IN ALL parts of Ontario, crippled children are going to take another step forward on their long road of treatment, for this month opens the annual Easter Seal Campaign. The Ontario Society for Crippled Children is supported by 222 service club such as Rotary, Lions, Kiwanis, Kinsmen and others in the raising of funds on behalf of crippled children. The campaign runs to April 17 and has a provincial objective of $850,000. Local sponsors are the Rotarians.

Rotary Club Again Sponsors Easter Seals

As the dark winter begins to die, March becomes the bright month of hope for more than 14,000 crippled children and teenagers in Ontario who have been afflicted by accident and disease or disabled by certain conditions from birth that usually mean despair and dependence on others.

And since hope in action is charity, 222 service clubs — including the Rotary club here — will open their month-long annual Easter Seal drive on March 17 for $850,000. That's the price that must be paid in 1960 to make life better for youngsters who would otherwise find it harder — if not impossible — to become self-reliant and self-dependent citizens.

Easter seal contributions provide treatment and training, vacations in specially equipped summer camps and all other benefits that the 37-year-old Ontario Society for Crippled Children has developed over its history to children.

Down through the years Easter Seals have paved a way for a program which now provides 25 specially trained nurses who serve as liaison with service clubs across the province, seeking out crippled children and directing them to treatment centres, providing them with home nursing skill and teaching parents what to do to help the handicapped little ones take advantage of medically prescribed plans of rehabilitation.

In five camps, unlike any other camps in the country, hundreds of youngsters will have a chance at summer vacations, barred to them otherwise because they cannot play exactly as other children do.

Holdup Report False Beer Stolen From Car

Reports of a holdup at the I.G.A. store in Acton Saturday night proved false, but investigation showed a case of beer had been stolen from a car parked at the rear of the store Saturday evening.

After receiving a telephone call reporting the holdup, Corporal Ray Mason of the local O.P.P. detachment checked with store owner J. Ledger and manager D. Manes, to learn that a car had been entered and the beer stolen.

Hearing of the incident, many shoppers on the streets gathered across the road from the I.G.A. in hope of seeing the robbers captured. Their hopes were shattered when they learned no holdup had taken place

Women Hear Tales "Tickled to Death"

The February meeting of the Nassagaweya Women's Institute was held at the home of Mrs. A. Frank. Mrs. M. Mahon presided and Mrs. A. Frank gave the secretary's report.

Mrs. De Blauw reported on publicity for the travelogue to be presented in Brookville Hall by H. Kitching, manager of product planning for Massey Ferguson Company. The proceeds will be contributed to the North Halton Association for Retarded Children.

Congratulate Leaders

Mrs. Mahon congratulated the leaders of the 4-H Club girls, Mrs. M. Anderson, Mrs. I. Richardson and Mrs. M. Moffat on their fine achievements for 1959. Mrs. M. Mahon and Mrs. M. Moffat were appointed leaders for 1960.

Mrs. M. Moffat described the achievement day when the members of the sewing class modelled the pretty garments they had made.

It was decided to donate $10. to the music festival.

Mrs. B. Young, Mrs. H. Pace and Mrs. A. Frank were chosen to make arrangements for the Junior Farmers' banquet.

Program Presented

A very enjoyable sing song was conducted by Mrs. M. Anderson. The theme of the meeting was historical research. Mrs. W. Fraser introduced Mrs. D. Henderson, who read a most interesting article dealing with items of local historical significance. Much merriment was caused by an article, "Tickled to Death", composed of several amusing anecdotes read by Mrs. W. Fraser.

Mrs. M. Anderson, Mrs. Black and Mrs. B. Young served delicious refreshments during the tea hour. Mrs. J. Henry extended the appreciation of the members to the hostess and to those who had contributed to a most successful meeting.
