FLETCHER — Passed away suddenly at his home, R. R. 1, Campbellville, on Tuesday, October 13, 1959, Herbert Austin Fletcher, in his 68th year, beloved husband of Beatrice Beatie and loved father of Mrs. P. W. Burke (Phyllis), R. R. 3, Guelph; Mrs. R. W. Horne (Hope) of Toronto; Mrs. D. E. Dean (Francea), Cooksville and foster father of Eli and Samuel Daigle, both of R. R. 1, Campbellville and Claude Johnson, Toronto.
Funeral service was held in Guelph on Friday, October 16, at 2 p.m. Interment Ebenezer United church cemetery.

IN MEMORIAM

RAWLINGS—In loving memory of Lucy Rawlings who passed away October 23, 1955.
Always remembered by the Family. a-17-3804

BUCHANAN — In loving memory of a dear husband and father, Andrew Buchanan, who died October 23, 1955.
The pearly gates were opened,
A gentle voice said "Come".
And with farewells unspoken,
He gently entered home.
Always remembered by his wife and family. a-17-3830

DENNIS — In loving memory of Harry W. Dennis, who passed away October 25, 1957.
God took him home, it was His will,
But in our hearts we love him still;
His memory is as dear today,
As in the hour he passed away.
We often sit and think of him,
When we are all alone,
For memory is the only friend
That grief can call its own.
Ever remembered by wife and family. a-17-3815

CARDS OF THANKS

I wish to extend my sincere thanks to all my friends and neighbors for cards, flowers and help received during my stay in hospital; also to Dr. Garrett, Dr. Scott, Dr. Fishlynch and Reverend Stokreef. Thank you so much.
a-17-3817 Mrs. Rita Dwyer

Our sincere thanks for all the cards, gifts, enquiries and good wishes received since Anthony's accident two weeks ago. Our gratitude to Miss Sheila Harty, Dr. Buckner, Dr. Leggatt, Dr. Pinch and the staff of the children's ward, Guelph General Hospital. Anthony is progressing well and expects to be home soon.
Ronni and Lionel Hurst
a-17-3831

We wish to thank our many friends, relatives and neighbors for the lovely gifts, flowers and cards we received for our golden wedding anniversary. Also to those who sent congratulations from the House of Parliament, and to our daughter, Mrs. Wm. Thompson, for holding open house. These are greatly appreciated.
Mr. and Mrs. Arthur Griffin
a-17-3822

It is with a very grateful heart and a deep sense of appreciation that we wish to extend to our many loving friends and relatives, both from far and near, and our kind and loyal neighbors, for their many acts of kindness, their comforting words of sympathy, and their many lovely floral tributes extended to George and myself at the time of the passing of a beloved husband and a kind Dad, Clarence L. Poole; to the officials of Knox Presbyterian church and their minister, Rev. Andrew H. McKenzie, B.A., B.D. and to a very faithful and kind physician, Dr. W. G. C. Kenney. To them all, we extend our sincere thanks.
George R. and Bertha M. Poole.

P.U.C. to Investigate Office Purchase

Continued from Page One

the commissioner emphasized he could find no fault with the report.

Other members of the commission also informed the mayor they had received similar calls and reported they, too, had found the report correct.

The commission also empowered the property committee to investigate the purchase or renting of office equipment necessary to equip the proposed hydro office. The committee was instructed to obtain the equipment if suitable arrangements could be made.

The commission also accepted the breakdown of the office equipment as agreed upon by the administration committee and P.U.C. during a joint meeting.

Find No Deed

Chairman Stewart and commissioner Tyler informed the members they had attended a planning board meeting to obtain information regarding the possibilities of erecting office accommodation at the present hydro building on Alice St.

The two members explained they had been informed during the planning board meeting the property on Alice Street was registered in the name of the town.

Mr. Stewart informed the commission that he and Mr. Tyler had visited the registry office in Milton. *They found the property was* registered in the name of the P.U.C., but no deed could be found for it.

Secretary J. McGeachie stated he was sure there was a deed registered in the name of the town for the property, but he was informed by the two members who visited the registry office there was not a registered deed as far as the office in Milton was concerned.

Commissioner F. Onkes enquired if the P.U.C. could own land or not and was informed by the chairman it had been established the commission could own land.

Own Substation?

A discussion regarding who owned the substation purchased recently was sparked when commissioner R. Everdell asked, "We own the substation, don't we?" He was told by the secretary, "Not necessarily."

Mr. McGeachie explained that if the local solicitor claimed the substation should be in the name of the town, that was the way it would be registered. Mr. Everdell reminded the secretary the solicitor was only engaged to do a job and had no decision on who should own it.

The commission agreed to have the solicitor inform the H.E.P.C. (from whom the substation was purchased) that the building should be registered in the name of the new hydro commission scheduled to be formed next year.

A letter from the H.E.P.C. of Ontario informed the commission that their system of dealing with accounts in arrears was not up to date and outlined the method of dealing with these accounts in the future.

Wishes Success

Mrs. Ray (Carol) Wallis, office employee for the P.U.C., informed the commission by letter she would be resigning at the end of the year. Mrs. Wallis noted she was leaving town to take up residence elsewhere and commended the commission for their hard work during the seven years she had been an employee. She wished them every success on the formation of the new hydro commission.

The members received the resignation with regret and voiced their approval of the satisfactory work accomplished by Mrs. Wallis during the past seven years.

Winterize Truck

The property committee was authorized to purchase a truck body and have necessary repairs made to the Ford truck formerly used by the hydro department.

This action followed a query by A. Duby, superintendent of the sewer department, who reminded the members something should be done to the truck to winterize it properly.

The superintendent informed the commission his department had repaired a manhole on Main Street South which had been giving trouble.

Hydro superintendent D. Mason reported his department had completed repairs to the hydro poles and lines on Young Street affected when five poles toppled recently. He also reported his men were completing work on the lines in other parts of town and would be starting work on Acton Boulevard lighting system soon.

LUMBAGO

By Albert D. Moore, D.C.,
Doctor of Chiropractic.

Rheumatism is a condition of the muscles, and rheumatism at the bottom of the spine is called lumbago.

Your Chiropractor is trained in the treatment of lumbago. He is highly efficient in determining which bones of the spine are at fault. He is a specialist in restoring those misplaced bones to their proper positions. When he replaces the misplaced spinal bones to their normal position, a normal functioning spine is the only possible result.

If you suffer with a gnawing pain in your back that makes it difficult for you to rise from a chair, stand or lie comfortably, consult your local Chiropractor for a spinal examination.

One of the series of articles written in the public interest to explain and illustrate the practice of scientific Chiropractic. Author's office is located in Acton, 17 Mill St.
