Please write your signature plain, and give the name of your Post Office, County and State. All prizes will be paid by Drafts on the nearest Cities, or as purchasers may direct.

The Drawn Numbers of the Maryland Lotteries are also published by the State Commissioner in the following papers in Baltimore, viz: Sun, Clipper, Patriot, American, Argus; also the National Intelligencer and Union, of Washington, D. C.

These Lotteries are drawn in public and carried on with the most scrupulous faith and integrity; and being authorized by and under the surveillance of the State, whose appointed officer superintends the drawings of the various Lotteries, afford a sufficient guarantee to the public of the fairness with which they are drawn.

The responsibility of the Managers of these Lotteries, and the guarantee of the State for the payment of all Prizes, will insure the continued support and approval of all who may feel disposed to embark in these enterprises.

The brilliancy and magnificence of this Scheme, and the fact that it is only triennially that we draw a Lottery of this magnitude, should induce every one possessing the least desire to speculate to invest the comparatively small sum asked for Tickets and Certificates of Packages for the chance of obtaining some of these Magnificent Prizes.

Persons addressing the undersigned may confidently rely upon having their orders promptly filled, and the strictest confidence observed.

The Maryland Lotteries are drawn daily, in which we always have Tickets from $1 to $20, and Certificates of Packages of Whole from $14 to $300, Halves and Quarters in proportion. The prizes in which vary in amount from $1 to $70,000, according to the price of the ticket.
