Brief Local News

—To-morrow's the start.

—Let's all have a good time for the three days, anyway.

—Yes, there'll be lots of floats in the parade on Saturday.

—The farmers all seem to report excellent crops this year.

—The schools have closed and the long summer vacation has started.

—Acton Creamery has erected a new electric sign on their premises on Mill Street.

—It's to be hoped the fine weather continues for Friday, Saturday and Sunday.

—The jazz band, in their truck, created quite a stir in the countryside on Saturday.

—Edwards' bakery delivery wagon appeared on Wednesday in a newly finished affire.

—The Street Carnival and Dance will, no doubt, draw a big crowd on Friday evening.

—The potato race in the gardens is on. It should soon finish now with new potatoes on the table.

—We're lucky not to have any detours in the roads about Acton during the Jubilee Celebration week.

—Numerous subscriptions fall due in July. A celebration we would appreciate is a prompt renewal.

—Between the street carnival and the calithumpian parade, costumes will get plenty of usage this year.

—The decorations started to go up on Monday morning and already the street has a mighty fine appearance.

—The Jubilee meet of the American Ramblers Association is to take place at the 1927 Canadian National Exhibition.

—A heading in a paper reads: "Canadians can now see Comet." We have to be content without seeing the phenomenon.

—The 7-acre annex to the Canadian National Exhibition Coliseum will accommodate 1,800 head of cattle and 1,500 sheep and swine.

—There was many a sigh of relief when the bandsmen were all safely landed up the stair and into the new stand at the band concert.

—Displays of the products of the Canadian Provinces are featured on the Confederation Year programme of the Canadian National Exhibition.

—While cutting grass with a scythe at his home Saturday night, Mr. Geo. Hall let his scythe slip and Mrs. Hall, who was standing near, received a nasty cut in the foot.

—During the holiday period the buses will run a schedule which gives six coaches west and eight coaches east-bound. Not much excuse for not coming to Acton with that added to the steam and electric trains.

—A runaway team of horses, with a wagon with loose box, made quite a scattering on Mill Street on Monday morning. The wagon boards and shelvings were scattered along the street, but fortunately little damage was done.

MRS. G. A. BROWNRIDGE

From the Brandon Sun we gleam the following obituary of a former resident of this vicinity: There died here on Monday evening, June 13, a well-known young resident of the Brandon district in the person of Mabel Brownridge, of North Brandon. She was 41 years of age, coming to Manitoba with her parents, Mr. and Mrs. Wm. McPhail, 26 years ago, twelve years ago marrying Mr. Brownridge. She was held in high esteem by a wide circle of friends and was active in both community and church work, being a member of St. Paul's United Church in this city. She leaves, besides her sorrowing husband and father, one brother, Roy McPhail. The funeral service was conducted at the family residence on June 17, at 2.30 p. m., with Rev. Philip Dunean of St. Paul's, and Rev. Mason, of Humeaville, officiating. Interment was made in the family plot in the city cemetery.

DANIEL R. ROWEN

Daniel R. Rowen, one of Guelph's oldest business men, died at his home, 37 Suffolk Street, that city on Friday last. Mr. Rowen suffered a fractured collar bone about a month ago, but had only been confined to bed for about a week prior to his passing. He was in his eighty-first year, but until his accident of last month had been in robust health. Born at Sharon in 1846, he went to Guelph from Brantford when he was 20 years of age. For many years in the late seventies he was a familiar figure on the market square, there, where he conducted auction sales. Two or three years later he opened a general store on lower Wyndham Street, and owned a similar business in the Village of Freelton about the same time. He gradually eliminated the miscellaneous lines from his local store as business in that city became more specialized, and continued it until about fifteen years ago as a shoe store. He had lived retired since then. Surviving him are his wife; one sister, Mrs. R. Phillips, of Burlington; and one brother in California.

First Band Concert in New Stand

Last Wednesday evening Acton Citizens' Band paraded to the new bandstand at the Park entrance and gave their first concert. That it was appreciated was proven by the large number of citizens who assembled to hear it. The new entrance and space provided for the convenience of the audience is indeed a beauty spot. The grass has been neatly trimmed and the border of shrubs is well kept. Expressions of approval were heard on all sides. The Band gave an excellent concert and every number was appreciated. The new stand is appreciated by all the bandsmen. It facilitates their efforts materially. They find it much easier to play when elevated above the street noises, and the covering seems to hold the sound together better than when playing in the open air. The steps used for the stand are rather precarious, but when the gateway in the railing is made this will be overcome.

WITH THE CANADIAN PRESS AT BIGWIN INN

An Interesting and Profitable Gathering and a Delightful June Outing

The eighth annual convention of the Canadian Weekly Newspapers Association was held at Bigwin Inn, Lake of Bays, Muskoka, on Thursday, Friday and Saturday, June 23, 24 and 25, and was a very interesting gathering.

It was unique in the fact that heretofore the annual sessions had been held in one or other of the large cities of the Dominion—Toronto Vancouver, Winnipeg, Ottawa, or Halifax being heretofore the places of meeting. The change to an isolated summer resort was made by the executive for two reasons. First, it was thought to be desirable to spend a few days at this delightful resort in the Highlands of Ontario; and second, that being away from the distractions and numerous attractions of the city, the work of the convention would have fuller concentration for the members attending. The first object proved highly congenial; but it was found that the attractions of Bigwin Inn and its environment were as obtrusive to many of those attending as those of the city had ever been.

Mr. and Mrs. H. P. Moore, who represented The Free Press, left Acton on the 6.18 train on Wednesday evening; reached Toronto before eight, spent a pleasant evening with Toronto friends, and reached the Union Station in time to greet many old-time friends of the Press and board the special train of the Canadian National Railways pullmans at 11 o'clock for Huntsville. After a quiet night run our train reached the wharf of the Huntsville and Lake-of-Bays Navigation Company early in the morning, the gateway of the Lake-of-Bays.

The boat route to Bigwin Inn is via the Fairy Lake, Peninsular Lake and Lake-of-Bays, with a portage of several miles on a narrow guage railway, and occupies about two and a half hours. Breakfast was served on the boat, and when Bigwin Inn was reached, the company of about 160, from all points of the Dominion from British Columbia, on the West, to Newfoundland, on the East, got settled in their rooms, and were ready for the opening session at 10.30 a. m.

The programme was practical, helpful and suggestive. The forum plan of discussion of concrete topics relating to the craft brought out brief but succinct expressions of opinion. In a very comprehensive address, the President, Mr. J. A. Maclaren, of the Examiner, Barrie, reviewed the activities of the year and gave a preview of objectives desirable for the future. The report of Mr. L. J. Ball, Manager and Treasurer, was encouraging.

The Editorial Forum was conducted by Mr. Malcolm McRath, of the Sun, Milverton; the Subscription Forum by A. W. Marsh, of the Echo, Amherstburg; the Advertising Forum by Mr. David Williams, of the Bulletin, Collingwood; the Job Printing Forum by Mr. F. B. Elliott, The Herald, Alliston; and the General Forum by Mr. A. E. Cainan, The Gazette, Picton. There was full, free and frank discussion in each of these subjects.

A number of interesting addresses were delivered. Mr. Russell T. Kelley, of the Hamilton Advertising Agency, gave a forceful address on loyalty to Canadian interests and Canadian products. The address of welcome by Mayor Rice, of The Forester, Huntsville, was cordial and timely. H. P. Moore, Acton, gave an address on "Fifty Years as a Weekly Publisher." This was crowded with personal experiences of the early days, and incidents of interest arising out of a membership of forty-eight years in the Canadian Press Association. It appeared to strike a very responsive chord with the large audience.

The banquet on Thursday evening in the Bigwin's spacious dining room was a delightful function. The speech of the evening was delivered by Mr. Melville B. Tudhope, K. C., Orillia, and was an eloquent and timely speech on Canadian loyalty. The Bigwin orchestra dispensed a fine repertoire of classical and popular music and high-class solos were rendered by Mrs. Harold Anslow, of Windsor, N. S., and Mr. Harvey Doney, Toronto.

A very pretty afternoon tea was enjoyed by the ladies of the party on the Venetian Terrace on Friday afternoon.

The following officers were elected for the coming year:

President—S. W. Wynn, Yorkton, Sask.

1st Vice-President—H. B. Anslow, Campbellton, N. B.

2nd Vice-President—Hugh Savage, Duncan, B. C.

Directors for British Columbia—R. E. White, Kamloops; H. G. Parsons, Golden. Alberta — Charles Clarke, High River; A. R. Ennis, Leduc. Saskatchewan—C. R. McIntosh, M. P., North Battleford; D. C. Dunbar, Estevan; S. J. Dornan, Alameda. Manitoba—J. L. Cowie, Carberry; W. V. Udall, Holasevain. Ontario—F. A. J. Davis, Carleton Place; D. Williams, Collingwood; A. W. Marsh, Amherstburg; Hugh Templin, Fergus. Quebec—George Legg, Granby; A. Girouard, Thedford Mines. Maritimes—Harry Acenburg, Lunenburg, N. S.; H. S. Anslow, Windsor, N. S.

The winners in the newspaper contests, which have featured the conventions for the past few years, are: The Mason Trophy, for papers 1,500 circulation and over—1. The Barrie Examiner; 2. Simcoe Reformer; 3. Vernon News and Fergus News-Record, equal. The winners in the Pearce Cup competition, for papers under 1,500 circulation, were: 1. Cowichan Leader, Duncan, B. C.; 2. Milverton Sun; Comox Argus, of Courtney, B. C., and The Dufferin Leader, of Carman, Man., tied for third and fourth places.

On the trip homeward on Saturday the party disembarked at Barrie, the beautiful home of the ex-President, Mr. Alex. Maclaren, and a half hour motor trip was given about the enterprising town, and out to Allandale, where the journey was renewed. The Barrie Board of Trade provided half a hundred motor cars for this interesting innovation. The Cadets' Band of the Collegiate Institute serenaded the party.

Bigwin Inn, on Bigwin Island, is one of the largest and finest summer hotels in Canada. Someone has said that its various buildings are as attractive and alluring as enchanted palaces on an enchanted island. A million dollars has been expended to accomplish this result. Its setting is ideal. It has accommodation for 500 guests. All buildings are of concrete and stone. Its scores of waitresses are college and university girls. It is an inspiring convention centre.

Special Services at St. Alban's

The service in St. Alban's Church on Sunday, July 3, will be held at 11 a. m., and will be of a special character to commemorate fitly in the Diamond Jubilee of Confederation. There will also be a celebration of the Holy Communion for all, but especially for those recently confirmed, their relatives and friends. In the evening the congregation of St. Alban's will join with the other congregations in the public Divine Service, which is to be held in the Park. On Sunday last at 11.45 a. m. His Lordship, the Bishop of Niagara was present in St. Alban's Church to hold a confirmation service. Eighteen candidates received the Apostolic Rite. The service was most impressive, and His Lordship's address made a profound impression upon all. The church was beautifully decorated for the occasion, and was crowded to the doors.

ROCKWOOD

The early part of last week Miss Dorothy Douglas left for Fergus to assist Col. J. J. Craig with Middle School examinations. On Thursday evening a very pleasant social took place at the home of Mr. and Mrs. Wm. Swanston, when Miss Douglas was presented with a Life Membership certificate by the Home and Foreign Missions of the Presbyterian Church, of which Mrs. Robert Patterson is President; then a club bag from the Women's Organization, of which Mrs. G. R. Martin is President, and a few intimate friends of Miss Douglas. On Saturday afternoon the Rockwood Victoria Mission Band of the Presbyterian Church, (both boys' and girls' organization) met at the home of Mrs. Jas. E. Gray and presented their leader, Miss Douglas, with a Life Membership pin of the W. M. S. Georgina Laverty read the address, and Gordon Carter made the presentation, while little Mary Martin had the privilege of fastening the pin on. Afterwards Mrs. Gray treated the Band to candy. Miss Douglas is leaving the teaching profession of the Continuation School to enter the Deaconess' Training School of the Presbyterian Church, Toronto. While here, during her four years' stay, she has made many friends, who will regret her leaving, but wish her success in her chosen calling. She also taught the girls' class of the Presbyterian Sunday School, and the Bible Class, since the death of D. G. Mitchell last fall.

Mr. and Mrs. John Carton, Mr. and Mrs. Albert Carton, of Seattle, Wash., and their sister, Mrs. Taylor, of California, in company with their parents, Mr. and Mrs. M. O. Carton, arrived recently by motor on a visit to Mr. and Mrs. J. E. Carton.

Mr. and Mrs. T. B. Hill and son, Kenneth, of Burgessville, motored to the O. A. C., Guelph, in connection with the annual excursions from Oxford County, on Saturday, and spent the week-end with Mr. and Mrs. Wm. Harris.

Mrs. H. H. Edmondson, of Hamilton, was a visitor in the village on Sunday, renewing acquaintances. Mr. Edmondson has been on the sick list lately, but is improving.

Mr. and Mrs. Everett E. LeVieness, of Niagara Falls, Ontario, motored up Saturday evening. Mrs. LeVieness will remain for a few days with her parents, Mr. and Mrs. Wilson Gardiner.

Miss Margaret Locker, of Peterborough, is home for a week or so.

Mr. and Mrs. H. J. B. Leadlay, of Guelph, were here on Sunday.

Last Sunday morning the Sacrament of the Lord's Supper was observed at the United Church, and in the evening, in place of the regular service, the Y. P. S. held the weekly meeting, the topic being taken by Misses Edith Hogg and Edna M. Pearen, the subject being, "The Past, Present and Future of Canada." Rev. A. Donaldson acted as chairman, and also gave a brief address. Patriotic hymns were sung and a solo by Miss Gladys Hanna. At the close of the meeting the congregation sang "God Be with You Till We Meet Again," in view of the pastor leaving this week on a two months' vacation to Scotland, where he will join Mrs. Donaldson and son, who left the latter part of April on a visit to her parents, Mr. and Mrs. Livingstone.

Last Sunday anniversary services were held at Eden Mills Presbyterian Church, when the Rev. J. T. Strachan, of Owen Sound, conducted the services. Rev. L. E. Geggie took his work in Rockwood in exchange. The church was well filled both morning and evening. The combined choirs of Rockwood and Eden Mills congregations united together, assisted by couple who were visiting some members of the Eden Mills choir, whose duetts were much appreciated. Rev. Mr. Jones, of Campbellville, was present at the evening service. The day was fine, enabling many to turn out and enjoy the services and hear a former pastor of a neighboring church.

The 38th annual convention of Eramosa Sunday School Association was held on Tuesday afternoon and evening at Everton.

Mr. George H. Pearen was operated on last Saturday morning at Guelph General Hospital. His many friends will be pleased to learn that he is doing as well as can be expected, according to word received the early part of the week.

Entrance examinations are taking place this week at the Public School. Miss D. Douglas is remaining to render assistance to the presiding examiner.

A re-union of the Kitching family and their numerous relations took place last Saturday at Blue Springs Park.

THE KITCHING-WATSON RE-UNION

Family Gathering Held at Blue Springs Park Last Saturday

The third biennial Kitching-Watson re-union was held at Blue Springs Park, Nassagaweya, on Saturday last. Although the morning was very wet and the conditions unfavorable until afternoon, some one hundred and fifty people gathered. They came from Kincardine, Guelph, Elmira, Brantford, Niagara Falls, Hamilton, Burlington, Tottenham, Toronto, as well as from the neighboring townships and towns. Quite a large contingent came from Michigan, and one car from Florida.

The afternoon, following lunch, was spent in friendly visiting, sports and a programme. The enjoyable programme was composed of vocal and instrumental music, a select recitation and reminiscent and congratulatory speeches by Messrs. Robert Campbell, Bervie, George Harbottle, Kilbride, William Shepherd, Cleveland, and Revs. J. W. Kitching, Hornby, and John Little, Rockwood.

The retiring president, William Bridgeman, Burlington, and Secretary-Treasurer Elias Watson, Tansley, were thanked for their faithful work and the complete arrangements for the re-union. The officers appointed for the next two years were Mr. D. P. Campbell, Kincardine, President, and Mr. John Campbell, Bervie, Secretary-Treasurer.

With the exception of perhaps two, all the surviving members of the Kitching and Watson families were present, viz., Mrs. Elizabeth Kitching, Moffat; Robert Campbell, Bervie; James and Leonard Watson, Georgetown; Dr. W. R. Watson, Elmira; Dr. Ed. Watson, Niagara Falls; George Harbottle, Kilbride, and Mrs. Jane Kirk, Michigan.

An interesting feature of the programme was a roll call of the branches of the two families, by which the descendants present were grouped and photographed. In this connection one group of four generations, descendants of the George Watson branch of the family—Mrs. Jane Kirk, her daughter, Mrs. Cousins, and her daughter, Mrs. Cargill, with her baby girl, were photographed.

Two recent and sudden deaths in the connection—Mrs. Colin Kitching, Rockwood, and Mrs. John Gray, Kincardine, and the absence of their families, who had been active in former gatherings—gave a touch of sadness to the otherwise delightful day. All went away delighted that they had been permitted to renew old acquaintances and form new, with the earnest hope that they would be privileged to meet again two years hence.

Mr. and Mrs. Murray's kindness at the park was genuine, as usual, and the park surroundings delighted visitors from a distance.
