SILVER-WOOD

Community W.I. Ladies Tour Knitting Mills

The members of Silver-Wood Women's Institute spent an interesting hour at Beaumont Knitting Mills Limited in Glen Williams as part of their March meeting on Canadian Industry. To follow the whole process from receipt of the raw wool to socks finished, washed, paired and labelled ready for delivery, was an interesting revelation.

Thanks go to Messrs. Penrice and Graham, the new owners, for spending their time and explaining everything to the members so patiently. This part of the meeting was convened by Mrs. Scott and Mrs. Sewell. The rest of the meeting was conducted at the home of Mrs. George Henderson.

Roll call was answered by naming a Canadian industry. Mrs. Ernie Miller gave current events and the motto, "Start where you are with what you have" was given by Mrs. R. Corbett.

A donation was made to the Music Festival and layette articles were brought in. It is hoped that all articles will be sent in by the next meeting. A meeting of the executive is to be held to discuss the birthday party for March 28.
