They are in fact the only strong, durable and successfully operating machines in use. No carding machine should run an hour without them.
The Feed Rolls are strong and durable, and worthy of attention.

Advantages of this Institution.
INCREASING RATES OF PREMIUM
A Table of Rates peculiarly applicable to cases where Assurances are effected for securing the payment of debts, and to all other cases where a Policy may be required for a temporary purpose only, but which may be kept up, if necessary, throughout the remainder of life.
HALF-CREDIT RATES OF PREMIUM.
Persons assured according to these Rates are allowed credit for half the amount of the *first seven annual Premiums*, paying interest thereon at the rate of five per cent. per annum, with the option of paying off the arrears of Premiums at any time, or having the amount deducted from the sum assured when the Policy becomes a claim.
SUM ASSURED PAYABLE DURING LIFE.
A Sum may be secured, payable at the death of the Assured, if he die before attaining SIXTY years of age, but also *payable to the Assured himself, if he attain that age*,—thus combining provision for old age with an assurance upon life.
Orphans' & Children's Endowment Branch.
This Branch has been established for the purpose of affording to parents, guardians and others, the means of having children educated and started in life; thus protecting them from the difficulties and destitution to which they may be exposed by the premature deaths of those on whom they are dependent. Reversionary Annuities may thus be secured to commence at the Parent's death, and to be paid until the child if a son, shall have completed his 21st, or, if a daughter, her 25th year of age.
Policies revived, without the exaction of a fine, at any time within twelve months.
Age of the Assured in every case admitted in the Policy.
Medical Attendants remunerated in all cases for their Reports.
Thirty days allowed for payment of Renewal Premiums.
Ladies and others, to whom it may be inconvenient to appear at the Office, visited by one of the Medical Officers.

Please write your signature plain, and give the name of your Post Office, County and State. All prizes will be paid by Drafts on the nearest Cities, or as purchasers may direct.
The Drawn Numbers of the Maryland Lotteries are also published by the State Commissioner in the following papers in Baltimore, viz: Sun, Clipper, Patriot, American, Argus; also the National Intelligencer and Union, of Washington, D. C.
These Lotteries are drawn in public and carried on with the most scrupulous faith and integrity; and being authorized by and under the surveillance of the State, whose appointed officer superintends the drawings of the various Lotteries, afford a sufficient guarantee to the public of the fairness with which they are drawn.
The responsibility of the Managers of these Lotteries, and the guarantee of the State for the payment of all Prizes, will insure the continued support and approval of all who may feel disposed to embark in these enterprises.
The brilliancy and magnificence of this Scheme, and the fact that it is only triennially that we draw a Lottery of this magnitude, should induce every one possessing the least desire to speculate to invest the comparatively small sum asked for Tickets and Certificates of Packages for the chance of obtaining some of these Magnificent Prizes.
Persons addressing the undersigned may confidently rely upon having their orders promptly filled, and the strictest confidence observed.
