FIRST BALL GAME

Town Team Defeats the Tannery Nine to Tune of 4-3

On Saturday the Town baseball team proved to be the better when they defeated the Tannery Nine by the close score of 4-3 in a five inning game. Several new players appeared on the diamond and it looks as if Acton will have a stronger team this year than last. Chalmers, who pitched for the Town, seemed to be pitching mid-season ball, instead of his first game, with only one or two practices. In four innings he allowed only two hits and had seven strike-outs to his credit. Dr. Pearen, who was catcher for the Town, combined to make a good battery. The battery for the Tannery was Griffin and Anderson catching, with Neil Gibbons and Billy Kaley pitching. Our last year's catcher, "Clout" Gibbons, was out of town, and could not play. It was a pretty windy day for a ball game, and it was hard for the outfielders to judge the fly balls, but otherwise it was an exciting game. At one time the Town was leading 4-0, but Chalmers was not so effective in the last innings and three runs were batted in. This was the first exhibition game of the season, but there will be more played and they will be looked forward to with interest. The Intermediate team play their first game in the Halton County League on May 17, in Oakville.

Who Announced This Week That an Early Dominion Election Would Be Held

Variety of News

Old Age Pensions Considered

A special meeting of the Old Age Pensions Commission for Halton County was held at Milton last week. There were eight applications for pension, including two from inmates of the Halton-Peel House of Refuge at Brampton. All the applications were granted, which brings the total of old age pensioners in Halton County up to 190.

Had Liquor Illegally

Thomas Mahoney, former proprietor of a Burlington hotel, whose house at Burlington Beach, was raided by Provincial High Constable Cookman, of Halton, and Oldef Constable Lee J. Smith, of Burlington, appeared before Police Magistrate Barr on a charge of having liquor in an illegal place. He pleaded guilty to the charge and was fined $200 and costs or three months in the Halton County jail. Mahoney decided to serve the jail term.

Beautified Arena Surroundings

The surroundings at the Arena in the Park have been considerably beautified the past week. Messrs. Beardmore & Co. have had neat borders arranged and planted with iris peonies, flowering shrubs, and evergreens. The old buildings which had been temporarily placed in front of the Arena have been removed by the municipal officers. The whole appearance of the place has been transformed and the surroundings will make it a place of beauty, as well as a recreation centre.

Graduation of Nurses at Guelph

The annual graduation of nurses of the Training School for Nurses, at Guelph General Hospital, will be held next Monday evening at eight o'clock at the Collegiate auditorium. Quite a number of our citizens have been invited to this interesting function. The graduating nurses are: Misses Mary Isabel Darby, Nassagaweya; Isobel Christine Wilson, Georgetown; Annie Elizabeth Cockburn, Guelph; Dora May Lambert, Acton; Isabelle Henderson, Paris; Isabel Pearce, Paisley; Dorothy Winnifred Fletcher, Campbellville; Janet Isabel Kilpatrick, Elora; Jeanette Peplestone, Blyth; Katie Jeannette Laidlaw, Walton; Mary Amelia Dyer, Woodstock; Beatrice Stuart Storey, Milton; and Florence Ethel Dedels, Breslau. It is quite interesting to note that of the thirteen members of the graduating class, five are from Halton County.

Three Injured in Motor Crash

Three people were injured, two seriously, in a head-on collision between cars driven by Dr. Walter Fletcher, 413 Euclid Avenue, Toronto, and Charles J. Thomas, 1361 Burwood Avenue, Detroit, opposite the Osler farm, on the Toronto-Hamilton Highway, near Oakville, on Tuesday. Both drivers were removed to St. Joseph's Hospital, Hamilton. Miss Gertrude Grant, a nurse at Grace Hospital, Toronto, and passenger in Dr. Fletcher's car, sustained slight head and arm injury, while Margaret Saunders, 95 Mountain Park Avenue, passenger in the other car, was uninjured. Hurled into the ditch by the force of the impact, Thomas' car, after the crash, was found to have pinned the driver underneath. The Fletcher car, which struck and smashed a Hydro pole, was totally wrecked. Neither driver was held by Traffic Officer Rogers, who investigated, believing the accident due to misjudgment by one of the drivers of his distance from the centre of the road.

Lineman Electrocuted at Port Credit

At 5.30 o'clock Friday afternoon, just as he was through with his day's work, George Barr, a lineman employed by the Toronto Township Hydro Commission, was electrocuted at Port Credit, while testing the line for trouble. At the time he was strapped at the top of a pole about 35 feet from the ground, along with James Bing, another employee. Suddenly Bing noticed his partner stiffen out, and, realizing what had happened, snapped a wire which was in Barr's hand at the moment. He gave an alarm without delay and, with the aid of several workmen, Barr was lowered by means of a rope, and taken into a store. Here Dr. C. A. Dudgeon, Dr. A. H. Tipton and a number of linemen worked with a pulmotor for over three hours, each taking a turn with the instrument. Dr. Cody, surgeon of the Ontario Hydro-Electric Commission, lent his assistance. However, efforts were to no avail, and at 9 o'clock life was pronounced extinct by the three doctors.

—Dr. Rutherfurd will be in Acton two days each month, commencing May 16, or by appointment. His card, giving particulars, appears in the column o Professional Cards in THE FREE PRESS.

THE EVENING MEAL DIGESTER

A brass band once visited a small village, and the people were delighted with it, but they couldn't make out the trombone, so they sent old Cyrus to investigate.

Old Cyrus watched the performance of the trombone player for some time. Then, he said, with a sneer, "Takes no notice of him, fellers. There's a trick to it; he don't swallow the darn thing."

Members of the family and many friends called on Mr. Robert Storey on Saturday, on the occasion of his ninetieth birthday, to wish him birthday felicitations.

Mr. Robert Gibbons, for many years a resident of Acton, but now living with his daughter, Mrs. W. D. Frick, Toronto, celebrated his ninetieth birthday on Monday. This fine old nonagenarian is enjoying good health and his faculties are still keen and alert.

The following friends and relatives from Acton attended the funeral of the late Mr. Roszell, of Hillsburg on Sunday: Mr. George Roszell and Miss Catherine Roszell, Mr. and Mrs. Alger Cripps, Mr. and Mrs. R. L. Davidson, Mr. and Mrs. P. Mooney and Mr. and Mrs. Darwin Cripps.

ANOTHER ACTON FACTORY EXPANDING

Acton Machine Co. is Erecting Additional Building the Same Size as the Present Factory

Work was commenced last week on the erection of another building at the plant of the Acton Machine Co., to be the same size as the present factory. The excavations have been made and the foundations are now all finished. The building is to be completed next month.

The structure will be of brick, with steel window sash and built-up roof, and the duplicate of the present building now in use by the company. It will run parallel with this building and be connected with the present factory, but constructed as a separate unit. It will be used as shipping quarters and have commodious and modern office appointments and facilities for handling the output of the products of the Company, which are continually increasing and finding a wider market.

The Acton Machine Co. was started in Acton about twelve years ago by Mr. V. H. Blow, in the premises on Main Street now occupied by Norton Motors. About eight or ten years ago he was joined in the business by Mr. C. H. Harrison, who assumed charge of the sales end of the Company. The business grew under the aggressiveness of these men and when Thomson Motors were forced to give up the factory they had erected here, the building and equipment was taken over by this Company, as the obligations of the Thomson Company assumed and paid by the Acton Machine Company.

Now the plant is to be doubled in size. The manufacturing section, under Mr. Blow, requires all the room now in use for storage and shipping, and will allow for the growth of this section for the time being. The new addition will be utilized entirely by Mr. Harrison for storage of stock and shipping of orders. The growth of this Company will be a matter of pride to Acton and all will join in congratulating these two men on the success which has crowned their untiring efforts in building and expanding this business.

—Pallant's Clothing Store is opening on Friday in the new store with a Gigantic Moving Sale.

Various News Items

Musical Festival on May 16.

The Halton County Musical Festival will be held in Milton on May 16 this year, commencing at 7.30 p. m. The preliminaries will be held on Saturday. Acton Schools are entering a boys' choir and a mixed choir, a boy soloist and girl soloist in the competition, and no doubt many of our citizens will accompany the scholars to lend their encouragement to them in this County competition in which they were so successful last year. There are more entries this year and undoubtedly the competition will be hardest.

Howard While on Fishing Trip

Mr. Albert Kirkness, Acton, received the sad news on Saturday of the drowning of his brother, Kenneth Kirkness, at Bracebridge. Kenneth and a companion, Sherman Kerby, had been fishing off an island in their canoe. A severe windstorm came up and the waves filled and capsized the canoe. Both men, however, clung to the upturned craft and reached shore, but collapsed, and Kenneth failed to recover, as it was some six hours later before Kerby was able to secure help. Midnight searchers failed to find the body of Kenneth Kirkness until the following morning. The young man was just 26 years of age.

Some Bass Fishing—But Not Until July 1

About three years ago Messrs. Beardmore & Co. placed a quantity of small-mouth black bass fry in Fairy Lake, and fishing in this body of water was prohibited. The bass have now had time to develop and when the season opens on July 1, there should be some splendid bass fishing here. But Mr. Beardmore points out that the season does not open until July 1. Those who fish there earlier than this date are liable for prosecution by the game warden. The minimum size of black bass is 10 inches and not more than six fish over this size may be taken in one day. The season closes on October 16. Any one violating the provisions in regard to this fishing will be prosecuted.

The Burns-Weadge Wedding

A very pretty and quiet wedding was solemnized by Rev. C. L. Poole at the home of Mr. and Mrs. I. H. Weadge, Willow Street, last Wednesday, when their daughter, Jean, became the bride of Mr. Henry Burns. To the strains of the Bridal Chorus, played by Miss Ruth Gibson, the bride was given in marriage by her father. She wore a gown of white georgette and carried a bouquet of Calla lilies and maiden hair fern. Miss Ada Mills, of Toronto, who was bridesmaid, was becomingly gowned in point crepe and carried a bouquet of butterfly roses and sweet peas. The groom was attended by Mr. Russell Weadge, brother of the bride. Following the ceremony a wedding supper was served, after which Mr. and Mrs. Burns left amid showers of confetti and good wishes on a honeymoon trip. The bride travelled in a blue flat crepe dress, with shoes and hat to match and navy blue coat.

The Annual Meeting of the Women's Institute

Dr. Wallace Speaks of Emmanuel College

Rev. W. G. Wallace, D. D., of Toronto, spoke in the United Church on Sunday evening in an interesting discourse from Ephesians 4: 1-12, "And he gave pastors and teachers for the perfecting of the saint, for the work of the ministry." The necessity for an educated ministry was emphasized, and this had strongly characterized the efforts of the three churches which entered into union to form the United Church of Canada. Emmanuel College, with its charter, granted in 1926, unites the Union Theological College and the theological faculty of Victoria University into one college, with all the rights as a federated college in the University of Toronto. This new college requires new buildings, which are in process of erection at a cost of $1,200,000, and the church generally is invited to participate in the raising of this sum, much of which has already been subscribed. "To your children, and to the church of your children Victoria University offers with open hands the finest advantages of a liberal education on Christian principles, and invites your study of her present undertakings," said Dr. Wallace. Situated at the educational centre of Protestant Canada, this is by far the greatest of the United Church's institutions of higher learning, and has at the present time over 900 students registered in arts and theology.

Beverly Street Choir at the Baptist Church

On Friday evening the choir of the Beverly Street Baptist Church, Toronto, visited Acton Baptist Church and sang the Easter Oratorio, "The Seven Last Words." The church was nicely filled with an appreciative audience. In opening the proceedings the chairman, Mr. W. Coles, expressed the thanks of the Young People's Society for the large attendance, and announced the hymn, "All Hail the Power of Jesus' Name." This hymn, sung to the tune of "Diadem," gave the basses of the choir a chance to "shine," and put everyone in the right mood to enjoy the music which was to follow. Rev. Mr. Poole, of the United Church, offered prayer, and Pastor A. Forsyth extended a welcome to the visiting choir. Messrs. Thomas, Baxter, McPherson and Bodley were a male quartette who sang as an introduction to the oratorio, "The Old Rugged Cross." Pastor Baxter then replied to the address of welcome and gave an explanation of the oratorio. The work was well sung and thoroughly enjoyed. Extensive enquiries brought words of praise from all quarters. As a closing number the choir sang the "Te Deum," and the evening closed with the singing of the doxology. Mr. Thomas directed, and Mrs. Ferris was the organist. Mrs. Ferris has been organist at Beverly Street for 37 years. The soloists were: Soprano, Miss M. Miller; Contralto, Mrs. James Foster; Basses, Messrs. McPherson and Bodley; Tenors, Messrs. Thomas and Baxter. At the close the choir was entertained in the basement of the church and supper was served.
