OSPRINGE

Those beautiful spring days are surely appreciated by our industrious citizens who are now busy with the rush of spring work, and from prospects seeding operations will be in full swing in this locality by the end of this week if farmers are favored with bright sunny weather.

Our country roads are now fairly good and many of our local motorists are enjoying a few delightful outings.

Many farm sales have been the feature in this locality this spring.

A very successful auction sale of surplus stock was held on Tuesday of last week by Mr. Roy Hindley at his farm, and high prices were paid by the farmers for choice fresh milk cows and young cattle.

Mr. Emerson Maud, of the townline, has rented his farm to his neighbor, Mr. McCaig, and held a large clearing auction sale Monday, which was largely attended by local farmers.

From reports Mr. Frank Mack, of the second line, has rented a large farm, near Milton, and will take immediate possession.

A large number of our citizens attended the delightful concert held in Everton Hall, the splendid programme being in charge of the young ladies from Coningsby. It was a very jolly affair.

The sap season is nearly ended for this year and several jolly sugaring off parties will be the feature those lovely moonlight evenings.

Mr. and Mrs. Smith McCutcheon, of Drumbo, motored up during the week-end and visited with Mr. and Mrs. John McCutcheon, townline.

Mrs. D. Laughan spent last week holidaying with friends in Guelph.

Mr. Geo. Robertson has engaged Mr. Harold Hunter, of Everton, for the summer.

Mr. Cameron Aitkens has secured a position with Mr. Hugh Reed, of the third line.

TERRA COTTA

Mr. Joseph Eason has sold his farm on the fifth line to Mr. Benj. Young, of Union. Mr. Eason held a clearing sale on Wednesday, and intends moving shortly to his brother's farm on the tenth line.

Mr. F. C. Thompson is busy shipping stone from his new quarry on the tenth line. He has struck a very valuable quarry of stone.

Mr. Chas. Simpkins, who has been in the Hospital at Guelph for some time, with a fractured arm, has returned home, much improved.

Sodding will soon be the general order of the day.

It is rumored that Mr. H. Logan has sold his brick plant here.

We are sorry to learn that Mr. John McNally is ill at present. We hope soon to hear of his complete recovery.

Mr. R. J. Stringer, who spent a few days with his cousin, Mr. Wellington Stringer, of Milton, has returned. Mr. Stringer had the pleasure of visiting the old Indian burying grounds, where some Indian skeletons and various Indian relics were ploughed up some years ago. Mr. Stringer picked up some old Indian relics, hundreds of years of age, which make a very interesting collection.

We are pleased to note that among those who took a prominent part in the U. F. O. banquet at Acton recently were Miss Wilma Hunter and Mr. Jack Puckering, of this place, also their teacher, Mrs. W. L. Stringer, of Toronto. All acquitted themselves very creditably with their excellent solos. Another item worthy of mention was the Terra Cotta and Brampton Orchestra, who were recently amalgamated.

Mrs. W. J. Rutledge and family have been confined to their rooms during the past week with la grippe. We hope soon to hear of their complete recovery.

Mr. H. Ellwood, who for many years has been a faithful employee of the Halton Brick Co., has resigned his position here and is removing to Toronto shortly.

The Rev. Mr. Waddell, of Ballinafad, preached a very acceptable sermon in the United Church on Sunday evening. There was a large turnout.

ROCKWOOD

The play put on by the Women's Institute last Thursday evening drew a full house and a good sum was realized. The different costumes and wraps, along with the bonnets worn on the occasion, could not help but produce some laughter, as the ladies took their places after shaking hands with the president "in her home, as well as being looked after by the maid of the house. One of the ladies, who was supposed to be hard of hearing and depending on a horn startled the audience by singing "Auld Lang Syne" with a good deal of effort. After the usual preliminaries of Institute meetings, a duett by two of the members caused much merriment, as well as a couple of choruses, which were sung with a vim. A good programme followed, which was enjoyed by all. Duett by Messrs. G. McPhail and E. Boles; recitation by Roy Hindley; solo by Miss Shortreed, of the General Hospital, Guelph; dancing by Miss Lillicoe, of Guelph; solo by Mr. Rawleigh; duett by Mesdames R. H. Henderson and D. McNabb; dance by Miss Lillicoe; solo by G. McPhail; chorus by the Institute. The pianists for the evening were Mr. G. R. Martin and Mrs. G. McPhail. The concert closed with the singing of the National Anthem.

The artists taking part were heartily encored, and the members of the Institute have been invited to repeat their play, "Mrs. Jones Entertains the Institute," this week on Thursday evening, at Eden Mills.

The Presbyterian congregation held preparatory services last Friday evening, and on Sunday morning the sacrament of the Lord's Supper was observed, the service being very impressive. The pastor, Rev. L. P. Gosselin, took for his subject, "The sympathy of Christ." A new Communion Table, the gift of one of the members of the congregation, was used for the first time.

Johnston Howet, of Sinclair, was home over the week-end; also Fred Passmore, of Toronto, who was at home over Sunday.

S. S. Royce is having a summer house erected on his premises.

—A local play, by local people, for local purposes, next Wednesday evening, April 20.

—A number of farms of various sizes are listed with J. A. Smith. See him if you want a farm.
