The Carton-Mariatt Re-union at Streetsville

At the annual re-union of the Carton-Mariatt families on Saturday, July 1, at [illegible] Streetsville, the following [illegible] were elected: President, Mrs. [illegible] Tate, Toronto; Vice-President, [illegible] Joy, Acton; and Samuel Mariatt, [illegible] Secretary-Treasurer, Thomas McCarton, Toronto; Assistant, Mrs. Robert [illegible], Campbellville. About 125 attend[illegible] coming from Guelph, Galt, Toronto, [illegible], Limehouse, Pinegrove and [illegible] as well as several members from [illegible] United States.—Georgetown Herald.

The Lindsays Gather at Erin

Members of the Lindsay clan, to the number of more than 200, assembled at Stanley Park, Erin, on Saturday, to celebrate the centennial of the arrival of their forefathers in Canada from Ireland. The afternoon was given over to a programme of sport events, with 83-year-old Robert Loughheed, Mono Road, awarded the prize as the oldest in attendance. Officers for 1933 were elected: President, Albert Lindsay, Toronto; Vice-President, [illegible] Lindsay, St. Mary's; Secretary-Treasurer, Ray Lindsay, Toronto. Committee: J. Albert Lindsay, Mono Road; Irwin Lindsay, Milton; Walter Lindsay, Toronto; Miss Grace Brown, Meadowvale; Mrs. Vida Lougheed, Mono Road; and Mrs. Emmerson Westlake, Bolton.

Water Consumption in Acton

Some very interesting and comparative figures were secured this week from [illegible] Superintendent Wilson on the amount of water pumped during the months of June and July for the past three years, [illegible] for 1927, which was the year previous to the assuming of control by the commission. For May, 1933, there [illegible] gallons pumped and for June [illegible] gallons; May, 1932, had [illegible] gallons; June, 1,906,000 gallons; July, had 1,098,000, and June [illegible] gallons. The figures for 1927 [illegible] 1,228,000 gallons, and June, [illegible] gallons. There are to-day more [illegible] than in 1927, and the wastage [illegible] controlled by the use and [illegible] of the meters installed on the [illegible]

[illegible] and Cambridge Teams to Visit Hamilton

The Hamilton Olympic Club for the [illegible] time is to have the pleasure of [illegible] and entertaining the Oxford [illegible] Cambridge track and field team—this [illegible] Wednesday, July 19, at 5.15 [illegible] daylight saving time. S. [illegible] Bevan Hunter, [illegible] Games [illegible]

Acton Lost by 5-3 on Saturday

Georgetown Reversed the Former Decision — Plenty of Errors Feature Game

Acton showed a complete reversal of form on Saturday and were the victims of a 5-3 drubbing from the Georgetown representatives. The Acton team played a very loose game in the field. Matthews started on the hilltop for the visitors and pitched good enough ball, but six miscues were chalked against the team, and everyone aided in the Georgetown scoring. Georgetown collected seven scattered hits, and had only one earned run, all the rest coming on the Acton errors. In the first inning L. Ritchie walked, advanced to second on Woods' sacrifice, and came home on Beaumont's single, but he failed to touch third base, and "Gout" Gibbons, who was receiving for the first time this year, threw the ball to Morton, who touched the bag and put him out. Beaumont scored the first official run when he tried to pilfer third, and Matthews, who saw him about half way down, threw the ball wild and "Tooter" tooted home.

Walters started off for Acton with a scratch single, but Waterhouse hit into a double play when his bunt went for a fly ball and "Minute" was caught off first.

Georgetown didn't do any more scoring until the fourth, when Beaumont got to first on a walk, advanced to second and, exactly the same thing happened as in the first inning, "Tooter" stole and Matthews overthrew to third and Morton also had a finger in the soup, when he made a wild throw to home.

In the seventh the local forces were presented with three more runs on two singles, three stolen bases, a walk and three errors. This rather spelled "finis" as far as Acton was concerned. But they never gave up fighting, and in the first of the eighth, a white-wash was averted, when two runs were scored on a single, and two errors. Georgetown were held scoreless in their half of the eighth, when Chalmers and Anderson replaced Matthews and Gibbons as the Acton battery. Then in the ninth Acton started again. Terry collected a single, stole second and came home on another single by Tyler, who had replaced Huffman, his second hit in two trips to bat. Acton were now two runs down, and there were two on base, as Chalmers got on via Woods' error. White was put in to pinch-hit and he hit a high popfly that was nabbed by Woods, who juggled it around a bit but held on to it, and Georgetown were the victors.

It was an exciting game to watch, and Georgetown took advantage of the breaks. They were given good pitching by Walters, and in return gave him good support. Terry, Morton and Carmichael were all robbed of extra base hits on grand-stand catches by the Georgetown outfielders. Matthews pitched a good game, but he threw away three runs, and errors by Carmichael, Morton and Walters were also costly. Acton lost a good chance to score in the seventh, with three on bases and one out, but Morton hit to the shortstop and Waterhouse was nabbed at the plate. Matt. Tyler never got a chance to hit the ball, as the pitch hit the front of the plate and bounded back past the pitcher. Holloway, on third, thought he could beat it home, but he was forced out, to retire the side. Incidentally when Tyler did come to bat he drove a blazing single, which would have been good for at least two runs, with runners on the paths. This puts Georgetown one game up on the series, and good games are being played between these teams. They are both tied for second place, and the game this week in Acton Park should prove to be a ripper, with the teams fighting for second place.

Left on bases: Acton [illegible], Georgetown [illegible]. Umpires: [illegible]

Acton Pioneers' Cemetery Will Have Cairn of Tombstones

The Committee of 1933 are Receiving Encouragement and Donations to Assist Them in This Project — Hope to Have Sufficient Funds Gathered Before August 1 so That Work May be Done This Fall — Letters from Far and Near Express Approval of the Plans.

A SIMILAR CAIRN PROPOSED FOR ACTON PIONEERS' CEMETERY

The Trustees of Acton's Pioneer Cemetery are meeting with a great deal of success and encouragement in their work of preparing the old burying ground for permanent and respectable maintenance of this sacred spot. A recent circular sent out gives the Trustees of the Cemetery of 1872 as Alex. Brown, Sr., Duncan Kennedy, Alex. Grant, Samuel Smith, Donald McAinsh, Asa Hall and James Cameron.

The Trustees now engaged in the organising of the work of beautifying the grounds are W. A. Lasby, Chairman; N. F. Moore, Secretary-Treasurer; R. N. Brown, J. McGregor, W. J. McDonald, D. McDougall and R. L. Davidson.

The plan in view by this Committee is to collect all the stones of the Cemetery and have them built into a memorial cairn, similar to the one pictured in this issue. This cairn will be of cement and stone construction. The ground will then be plowed and levelled and roots of trees removed to make re-seeding possible. It is hoped when this work is completed that the property will be conveyed to the municipality so that it may be perpetually cared for at a moderate cost.

Another feature in connection with the work is the preparation of a plan of the Cemetery, which will show the location of the graves before any stones are removed.

The Committee is meeting with gratifying success in its work, following an appeal recently sent out. The Secretary is receiving encouraging letters, accompanied by amounts to carry on the work outlined. A few extracts from some of these letters will prove interesting:

"Enclosed cheque for $10 to help the work. In addition to my own relatives who are sleeping in the old Cemetery, my memory carries me back to very many of the old friends whose bodies also rest there, who were the finest people I have ever known, and whose memories should be ever kept green in the hearts of those whose happy days of childhood were spent there."

"I am so thankful that the Trustees of 1933 are planning to set in order the sacred burial place of many of the old-timers of that district. . . . I think you have worked out a very satisfactory idea. Will you please tell me what the assessment would be for each lot?"

"This is one of the times one feels they would like to have more of this world's goods. I am glad to be able to do a little to add to this worthy cause. Enclosed you will find postal note for $5.00."

"I have been very much interested in the work you have been doing in connection with the Acton Pioneers' Cemetery, and have just received your illustrated letter. I am enclosing cheque for $10 toward this work and hope to be able to send you more later on."

"Am enclosing my cheque for $5.00 to help along with your project. I realize that you have on your hands one of those jobs that requires a lot of time and work and for which one frequently gets very little in the way of appreciation and thanks."

And so we might go on, quoting from these letters which the Secretary has on file from near and far points in Canada and the United States. The fund is gradually growing and the Committee hope that sufficient will have been contributed by August 1, so that the work may then be carried on this year. They are aiming with this objective in view.

The Allowances for Hydro Commission

Is Finally Sanctioned by the Ontario Hydro Commission — New Direct Line to Beardmore Co. Plant

At the meeting of the Public Utilities Commission on Tuesday evening, Commissioners L. G. King and R. J. Kerr were present.

The Secretary was, by motion, instructed to pay the following accounts:

Hydro Department

Canadian Line Materials Ltd., supplies	$ 9.93
Rose & O'Hearn, Ltd., supplies	7.64
Jas. R. Kearney Corporation, line materials	44.89
Canadian General Electric Co., supplies	14.67
F. McCutcheon and Transports, express	2.30
J. N. Reid, connecting heaters	30.00
F. McCutcheon, freight	5.12
Canadian Lacs Lamp Co., lamps	18.68
	$133.28

Waterworks Department

J. B. Mackenzie & Son., supplies	$47.56
Francis Hankin & Co., metre repairs	24.80
Canadian Brass Co., repairs	20.83
Hydro Department, power at spring	36.21
	$129.40

Miss Olive Rookes was engaged for the position of Secretary, to fill the office during the vacation of Miss Speight.

The amount charged for lighting the street during the street dance of the Baseball Club was set at $7.50 for the two evenings.

A letter from the Ontario Hydro Commission gave approval for the payment from the funds of the Electrical Department of the Acton Public Utilities Commission of 50 per cent. of a proposed salary of $[illegible] per annum for each of [illegible]

Eramosa Council Reduced Bank Loan

Accounts Amounting to $635.01 Were Passed for Payment — Careful Budgeting Urged

The regular meeting of the Eramosa Township Council was held on Monday, July 10, with all the members present, the Reeve in the chair.

The Treasurer presented the half-yearly financial statement, showing receipts and expenditures for the Township, and the Police Villages of Rockwood and Eden Mills; it was noted that the 1932 loan from the Royal Bank had been reduced from $10,800.00 to $500.00.

Mr. J. A. Laird, manager of the Royal Bank, interviewed the Council regarding the necessity of a careful budget when fixing the rate for 1933, and expressed satisfaction with the Council's handling of financial affairs for 1932.

On motion of Messrs. Lush and Storey, the Clerk was instructed to make a full adjustment of taxes for the preceding three years in connection with the boundary between School Sections 8 and 9.

Accounts amounting to $635.01 were passed for payment, and Council adjourned to August 14, at 7.00 p. m.

—In the Live Stock Pavilion at the Canadian National Exhibition, there is accommodation for 2,000 head of cattle, 1,500 sheep and 1,200 swine.

THE EVENING MEAL DIGESTER

A couple of farmers had been bargaining for a cow for over an hour. Finally the prospective buyer came to the point.

"How much milk does she give?" he asked.

"Well, I don't rightly know," replied the owner, "but she's a darn good natured critter and she'll jump all the pails."

News of Acton and the District

Take Notice

Everybody welcome at the Parish Hall, July 20, at 8.30 D. S. T., at a euchre and dance, under the auspices of the Women's Institute. Lunch provided. Good music. Admission 25c.

Cars Collide in Guelph

When automobiles driven by Frank N. Bingham, Harriston, and Rev. M. C. Gandier, Eden Mills, figured in a collision on Wyndham Street, Guelph, Ada Jennings, Eden Mills, a passenger in Rev. Mr. Gandier's car, received a scratch on her side. The injury was not serious. Both cars were damaged in the crash which occurred when, police say, Bingham backed away from the curb.

Church Parade

Last Sunday evening the Loyal True Blue Lodge of Acton, and the Orange Lodge paraded from their hall, on Willow Street, to Knox Presbyterian Church for their annual church service. The parade was led by Acton Citizens' Band and the Georgetown Fife and Drum Band. Mr. Wm. Hall was the Marshall at the head of the parade. Rev. Mr. Bennie gave a stirring address to the order, and following the service, the Fife and Drum Band marched the Lodges back to the hall.

Five Rescued Sunday from Credit River

Five rescues of persons whose identity was not revealed were made by Port Credit lifesavers from the Credit River Sunday in one of the busiest Sundays this summer. A man and a woman, two girls and a boy were rescued. All of them got beyond their depth. Three rescues were credited to Donald MacPherson and two to Dalton Block. One of the cases required artificial respiration. Since a warning sign in the river was removed by vandals week-end rescues have been frequent and it is thought that the Village Council will be asked to replace it.

Families Re-unite at Kilbride

About 15 descendants of the Small and Leyburne families gathered in the Kilbride Community Hall and grounds to hold the third annual re-union. The two families are pioneers in that district, the first members coming to Canada from Ireland 150 years ago and settling there. Brief addresses were made by H. Brown and G. Greenless, and G. Forsythe acted as chairman. Officers for 1934 were elected as follows: Honorary President, Mrs. John Agnew; President, G. L. Forsythe; Secretary, Hubert Brown; Treasurer, Mrs. Wm. Attridge; Assistant Secretary, Miss Ella Attridge.

Acton Women's Institute

The regular monthly meeting of Acton Women's Institute was held in the Legion Hall on Thursday last, at 2.30 S. T. The President, Mrs. Gamble, conducted the meeting, which opened by singing the Institute Rally, followed by the Lord's Prayer. The roll call was answered by "Where I First Met My Husband." Current events was given by Mrs. E. Lambert, and the report of the District Annual, held in Burlington. It was decided to hold a picnic to Waterloo Park in August. After the business, Dr. Nelson gave the ladies a demonstration on first aid in drowning. Lorne Roney was the patient. A good helpful talk on first aid in poisons was also given, which is very essential information for all. What should be done until the arrival of a doctor was also explained. A very hearty vote of thanks was given Dr. Nelson for his talk. Those who did not attend this meeting missed a good address. The meeting closed by singing the National Anthem.

The Dobbie Clan

About two hundred gathered at Edgewood Park, Eden Mills, on Saturday, July 1, 1933, for the sixth annual re-union of the Dobbie clan. Six sons and six daughters of the late James Dobbie, fourth line, Acton, were all present and in good health. Two of the daughters, Mrs. C. Cullen, of Acton, and Mrs. Fred Norton, Glenwilliams, were presented with prizes in celebration of four generations in the family. A programme of music, dancing and races was arranged by the respective committees and a most enjoyable time was had by all present. The dancing numbers by Miss Evelyn Boomer, of Toronto, and the piano numbers by Clifford Dobbie, of Toronto, were especially enjoyed. H. K. Dobbie, of Toronto, ably acted as chairman and a few of the speakers were: Mr. and Mrs. W. A. Patterson, of Muskegon, Mich.; Mrs. W. Savage, of Weston; Mr. Thomas Dobbie, of Valleyfield, Quebec; and the Honorary President, Andrew Dobbie, of Acton. Officers elected for 1934 were as follows: Honorary President, Andrew Dobbie, Acton; President, Mrs. C. Cullen, Acton; Vice-President, Thomas Dobbie, Valleyfield, Quebec; Past President, Hyatt Dobbie, Acton; Musical Programme Committee, William Dobbie, Toronto, and Miss [illegible]; Sports Committee, George [illegible]; Secretary-Treasurer, Miss [illegible]. Auditors, Alex. Dobbie, Hamilton, and [illegible]. Committee for next meeting: [illegible] and C. C. F. [illegible]

Hon. Chas. McCrea Spoke in Acton

Section 98 Looms as Biggest Topic in Address — Dr. Anderson also Spoke

The Conservative meeting in the Town Hall last Friday evening drew an audience which about half filled the hall with quite a number from outside points attending. The evening was particularly warm and sultry and not conducive to attending an indoor function.

Ex-Warden A. Mason was the chairman for the evening and introduced the speakers. In introducing Dr. Anderson he pointed out that it had never been necessary for the Conservative party to go out of the County for a candidate, and he felt that no other party need bring in residents from other centres to represent Halton.

Dr. R. K. Anderson, member for the Federal Parliament, was the first speaker He pointed out that this meeting was called at the request of Acton citizens and owing to the activities of Mr. M. F. Hepburn and Capt. E. Philpott.

In dealing with Federal matters he pointed out that Premier Bennett was one of the hardest worked men in Canada. His task of blazing a trail through the depression difficulties had been greater than being at the head of the government in war times. He claimed that during all times of stress the people turned to the Conservative party. The Premier's plan of dealing with unemployment, his conduct at the Conference in England, and details of the tariff changes which were brought about for Canada's betterment, were explained. The present was the first time in three or four years that Canada had a favorable trade balance with the United States. Canada had been shut out of the markets of the world by high tariffs. With a wealth of figures on world trade the benefit of the trade agreements were shown.

Dr. Anderson spoke comparatively of President Roosevelt and Premier Bennett, saying that no doubt the United States leader had copied Mr. Bennett in his programme for the relief of unemployment. Other measures recently put in force in the United States were cited that were not new in Canada. The reason the effect of these measures was noticed now was because of the vast difference in the size of the two countries and their passing in the United States, with its huge population.

He dwelt at some length on the C. C. F. This movement would stop progress and individuality would have no place. All would go at the behest of the government. He quoted Miss McPhail's doctrine. Socialism has been known for a long time. One fault that might be found with capitalism was that it had been too great a success. The world had gone ahead in the past hundred years, under the present system of capitalism. Humanity was at fault and not capitalism. Human nature must undergo a change. The science of religion had stood still. He did not blame the church but believed it must get down to the basic principle of Christianity. Socialism must come in with capitalism behind it and never until the world was completely Christianized.

Mr. S. Charters, member of Parliament for Peel County, also occupied a seat on the platform.

Hon. Chas. McCrea, Minister of Mines for Ontario, was introduced and Chairman Mason spoke of the honor which had been paid Acton by his visit to address an audience here.

Mr. McCrea, in his opening remarks, extolled the northern country and Canada's great heritage. Prosperity depends on the wealth crop from the basic industries. Agriculture has not been prosperous and yet Mother Earth has been just as kind. Farming was prosperous when good crops and good prices were attainable. Speaking on Ontario's gold production he said it had been more since 1910 than the total of the Yukon and British Columbia. The world economic conditions had been responsible for the depressed conditions but the turn to better times has without a doubt been made.

Although the Minister dealt primarily with the C. C. F. organization, he had plenty of caustic things to say about Messrs. Hepburn and Nixon and their continued tub thumping up and down Ontario, led by some mysterious board of strategy. They had embarked, he said, on a determined policy of damning the government, damning Hon. Geo. S. Henry and damning Hydro, although putting on a front of being friendly to the great public power enterprise. They were going about the county irritating the electors in the hope that they would mark their ballot for them.

The C. C. F., Captain Philpott, Miss Macphail and J. J. Woodsworth, were directed supposedly by a great brain trust. They were out to wipe out the capitalistic system. "If they want to live under the Russian system let them go over to Russia and live there. The great majority of our people will continue to live under the British flag and adhere to British conditions and [illegible] [illegible] C. C. F. [illegible] and C. C. F. [illegible]

Various Interesting Items of News

Girl Injured by Hay Rake

Thrown beneath the sharp prongs of a hay rake when a team of horses she was driving ran away, Gladys Wright, 18-year-old Maryboro Township girl, was painfully injured on her father's farm. The girl was tossed from the rake as the team dashed madly across a rough field, one of the points piercing her chest. She also suffered a fractured rib.

Band Concert

On Sunday evening Acton Citizens' Band will give another of their popular Sunday concerts in the Park. The programme will commence at eight o'clock, standard time, and the Band will be under the direction of Bandmaster C. W. Mason. These concerts are appreciated during the summer months and the Band is encouraged when the attendance is good.

Won Dominion Award

Miss Annie Holmes, daughter of Mr. and Mrs. Chas. Holmes, received word this week that she has won the first prize for Grade IV. for Public and Separate Schools in the Canadian National W. C. T. U. Work Book Contest. The prize was a cheque for eight dollars. Annie's entry has exceptional merit and carried off the local, county and provincial awards and now has claimed the highest award in the Dominion in this contest. The letter from Mrs. James Mabon, of Montreal, Que., Treasurer of the Dominion W. C. T. U., extends congratulations to her on her success and THE FREE PRESS, along with other friends here, join in extending her congratulations. She is a pupil of Miss M. Z. Bennett in the Entrance Class of Acton Public School.

Campbell Farms Win in Manitoba

At the Provincial Exhibition, held at Brandon, Manitoba, last week, an exhibit from the Campbell Shorthorn Farms of Moffat made a sweep of the top awards. In the male classes the Campbell entry, in the aged class, was first and later made senior and grand champion. This was Mystic Minstrel, a bull that has been a consistent winner all over Canada. Another Campbell entry was third in the same class. Other wins of importance were third in two-year-old class and first in senior and junior yearling classes. In the female classes, Campbell's were first in all classes, also winning the senior and reserve senior championships and grand championship. Then a calf from the same herd was made junior and reserve grand champion. In the group classes they won all first awards, except the junior get of sire, in which they were third. The Campbell herd won a total of twelve firsts from a possible fifteen, also four seconds and two thirds. Calgary, July 12.—The entry of Duncan Campbell, Moffat, captured the grand and senior championship awards in the shorthorn cow competitions at the Calgary Exhibition and Stampede Livestock Show.

Lower School Examination Marks

Results in Forms I. and II. at the Acton Continuation School

The following are the results from Form I. for the past term at Acton School, and the marks on the subjects on which the pupils were successful:

HAROLD BARBER—Geography, 54; Art, 61; Botany, 59.

ELMA BRAIDA—Algebra, 77; Geography, 66; Art, 64; Composition, 58; Literature, 61; British History, 62; Botany, 67; French, 94; Latin, 81.

NORMAN BRAIDA — Algebra, 64; Geography, 69; Art, 74; Composition, 78; Literature, 75; British History, 62; Botany, 82; French, 91; Latin, 68.

AUDREY CHALMERS — Geography, 51; Art, 67; British History, 51.

AGNES CHISHOLM—Art, 53; British History, 52.
