Testimonals from Professors and Opinions of the Press.

HORACE WATERS, Esq., 333 BROADWAY;

Dear Sir—Having examined your Piano Fortes from scientific and appropriate tests, I am enabled to form a satisfactory judgment of their merits, and it is with pleasure that I can speak of them as among the most celebrated and improved makes of the day.

For power, brilliancy and richness of tone, elasticity of touch, and beauty of finish, they will not suffer in comparison with those of any other manufacturer, and those desirous of obtaining a really good Piano Forte—one that will prove an equivalent for their means, will find such a one in your beautiful instruments.

THOMAS BAKER,
R. A. M. Leader of Jullien's Band, and Musical Director and Conductor at Niblo's Garden.

For power, brilliancy and richness of tone, elasticity of touch, elegance and durability of make, they are in advance of any other pianos in the United States, being the result of long experience and a series of experiments.—N. Y. DISPATCH.

The treble is clear, pure, powerful, and very melodious, the bass is deep, rolling, and sonorous; the middle part is rich and sympathetic, and possesses the power of singing, *i. e.* of uniting the sound of each tone, in a degree but rarely achieved.—HENRY C. WATSON.

For power tone, depth of bass, and brilliancy of treble, together with accuracy of touch, they are equal to any make I am acquainted with, and I cordially recommend them to those wishing to purchase.—V. C. TAYLOR.

Our friends will find at Mr. Waters' Store the very best assortment of music and of pianos to be found in the United States, and we urge our southern and western friends to give him a call when they go to New York.—GRAHAM'S MAGAZINE.

We consider them worthy of special attention, from the resonant and exceedingly musical tone which Mr. Waters has succeeded in obtaining.—N. Y. MUSICAL WORLD & TIMES.

The Horace Water's Pianos are of superior tone and elegant finish.—N. Y. CHRISTIAN INQUIRER.

Nothing at the State Fair displayed greater excellence in any department than the Piano Forte manufactured by Horace Waters, of this city.—CHURCHMAN.

Horace Waters' Piano Fortes are of full, rich, and even tone, and powerful.—N. Y. MUSICAL REVIEW.

The Editor of the SAVANNAH REPUBLICAN Savannah, Ga., speaking of the Piano Fortes kept by Messrs. J. W. Morrell & Co. of that city, says:

"It will be seen that their stock comprises instruments of every grade of excellence, from the well known manufacturing establishments of Chickering & Son, Horace Waters, H. Worchester, Nunns & Clark, and Bacon & Raven. It might well be supposed, that in so large a collection there would be some very fine instruments But there is one which, for beauty of finish and richness and brilliancy of tone, equals, if it does not excel, anything of the kind we have ever seen. It is from the establishment of Horace Waters. Being constructed of the best and most thoroughly seasoned material, and upon improved principles, it is capable of resisting the action of every climate, and of standing a long time in tune. The keys are of pearl, and the recess for the finger-board is inlaid with pearl, while the legs are most elaborately carved, and the whole instrument finished up in a style of great excellence and beauty. And yet its chief merit lies in the power, brilliancy, and richness of its tone, and the elasticity of its touch.

CONSUMPTION, ASTHMA, BRONCHITIS, CATARRH, and other affections of the LUNGS and CHEST, cured by INHALATION, local and general treatment Inhalation alone will fail to cure most of these diseases, but in connection with proper general remedies, under Dr. HEATH'S direction, it is highly curative in these, heretofore, incurable affections. Dr. Heath is frequently applied to by persons who have neither been relieved by Inhalation, nor be cuffed by shoulder-braces, nor inhaling tubes. The fact is that inhalation is only an auxiliary, and that those "Traps" are absolutely injurious.

As a proof of the success attending Dr. Heath's combined treatment, we refer to the subjoined—a few only of a large number of letters.

423 Broadway New York, Sept. 8, 1855.

Notwithstanding my profession requires the almost constant use of my vocal organs, the cure is permanent.

If you think this will be of any service to yourself or the public, you will please use it in any manner to attain it. You will, no doubt, remember two or three of my friends were also cured by you.

MARCUS COLBURN.

Those afflicted with any of these diseases can apply with a certainty of relief to Dr. Heath, No. 820 Broadway, New York, from 9 A. M. to 4 P. M., Sundays excepted. Patients at a distance may be treated or advised by letter, on stating their cases fully.

Who is Dr. Heath? For the information and satisfaction of those who perchance
