IN MEMORIAM

DUBY -- In loving memory of Tommy, beloved son of Les and Alice Duby, who died by accident, February 25th, 1947, 6¼ years.

Always our "wee bit mannie"

Ever remembered by Mamma, Daddy, brother Laurie and sister Lesley Anne.

HUTT—In Loving memory of a dear husband and father, Wm Hutt, who passed away, February 25th, 1948

Many a lonely heartache,
Many a silent tear,
But always a beautiful memory,
Of one we loved so dear.
Wife and family.

CORNELL In loving memory of a beloved daughter and sister, Barbara Guthrie Cornell, who died, February 27th, 1944

Not till the loom is silent
And the shuttles cease to fly,
Shall God unroll the canvas
And exp'ain the reason why
The dark threads are as needful
In the weaver's skillful hand,
As the threads of gold and silver
In the pattern He has planned

Father and Mother, Hector and Douglas, Dora and Betty

DUBY -- In loving memory of a dear nephew, Tommy Duby, who died one year ago.

I cannot say and I will not say,
That he is dead. He is just away.
With a cheery smile and a wave of the hand
He has wandered into an unknown land.
And left us dreaming how very fair
It needs must be since he lingers there.
And you—oh, you, who the wildest yearn
For the old-time step and the glad return
Think of him faring on, as dear
In the love of there, as the love of here.
Think of him still as the same, I say,
He is not dead—he is just away

Ever lovingly remembered by Aunt Barbara, and Uncle Harry

AC-TEEN TOPICS

This week seems to be crowded full of things of interest to us. Tuesday starts the week with the local school sponsoring the Commencement, of course by the time of readin,, this event will be spoken of in the past tense. We will comment further next week.

But the big event of the week is the Ho-Down Jamboree scheduled at the Penguin Club this week. Posters have been placed about the town giving fair warning of this mammoth event and a large representation of the membership of the local club is needed to make it the giant success predicted. The three clubs to which the locals will play host will be well represented and it is necessary to have a large welcoming committee to greet them . . . so . . . . be there at nine p.m. to be in on all the skits, and special events scheduled for this colossal affair. The representatives of the visiting organizations will all be known by their distinctive badges which they will receive on entering. We almost forgot to mention too that the Halton Cowboys will be there to supply music for square dances and other novelty numbers. Dancing will be in the Gymn floor as well as down stairs. Another feature of the big do is the lunch to be served at intermission to all interested.

And now briefly points to remember

Come early, stay till the end
Participate in the fun get in the novelties
Wear your oldest clothes, look like a ragamuffin
Welcome the visitors, treat them like friends
Act like a moderator
It all starts at nine p.m.
Members only.

Last week's regular do at the Penguin Club was well attended with visitors and regulars. For the most part things ran along smoothly but we understand that a little hostility is budding. Nuf sed.

The local Band is pleased to welcome its new master of music, Mr. R. Spielvogel, who is filling in for Mr. C. W. Mason during the latter's absence.

Any ideas to promote the success of the extravagant extravaganza this week at the Club will I am sure be welcome if not too late. Pass them on to the executive.

Mackenzie News

The play's the thing. We have just had a fine performance by the Acton High School students at their Commencement, and on Friday evening a new play by the St Alban's Church group entitled "The Minister's Aunt". The standard may not be quite New York, but seeing the local talent take their turn on the stage more than makes up for the difference.

We are able to give you estimates of any alterations, cupboards, building garages or cottages, etc. We have always been glad to give this service to the best of our ability with no obligation on your part.

We'll see you at the Junior Hockey games next week
