the good things provided had been partaken of the chairman called upon Rev. Dr. Moore.

In an illuminating and highly interesting address of an hour and a half's duration the speaker presented a wealth of information setting forth in vivid detail and illustrative story the far-reaching work of the church which was shown to be most helpfully comprehensive, and attended with gratifying and God-honoring success.

Dr. Moore gave interesting details of the aims and accomplishments of the Departments of Home and Foreign Missions; the Women's Missionary Society; the Sunday Schools and Young People's Organizations; the schools, colleges and universities of the church, the rescue homes, children's homes, the financial department and church insurance plans, and his own department, that of Evangelism and Social Service.

This highly interesting and informational address was interspersed with incidents, illustrations and experiences growing out of the rich and varied opportunities for observation in the far-reaching activities of Dr. Moore's department. The facts presented and the magnitude of the work undertaken was a revelation to many of those present, and a new interest was created in much of the work undertaken by the church, which was heretofore not been fully realized or understood.

At an interval in the proceedings a couple of skillfully rendered trios were given by Miss Lorna Kennedy, Messrs. Alex. Shand and J. C. Matthews. A vote of thanks was tendered to the ladies for their splendid banquet.

In commencing his address Dr. Moore expressed the great pleasure it was to him to come home, to the old home church, to the church of his boyhood, and the church where he had been called to the Christian ministry forty-four years ago. The home church and the home town always had peculiar attractions for him.

APPARENTLY

"Boss, is you connected with de court house?"

"Yes."

"No. I'm a police magistrate. Best I can do is to give you a year in jail. You're after a life sentence."

NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).

The inventor, P. N. Johnson, 246 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him to-day for full particulars. Also ask him to explain how you can get the agency, and without experience or money make $250 to $500 per month.

Canada Really a Wonderland

Presented in Word Picture and Motion Pictures by a Skilled Official

The travelogue by Frank G. Forster, B. A., of the Department of the Interior, in the Methodist Church on Monday evening was highly enjoyable, instructive and replete with interest throughout. The lecture by Mr. Forster, which preceded the four reels of films illustrating Canada's beauty, wealth of resources and extent of diversified territory, was of a most pleasing and informational character.

Mr. Forster pointed out Canada's wonderful development during the past twenty-five or thirty years; the great expanse of her farming lands; the riches of her forests, mines and fisheries, and the physical beauties of her mountains, lakes, rivers, woodland and sea coasts. "Canada," he declared, "has as magnificent scenery as any other country in the world, and much more of it."

This interesting travelogue had thrown in, here and there, bits of humor and pleasing anecdotes which showed Mr. Forster to be not only an apt and able lecturer, but a wise observer of human nature with an ability to hold and interest his audience, even as a civil servant whose form duty is primarily to create an interest in and a spirit of loyalty for the country he represents.

The beautiful films shown took the audience on an animated tour of Canada from the Atlantic to the Pacific, with glimpses of the landscape, the cities; the parks and the people in them; the lakes, and rivers and mountains; the uplands, the prairies, the timberlands and the foothills; the falls and the cascades, the glaciers and the valleys; the fields of golden grain, and the acres of ripening fruit; the mills and mines and manufactories, the whole proving emphatically that this Canada of ours is indeed a wonderland.

There was a fine audience to enjoy this beautiful presentation, and to wonder at Canada's extent and diversified character. Rev. Mr. Hackett and Rev. Mr. Stewart spoke kindly words of appreciation and thanked Mr. Forster for his splendid travelogue.

The Sunday School orchestra played a number of selections during the evening.

FEBRUARY ROD AND GUN

A perusal of the February issue of Rod and Gun in Canada, the well-known Canadian outdoors magazine, reveals a liberal supply of entertaining and instructive reading. One thing that has always featured this national sportsmen's journal, is the diversity of subjects it covers and like the preceding numbers, the February number has something of interest and of value for sportsmen, from the Atlantic to the Pacific. The illustrations all combine to make a magazine that will meet with instant favor. Rod and Gun in Canada is published monthly at Woodstock, Ontario, by W. J. Taylor, Limited.
