

A collection of photos from around town **Out & About**

RIGHT: When she planted this tomato plant back in June, Kathy Chester had no idea that it would grow to be more than nine feet tall and would have to be anchored to the roof of her house. Kathy's grandsons – Brandon, 12 (left) and Jason, 8 (right) – have been keeping an eye on the plant's progress all summer and are big fans of the tomatoes it produces. "I give them two thumbs and two toes up!" Brandon says.

Victoria (left) and McKenna Murray's birthday wish list is a little bit different than most kids their age: instead of asking for toys and games, the girls asked their friends and family to bring donations for the Upper Credit Humane Society. Guests arrived to the girls' 5th birthday party armed with toys, food, treats, cat litter, monetary donations and much more for the animals at the shelter. This is the third year in a row that the girls have asked for UCHS donations in lieu of gifts. Happy birthday, McKenna and Victoria!
