Neighborhood News

LIMEHOUSE

Dr. E. Lewis, Miss Proudfoot and Miss M. Rodney, of Hamilton, were week-end visitors at the Parsonage.

Mother's Day services were held in the churches on Sunday, and, as usual, were very interesting.

Mr. Brooks has been treating the family to a fine car.

Mr. Wm. Gowdy is more than busy these days, superintending the Alabastine Company's plants at both Milton and Limehouse.

A distressing accident occurred Tuesday afternoon, a little after two o'clock, on the Limehouse sideroad at the radial crossing, when a car, driven by John MacVicar, District Engineer of Municipal Roads, was instantly killed. He was driving James McClure, of Georgetown, Superintendent of Township Roads, to look over a gravel pit at John Newton's farm, when an east-bound radial car struck the automobile and hurled the men over a hundred feet. Mr. McClure, while seriously injured, had a miraculous escape, for he was sitting on the side of the car crushed in by the radial. The body of the dead engineer was taken to Georgetown, where an inquest was held on Wednesday evening. The crossing is rather dangerous, a number of people having had narrow escapes there, and the rain, with mist, made the visibility very poor on Tuesday.

Entered Into Rest

JOHN AIRDRIE, Welland

John Airdrie, who formerly lived at Crewsons Corners, passed away on Sunday, April 28, at Welland General Hospital, after an illness of five or six weeks, in his fifty-first year. Mr. Airdrie and family were well known in this vicinity, having occupied a farm just west of Acton prior to their removal to Welland five years ago. Besides his widow, a family of thirteen children remain to mourn his loss. Of the five sons, three remain at home and Robert resides at Speyside. Eight daughters are all living in Welland. The sympathy of the former friends of the family in this vicinity goes out to the bereaved ones.

ALEXANDER BELL

After five years of ill health Alexander Bell, of Campbellville, passed away at his home there on Sunday. Born in Nassagaweya Township, at lot 14, concession 5, on January 25, 1863, Alexander Bell was a son of Mr. and Mrs. Archibald Bell, pioneer farmers in that Township. He had spent all his life in Nassagaweya, removing from the farm to Campbellville five or six years ago, and was well and favorably known throughout that township and this district. On October 25, 1905, he was joined in holy wedlock to Jennie Logie, who, with one sister, Mrs. David Irving, Nassagaweya, and one brother, Dr. J. M. Bell, Acton, remain to mourn his death. Mr. Bell was a Liberal in politics, and was a member of the Presbyterian Church, Campbellville. The funeral on Tuesday afternoon was conducted by his pastor, Rev. C. G. Jones, and interment was made in Nassagaweya Presbyterian Cemetery.

MORGAN CREWSON

The community was indeed shocked to hear of the sudden death, on Monday evening, of Morgan Crewson. He had been in his usual health and was at work repairing some drilling machinery in the Henderson mill property on Main Street when he was suddenly seized with an apoplectic stroke. He was removed to the home of his daughter, Mrs. A. McIsaac, just across the street from where he was working, and passed away in a few minutes without regaining consciousness. Deceased was a son of Morgan Crewson, Sr., and was born at Crewsons Corners fifty-five years ago. For the past nine years he has resided in Acton. He was a driller of some experience and ability and had been employed at this work in many parts of Ontario, in drilling for gas and water. The last well on which he worked was that of the Suburban Oil and Gas Company, two miles west of Acton. Three daughters survive him, Mrs. A. McIsaac, Acton; Mrs. Leslie McEachern, Milton, and Miss Gertrude; and one son, Brandon, of Acton. Three brothers and four sisters also survive to mourn his death: John, of Guelph; Joseph, of Belleville, and Fred in Acton; Mrs. A. E. Cripps, Acton; Mrs. Stephenson, Milton; Mrs. Cottrell, Guelph, and Mrs. Barnes, Waterloo. The late Mr. Crewson was a member of the Disciple Church but since the discontinuance of their services here years ago has attended the Baptist Church. The funeral this afternoon was conducted by the pastor, Mr. A. Forsyth. Interment was made in Fairview Cemetery, Acton.

THOMAS ELLIOTT

One of the most elderly native residents of Esquesing Township, passed away on Wednesday morning in the person of Mr. Thomas Elliott, of the second line, just a mile or so below Acton. Mr. Elliott was in his eighty-fifth year and has been in gradually declining health for some time, until the end came yesterday morning. Thomas Elliott was born on the farm on which he now resides and has lived there all his life. He was a son of the late George Elliott. Fifty-eight years ago he was joined in holy wedlock to Frances McKeown, who with the family of five still survive him. The family are: Mrs. John McDowell, Erin; Mrs. Frank Wrigglesworth, Erin; Miss Alice, of Acton; David, of Acton; and George on the homestead. Two brothers and two sisters of Mr. Elliott also survive him: Peter, at Hymer, in New Ontario; James, in Montana; and Mrs. McDonald and Mrs. Frazer, in British Columbia. Thomas Elliott had always lived on the farm on which he passed away. Unlike many of the changing farm scenes so often noticed these days, this farm has, all through the years, been known as the Elliott farm. Of sturdy pioneer stock and honest, rugged opinion, Thomas Elliott was a man with many sterling characteristics. He was a member of the Ancient Order of Foresters and in religion affiliation was a member of the United Church. The funeral will be held to-morrow afternoon with service at the home at 2.30 o'clock. Interment will be made in Fairview Cemetery.
