This is Fashion Week at Macdonald's

Spring Stocks are Now at Fashion Show Perfection

COATS
$10.95 to $65.00

Many different styles and every one smart. Hundreds to choose from. Sports styles of handsome tweeds or beautiful basket weaves or novelty mixtures — dressier models of Telga cloth, broadcloth, starleens and other smooth fabrics. Capes, high waists, narrow belts, distinctive sleeves, form-fitting models with low-placed flares—beautiful fur trimmings—newest colors including plenty of navy and black. Misses' and women's sizes.

SUITS
$19.95 to $45.00

No one who expects to achieve smartness will even try to get along without a Suit this season, and our selection shows how you can be "Suited" at any price you wish. The smartest of fine woollens and tweeds, with long or short coats, and the new types of flared, pleated and yoked skirts. Every new fashion detail of fabric, line or color is represented in this collection, and there are sizes for everyone. Choose early, while selections are complete.

DRESSES
$5.98 to $29.75

Frocks for any occasion, exhibiting scores of the important details that characterize the newest frocks—nipped-in waists, and high narrow belts—capes of all sizes and designs — shirred bodices — peplums — tiers — boleros — endless new neckline and collar treatments — sleeves in fashionable new styles. Now colorful prints and all the popular plain materials.

HATS
$2.95 to $13.50

All the variety one could wish for here — in fabric, style, color and price. All the new straws—panamablac, baku, bakuette, sisal, fabric weaves and novelty straws—in the interesting new brimmed modes, as well as the popular off-the-face styles. Colors include black and navy, and all the popular new blues, greens, beiges and browns.

ACCESSORIES
Everything here to complete your Spring costume—gloves, hose, scarfs, handbags, neckwear, boutonnieres and oven jewelry — all fashion-right and all moderately priced.

Children's Wear
Smart new apparel for the younger set—dressy coats, tweed coats and reefers—new frocks—new suits—new hats—everything boys and girls need for Spring smartness.

Ford

One of the significant points about the New Ford: New beauty has been added to outstanding performance without increase in price, continuing the policy in which Ford has always predominated of handing the economy in production on to the purchaser in increased value.

The following partial list of Ford features show the quality built into the car: fully enclosed 4-wheel brakes; four Houdaille double acting shock absorbers; Shatter proof Windshield Glass; large number of Ball and Roller Bearings; Aluminum Pistons; three-quarter Floating Rear Axle; Stainless Steel Head Lamps, Radiator Shell and Hub Caps.

Come in and inspect these cars, drive them yourself and realize what a wonder the New Ford is.

Dr. Teyhi Hsieh an Outstanding Lecturer

Chautauqua's Closing Events Held Last Thursday and Friday

Acton has had its first visit of Chautauqua concerts and the general opinion is that the programmes provided have been of a very high standard and a distinct feature in the community life and entertainment. Each programme was one of outstanding merit and the entire series were varied enough to make everyone desirous of attending each presentation. Miss Bierling who had charge of the series in Acton was most painstaking in her efforts to make the affair a success and to have all arrangements well in hand and ready for the smooth running of the series.

Last week an account of the two programmes then presented was given. On Thursday afternoon the Cutler-Austin artists featured a popular musical concert. Miss Marguerite Austin is a violinist of marked ability, and is a licentiate of the Royal Academy of Music, London, and a graduate of the Brussels Conservatory. Her playing and her delightful little stage mannerism won her audience for her completely. Mr. Everett B. Cutler with his rich tenor voice is an artist of unusual ability. His voice and his pleasing selection of numbers made this a programme of real merit. The third member of the company, Miss Irene Smith, is an accomplished pianist and has a pleasing soprano voice. Her duetts with Mr. Cutler, and their numbers in costume and with the special lighting effects made a well rounded out musical programme. They also presented a programme at the evening performance.

Dr. Teyhi Hsieh eminent Chinese statesman and diplomat is the man of outstanding prominence in the Chautauqua programme. He is the only Chinese member of the International Law Association of London, England, and the Williamstown Institute of Politics. He is the managing director of the Chinese Trade Bureau for this continent. Under the Old Regime, he performed many and varied diplomatic missions for China in England, South Africa and the United States. His lecture on "Inside Light of Present-Day China," is no dry review of statistics and harangue of what the new China aims to do. He is a most cultured and witty speaker and his address is one sparkling hour of wit and aptly described as "Inside Light" on China. No audience can fail to have a new conception of China and Chinese problems after hearing Dr. Hsieh. His message of good will and his ability to present the problems which the Chinese people are confronted with; his heart to heart explanation of Chinese customs and legends; and his experience in his travels in forty-nine countries leave his audience with an understanding of the Chinese people which cannot fail to be productive of much good between that country and any which Dr. Hsieh may visit and lecture before. We doubt very much if a finer speaker or lecturer ever addressed an Acton audience.

It was the privilege of a few Actonians to be entertained by Dr. Hsieh at a Chinese dinner following the lecture. It was served by Bing Cheu at the local Chinese restaurant and there were present Mr. and Mrs. H. P. Moore, Reeve and Mrs. A. Mason, and the Editor of this Journal and Mrs. Dills. It was served in real Chinese style. We had no knives and forks, but attempted the manipulation of chopsticks and used the Chinese earthenware spoon. We will give the translation of the dishes served as our host explained them. The Chinese version we fear to tackle. The first course was a dish termed "Birds' Nest Soup" the second was termed "Elephant's Ear" and a special Chinese sauce served with it and the fruit was what might be described as Chinese grapefruit. It comes from Canton and is an improvement on the English variety in that no juice emerges from it to submerge your eye. And of course there was Chinese tea served without either cream or sugar. But the menu of that meal, unique as it may appear, was not the outstanding feature. We would that it were possible to pass on to all our readers the contact that that social hour meant with this brilliant Chinese. Before the evening was over Mr. Cheu and Mrs. Cheu joined us in a social talk interpreted to them by Dr. Hsieh and just as leaving Cheu junior awakened from his sleep and put in a tired appearance.

It was a night of a new understanding. Before it was over Judge Moore and Reeve Mason whose fluency as orators is well known, gave expression to their delight in this opportunity of meeting and hearing Dr. Hsieh and even the editor of this family journal was on his feet giving some sort of expression to the pleasure they had been in. It was an experience which we will long remember and a meeting whose relationships formed and enlightenment received will ever be cherished.

Chautauqua's last evening was given over to that popular play "Give and Take." The play in the advance literature is described as a comedy written on modern business absurdities. It was well played with every part well taken but the play was in our estimate not as happy a choice as "The Pasty." In this play we find a father with old-fashioned business principles pitting his wits against his son, who is all for spreading cheer in the life of the working man. Between them, father and son almost wreck their factory, but an unexpected turn of events saves the day and leaves everybody happy. Of course there is a girl, and a delightful love story runs throughout the play.

The cast of characters in this play was: Marion Kouger, Havelon Eberwyne; Jack Baurr, Thos. Ryder; Albert Kouger, George Korwyn; John Bauer, Richard Castilla; Daniel Drum, James Gearish; Thos. Craig, James Gearish.

The summoning up of the series finds that each of the guarantors will have a small amount to make up to defray the guarantee. But in spite of this a larger committee than previously have signed the contract for a Chautauqua Festival again next year, believing undoubtedly that it is most desirable that such an event should be presented again next year in the community. This speaks much for the merit of the programmes, and undoubtedly next season a larger number of citizens will avail themselves of the opportunity of hearing all of these events.

THE EVENING MEAL DIGESTER

Two young men had been behaving in a disorderly manner at a revivalist meeting, and the missioner asked them:

"Why did you come to this meeting?"

"To see miracles performed," answered one of them flippantly.

Whereupon they were summarily ejected.

"We don't perform miracles," explained the missioner, "but we cast out devils!"

—A play, under the auspices of the W. F. W. O. will be held in the Town Hall, Acton, on Thursday, April 11.

Entered Into Rest

ROBERT F. REID, Esquesing

Robert F. Reid, of the Ninth Line, Esquesing, passed away last Thursday, in his 76th year. His wife, formerly Miss Eaton, a sister of the late Timothy Eaton, predeceased him 16 years ago. Mr. Reid was the last of his family of five sons: James in the West; Robert and William Henry, of the Ninth Line; Weir M., Norval, and Robert Foster Reid, Toronto, and one daughter, Agnes Josephine, Toronto, survive. He was a member of Norval Presbyterian Church and a Liberal in politics.

WILLIAM BROWN, Oakville

One of the last Oakville residents of the district who participated in the Fenian raids died on Sunday in the person of William Thomas Brown in his 87th year. He was born in Derry West, Peel County, and farmed in Trafalgar Township until six years ago, when he moved to Oakville. Surviving him are his widow; four sons, Rhodbert, Bourla, Man.; Col. W. T., Toronto; David, Erindale; George, at home; and four daughters: Mrs. J. E. Ford, Oakville; Mrs. Fred Brown, Port Credit; Mrs. J. W. Powley, Toronto, and Miss Hattie Brown, at home.

I. P. HNYDER

The funeral of the late I. P. Hnyder, Inspector of the Royal Bank, Montreal, took place here on Saturday afternoon. Rev. C. L. Poole, B. D., minister of the United Church, conducted the service. Mrs. Ryder and her daughter, Miss Daisy; Mr. William N. Hnyder, and Mr. and Mrs. Mack Douglas, of North Bay; the Misses Hnyder, of Klora; Mrs. Ella Hnyder, Dundas; Mrs. H. T. LePage, Mr. H. H. Moore and Miss Gertrude, Mr. and Mrs. W. D. Frick, of Toronto; Messrs. Samuel and Charles Penfold and other relatives from Guelph, and representatives of the Royal Bank, Montreal, the Royal Bank, Toronto, Royal Bank, Guelph, and the Bank at Elmira, attended the funeral, as well as a large number of Acton friends. The pallbearers were: Messrs. James Hymon, John Kenney, William Gowdy, John R. Kennedy, Andrew J. Murray and G. A. Dills.

MRS. WM. W. SCOTT

The last surviving member of the family of the late Mr. and Mrs. Joseph Arthurs passed away on Monday, when death removed Rachael Arthurs, widow of the late William W. Scott. Mrs. Scott was born January 6th, 1851 and has spent the most of her life in this township in the neighborhood of Limehouse. She died after an illness of five months at her home, Lot 23, Sixth Line, Esquesing Township. She was predeceased by her husband several years ago; seven children remain to revere the memory of a devoted mother. They are: Nellie,—Kate,—John,—Emma,—Joseph, Maude and Hirdh. In their bereavement the sympathy of the community is extended. Three brothers and three sisters have all predeceased her. Mrs. Scott was a member of the Limehouse Presbyterian church and of the Women's Missionary Society and valued highly her church connection and all it stood for. The funeral yesterday afternoon was conducted by her pastor, Rev. Mr. McLean and interment was made in Limehouse cemetery.

MRS. WALTER G. DEVEREAUX

After a lingering illness of almost two years duration, Mary Brown, widow of the late Walter G. Devereaux, passed away at her home; lot 18, seventh line, Esquesing, on Thursday, March 20. Mr. Devereaux predeceased her on October 9, 1913. Mrs. Devereaux was a native of Esquesing Township, a daughter of James and Mary Brown. She was a member of a family of six sons and two daughters, of which but one, a brother, Mr. Robert L. Brown, survives. A family of three remain to mourn their mother's death, Mrs. John Murdock, of Georgetown; Mrs. Bernard Miller, of the seventh line, Esquesing; and John B., at home; the youngest boy, Willie, dying as the result of an accident in his eleventh year. Deceased was a member of the United Church, Georgetown. The funeral service was conducted by Rev. Mr. Rumley, assisted by Rev. Mr. Caldwell, of Limehouse. Interment was made in the family plot in Greenwood Cemetery, at Georgetown. The funeral was largely attended, many friends and relatives from a distance being present. The pall-bearers were Isaac Bennett, David Brooks, Herbert Bossey, Leonard Watson, Lawrence Hurst and Alex. Gross,—Georgetown Herald.

ROBERT HUGH REID

Another of Acton's sterling citizens was removed by death on Sunday morning when Robert H. Reid passed away at his home on Young Street following an illness of about three months. Mr. Reid was taken ill before Christmas and has been unable to leave his home since. His friendly greetings and genial presence has been missed on the street and in church attendance and now he has gone to his reward. Robert Hugh Reid was a son of the late Rev. Hugh Reid and Margaret McKechnie and was born at Belfountain in Caledon Township on May 20, 1858. For nearly all his life he has been a resident of Erin Township. On January 4th, 1888 he was joined in holy wedlock to Betsy McClinnon. They settled on a farm in Erin Township. For thirty years the farm at Lot 8, third Line, Erin, was the Reid homestead and it was from here that Mr. and Mrs. Reid and family removed to Acton five years ago and took up their residence on Young Street. A family of six children and his widow remain to honor the memory of a devoted father and husband and suffer the bereavement that his passing has occasioned. They are: Hugh M., on the homestead; Mrs. H. L. Griffin, of Erin Township; Miss B. Winifred, of Orangeville; and Joseph N. and Miss Laura K. and Marjorie B. at home. Three sisters and one brother also remain; Misses Mary M. and Martha, of Erin, and Mrs. F. I. McLaughlin; and D. J. Reid, of Toronto. To all of these the community joins in extending sympathy in their bereavement. Robert H. Reid was a fine type of Christian gentleman. Of a somewhat retiring disposition he was devoted to his family and home. His devotion to his church was also of paramount importance to him and in the Baptist Church here, of which he was a member, his loss will be keenly felt. The funeral on Tuesday afternoon was largely attended by citizens of Acton and the district throughout which he was so well known and by friends from Guelph, Toronto, Georgetown, Erin and Coningsby. The service was conducted by Pastor Forsythe, assisted by Rev. J. A. Johnston, of London, a former pastor in the Baptist Church here. Interment was made in the Coningsby Cemetery.

—A play "The Spinsters' Conventional" will be produced by the Ladies' Aid, of Hallinafad United Church, Friday evening, April 4. Admission 35c. Come and enjoy a good laugh.

Annexation and Rink Details Considered

Council Passes Resolution to Join Municipalities in Fight for Lower Rates on Coal

The Council meeting after two adjournments was held on Wednesday evening of this week. Councillors Hansen, Thetford and Dr. Nelson were present and Reeve Mason presided.

The clerk was instructed to write the insurance company regarding the rates on policy covering the insurance on public liability.

The sixty reports of the Finance Committee recommended that the following accounts be paid:

Bell Telephone Co., services	$ 19.95
A. H. Bishop, labor in cemetery	9.45
H. A. Coxe, fire truck license	2.00
Acton Tanning Co., re streets and walks	19.85
Acton Free Press, printing Auditors' Report	74.50
Acton Tanning Co., pipes in park	0.50
Thos. Rumley, labor in cemetery	1.50
W. R. Lashbrook, supplies and labor at rink	40.50
Fred Crewson, stove for rink	10.00
Alex. Skatch, refund of taxes	7.76
Eastern Steel Products	25.00
	$217.30

The report was adopted.

Moved by Dr. E. J. Nelson, seconded by E. Thetford that a hearty vote of thanks be tendered the Acton Hockey Club for their donation of $350 and as per their request, we have opened a sinking fund account for the total amount. We admire the spirit which prompted this action.—Carried unanimously.

Moved by Dr. E. J. Nelson, seconded by C. Hansen, that the Council of Acton join with the City of Guelph and the municipalities in the appeal of the Municipal Freight Rates Association to the Railway Board for an equalization of freight rates, and that the Clerk be instructed to so inform C. W. Kirkpatrick, Industrial Commissioner, at Guelph, it being understood that the expenses in connection with the said appeal shall be borne pro rata by the municipalities so appealing according to their population as represented by Mayor Robson, of Guelph, at the Business Men's meeting held in Georgetown on March 14 last.—Carried.

Secretary Ramsden was present to give approximate figures regarding the operations of the Arena for this year, in order to check up in details and the Council spent some time on these matters. Approximately $700 will remain after all debenture issue and expense are met for the year.

The Clerk was instructed to write the committee that had appeared before the Council re the annexation of the Crescent, that the Corporation could give no fixed assessment if they desired to become annexed. The Clerk was also instructed to write and secure advice on various phases in connection with this matter, and the Council is studying the details further.

The Bell Telephone Co. was given permission to extend their lines on Church Street, under the supervision of Chief McPherson.

Various News Items

Monthly Meeting of Women's Institute

The monthly meeting of the Women's Institute will be held at the home of Mrs. Ross Hurt, on Thursday April 3rd, at 2.30.

Baking Sale

The Ladies' Aid of the United Church, Acton, will hold a tea, sale of home-made baking and aprons, Saturday afternoon, March 29th, at 3 p. m., in the schoolroom of the church. Come and help the ladies and enjoy a cup of tea.

Chief Chapman of Milton Resigns

Chief Constable Chapman, of Milton, after twenty-three years service, tendered his resignation last week, to take effect at the end of the month. The resignation was accepted. The vacancy will be filled at once by the Town Council.

Truely Loyal to the Crown

It remained for an educated son of China to impress upon an Acton audience the fact that real loyalty to the crown during the singing of the National Anthem meant "standing at attention";—No putting on overcoats, arranging clothing, or otherwise distracting. Dr. Hsieh made this plain at the Chautauqua Festival at the Town Hall last week.

An Acton Boy in the Bahamas

We have received this week a letter from John D. Gibbons, from Nassau, in the Bahama Islands. And enclosed was a very interesting descriptive circular of this "Isle of June" and a copy of the Nassau Guardian, both of which we enjoyed perusing very much. Mr. Gibbons says: "I still read the ACTON FREE PRESS every week and certainly enjoy getting the home town news when I'm so far away from home." And we're delighted to hear from John D. and can assure him it is not June weather here. We're also glad to note he keeps up the good habit of reading the FREE PRESS which he learned while at home in Acton.

Curling Trophy Officially Presented

A delightful evening was spent at Georgetown on Thursday, when P. A. Smith, Esq., officially presented to the Georgetown Curling Club the handsome trophy cup recently won by the curlers of that town. In graceful and happy words Mr. Smith presented the cup to President McDormid, congratulating his players upon their success. The President and other members expressed their appreciation of the splendid trophy at the same, stating that they hoped Acton would make such progress that the trophy would return to the Curling Club there next season. Mr. Smith has been a member of Georgetown Club for four or five years. His fellow-members there gave practical demonstration of their appreciation by making him an honored life member of their Club. Mr. Smith greatly prized their kind action. Lunch was served at the Arena on this occasion and a splendid social evening enjoyed.

High School Literary Society

The Literary Society of the Acton Continuation School held their fifth meeting since the new year, in First Form, on Friday last. The meeting opened, as usual, with the singing of "The Maple Leaf," which was followed by the Chairman's address. The minutes were read, but their adoption was deferred until several corrections be made, suggested by Mr. Lawrence. The first part of the paper, "The Eye-Opener, was read by Oral Chalmers, the second part by Esther Taylor. The third part was read by Eileen Claridge. As this was a paper meeting, the critic, Mrs. Moore, was called upon to give her criticism on the school paper. Following this a vote of thanks was made by Jack Kelling. This was seconded by Stuart Lantz. The President, Milton Rymard, forwarded the vote to Mrs. Moore, and the meeting closed with the singing of "The National Anthem."

HOCKEY NEWS

The Week's Activities of the Local Puck Chasers

As Hurled from the Side Seats

The Guelph All Stars have shown a real determination to trounce the Acton Intermediates and they gave them two exhibition hockey matches of the week,—but all to no avail as far as registering a defeat against Acton. The one on Saturday night is best described as a rough affair and not the type of hockey the fans appreciate.

The first period belonged to Acton. Walters for the locals got the first goal on a neat combination play. And a minute or so later Joe Kentner on a solo trip registered again and to the same player goes the third count when he came from behind the net and scored again. To make it a quartette Greer came through on a jaunt by himself and brought the total up to 4 for Acton, but Guelph also had a hand in the counting end. In a scramble in front of the Acton net they registered their first and a neat combination play netted them two for the period.

The second period saw Kentler again in the limelight when he scored on a scramble in front of the net. And then Greer put a blemish on the game when he mixed up in a fight with Brill. Both drew major penalties, but the fans prefer hockey to these episodes and games cannot be won in the penalty box. To finish the period Guelph scored past Holloway on a long shot from centre ice and the period ended 5-3 for Acton.

In the third frame Brill on a nice combination play for Guelph scored the first goal and Acton ran in two which are uncounted for by Greer on a pass from Huffman; Arble, when he shot right in after the Guelph goalie had sent the puck out. John Kentner, Acton was the referee.

On Tuesday night Guelph came back for a third defeat. This time to the score of 5-2 and it was a game with only a few penalties for minor offences. The part which seems to please the fans most is the improved combination playing of the locals. Everybody passes the puck and yet there is sufficient solo trials to show the ability of all the players. The first period of this game brought in two tallies for Acton and none for Guelph. Frank Gibbons with the assistance of Walters and Kentner got the first one. And Huffman got the second one with Salmon's assistance. Acton's centre man is certainly giving the team all his hockey knowledge and assistance in his play. It would appear he would sooner assist than take the goal honors himself.

In the second period with a two goal lead Manager Garden put Lawzen, the Junior goalie in to guard the nets. Brill, for Guelph, slipped a hot shot from close in right past him. But Walters assisted Huffman to regain the two goal lead for the locals. Brill again made another for Guelph when he got right in on Lawzen and the period ended with Acton leading by 3-2.

In the third period Neil Gibbons came on just to stretch his legs and keep in shape and incidentally to show that he can still shoot and score goals. Acton certainly peppered the Guelph goalie in this period and only his ability made a dozen goals only count for two. These were both scored on shots by Neil Gibbons. The first one sent over to him by Kentner and the next one from Salmon.

Dr. Buchanan was referee and held down any semblance of roughness early in the game. The line-up was:

Acton—Holloway and Lawzen, goal; P. Gibbons and Walters, defence; Kentner, Salmon and Arble, forwards; Huffman, Woods, Anderson and N. Gibbons, subs.

Guelph—Fox, goal; Bethel and Brill, defence; Evan Brill, Earl Brill and Brunditt, forwards; Fox and Huff, subs.

Some of the older set who still have ambition enough to want to play some game but haven't ability enough to manage skates and hockey sticks without serious casualties have taken up a game called "broom ball." The participants wear rubbers and carry brooms—preferably half worn out affairs—and use a small football. There are no off-sides and the only effort in evidence was to score in either goal with the football. The first game was played on Monday night after the skaters had roughened up the ice a bit. The teams are captained by Dr. Nelson and J. M. McDonald and the first night the outfit captained by the Superintendent of the Beardmore plant won by a score of 3-2. It is said Dr. Pearen scored most of the goals and Chief McPherson was the roughest man on the ice.

Between periods on Tuesday night Dr. Nelson had his outfit on the ice again and L. B. Shorey captained the opposing team. Dr. Cose had had a night's practice and they simply didn't get one past him, although the first period was very much around the medical man's goal. Dentistry had taught medicine some tricks about "Broom Ball" which were profitable in this second game and Dr. Nelson scored two goals to the opposing teams no score in this game. The game isn't particularly fast, but much too fast for the stamina of such men as Customs Officer McDonald, "Beatty" Nicol, Superintendent Wilson, Principal Lawrence, "Bill" Patterson, Reeve Mason, and others who aren't just in shape for such strenuous exercise. If any of the gentlemen in this category are noted walking very deliberately or are heard to complain of sore shins or the like, it may be taken for granted that they have taken part in one of these games of "Broom Ball."

Serious Auto Accident

Harold D. Parker, of Everton, was remanded a week on bail of $1,000 in Acton Police Court, Monday, on charges of reckless driving and criminal negligence. The charges arose over an accident near Brelan in which three cars figured. Parker was trailing a sedan, police allege, and in attempting to pass it he crashed into a light roadster driven by H. Homeville, of Guelph. The roadster landed upside down in the ditch. M. O. Laughter, of Waterloo, passenger in the Guelph car, was badly cut about the face. The other two cars came to a stop with their front wheels overhanging a steep embankment. — Guelph Mercury.

Mr. Business Man!

When you have your shop window dressed, goods attractively displayed, some times prices marked in big figures, what do you expect? Some passer-by to notice the goods, to be attracted by the display and perhaps a sale. If you could take that window display at a small cost, and expose it to the view of several thousands of the community, you would think you had made a big hit. Now wouldn't you? Well, you can, at comparatively small cost, place before the eyes of several thousands of intelligent and money-spending citizens of this community, a display of business ability that will bring you more purchasing customers than all the window displays you ever made. The way is through the advertising columns of THE FREE PRESS. It is worth your thinking about, Mr. Business Man.

The Community's Social Side of Life

Visitors to and From Town During the Past Week, as Gleaned by The Free Press

Mr. George Jiggins, of Aurora, was home for the week-end.

Mrs. Albert Ellis, of Galt, spent the week with Mrs. V. Honey.

Mr. Frank Freeman, who was operated on for appendicitis in Guelph Hospital last week, is making satisfactory progress. Friends will wish him a speedy recovery.

Mr. and Mrs. P. A. Smith, and Miss Smith, and Mr. and Mrs. J. M. McDonald, are attending the Old Boys' and Girls' Re-union, of former Bracebridge residents in Toronto, to-day.

Mrs. J. Hudson received word to-day of the death of her cousin, Mrs. C. Widdup, of Hamilton, and mother of Mrs. W. J. Baxter, of Toronto. The funeral will take place at Hamilton, on Friday.

Mr. and Mrs. Morris Baxe, Georgetown, Ontario, announce the engagement of their daughter, Pearl, to Mr. Samuel Ginsberg, Huntsville, Ontario, son of Mrs. P. Ginsberg and the late Mr. Ginsberg, wedding to take place very quietly on March 30.

Variety of News

I. O. D. E. Meeting

The regular monthly meeting of the Duke of Devonshire Chapter of the I. O. D. E. will be held on Tuesday evening, April 1, at eight o'clock, at the home of Mrs. W. J. Gould.

Old Age Pensions

Reeve Mason has been appointed the representative of the Halton County Old Age Pension Board for Acton and intermediate vicinity. All applications for pensions from here should be made through him. At a meeting of the County Council Board recently thirteen applications were dealt with and added to the list of pensions. There are now 185 on the pension list in Halton County.

Acton Young Lady to Go To Japan

The morning papers on Saturday carried photographs of a group of young ladies who have been appointed to the missionary service by the General Board of Missions of the Presbyterian Church in Canada and will serve under the Missionaries of the Women's Missionary Society of that Church. Among this group was Miss Nellie Anderson, of Acton, who resigned her position last midsummer on the Public School staff here to devote her life to this work in the foreign mission fields. Miss Anderson has been appointed to work among Koreans in Japan.

Customs and Brokers Here Saturday Night

Mr. J. W. Precious has undertaken to bring the Customs and Brokers Hockey Team, of Toronto, to Acton, for a match with the local Intermediates here on Saturday night. He has also undertaken that the team that comes will defeat Acton, which is a rather broad statement, in view of the fact that Acton has lost only one game on their home ice, and only lost three games away from home, and these latter three by only one goal. We are also informed that Acton has sidestepped meeting this team on two previous occasions. Indications would seem to point that, with favorable ice conditions, this would be one of the classics of the year.

U. F. Y. P. O. Meeting

The regular meeting of the U. F. Y. P. O was held in the Parish Hall on Friday evening. Miss Velma Murray opened the meeting with the singing of "The Maple Leaf Forever." The roll call was then answered by an autograph verse and the minutes of the last meeting read and adopted. Mr. Wilmer Watkins was called upon to take the chair. The first number on the programme was a duett by Messrs. Reg. Penner and Bob Parkinson, followed by a reading by Howard Webster, which was enjoyed by all. Flora and Karl Sayers then favored the audience with a violin duett. The next number was a dialogue, entitled "Parted by Patience," which proves to be amusing to the audience. Following this was a selection by the Jazz Orchestra, which concluded the programme for the evening. The business part was then taken up and the meeting closed with the singing of the National Anthem. Lunch was served and a social hour spent.
