This and that

—It's been a great winter for us folks who couldn't go south.

—Lighting restrictions for stores and display lights went off this week. We're back to normal again and most of us enjoy it.

—Breaking of a sprinkler head at the Beardmore & Co. plant last Thursday evening was the cause for a fire alarm for the company men.

—Miss Isabel Smith, manager of Carroll's store, Acton, had the misfortune to fracture her right ankle last Thursday. While the injury is painful Miss Smith is plucky back at her duties this week supervising the work of the store. All wish her a prompt recovery.

Eramosa Council Defer Striking 1949 Tax Rate

1948 Balance of Road Grant Will be $4824.85 and is Now Payable

The Eramosa Council met in the Town Hall, Rockwood at 1 p.m. on February 7th with all the members present and the Reeve in the chair.

Correspondence was read as follows: from Trustees of the Police Village of Eden Mills, confirming their previous request that $200 be granted toward the purchase of an Athletic Field and rescinding their request that $500 be paid to the Guelph Hospital Board. From the Toronto General Hospital concerning a patient from Eramosa; from the John Howard Society requesing a grant; from the Ontario Association of Rural Municipalities; from the auditor concerning the 1948 Assessment Roll; from the Speedside Women's Institute thanking the Council for a grant; from the Armco Drainage and Metal Products, announcing the retirement of Mr. W. G. McLellan; from the Department of Highways, approving the by-law appointing Mr. P. R. Peavoy as Road Supt. and stating that the balance of 1948 grant payable would be $4824.88.

Mr. Walter Hunt, Building Inspector, interviewed council concerning enforcement of, and amendments to, the building by-law. The matter was left over for further consideration.

Mr. J. L. Ayles, of the Rockwood Trustees, interviewed council to state that the rates for council meetings would be increased $1.00 per meeting forthwith.

The Collector returned the 1948 Tax Roll and was instructed to collect all outstanding taxes by March 31st, using such legal methods as may be necessary.

The Reeve and Treasurer were instructed to dispose of $200.00 Dominion of Canada bonds, to reduce the current loans from the Royal Bank of Canada.

The Treasurer presented a budget for 1949 providing for a rate of 9 mills; this was laid over for further consideration, in the hope that a lower rate might be sufficient.

Arrangements were made to meet the Eramosa Township School Board at 2 p.m. on February 16th to consider applications for municipal and school positions.

Accounts passed amounted to $1267.98 and council adjourned to meet March 7th at 1.30 p.m.

—February has given us a taste of winter but we're thankful the taste didn't linger.
