**COMMERCIAL FEATURE**

Hay, bale, mixed, first cutting, Calvin Aitken; bale, mixed hay, second cutting, G. Leslie, C. Aitken.

## G.A.D. About . . .

*Continued from Page Eight*

the horses have passed except at the fall fairs. The tractor has replaced the farm work horses and the family car has pushed the driving horses off the roads. Never heard of horses crashing head on or leaving the road and crashing into trees or houses though, have you?

Judges Ponder

# Variety of Domestic Goods

With a great variety of domestic goods displayed at Acton Fair, judges had a difficult time selecting winners and only after much sampling were they able to come to decisions. The exhibits were displayed in one of the large tents this year. Following is a list of the winners:

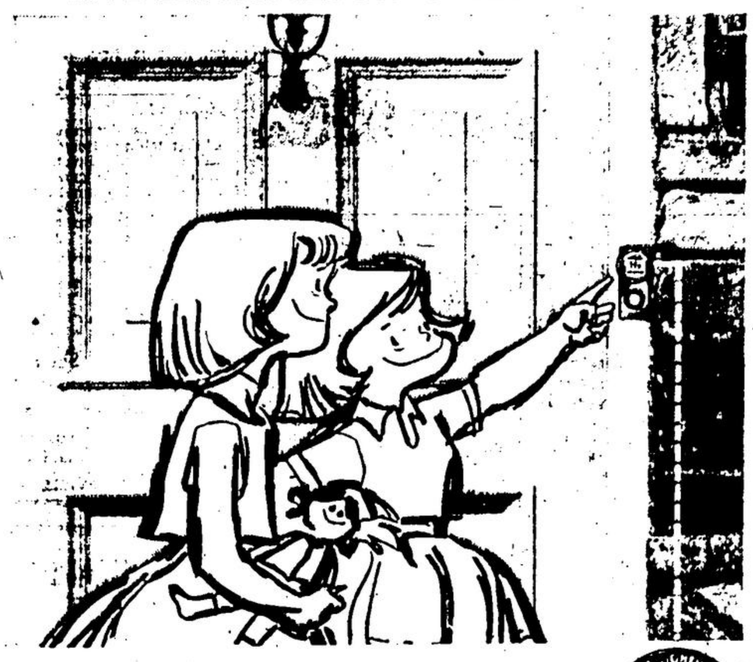
LIVE BETTER ELECTRICALLY



"See! Our House Did So Win a Medal!"

An award for electrical excellence. This is the Medallion symbol you will see on many new homes all over Ontario.

Medallion Electric Homes give you Power Conditioning—a 100 ampere main service entrance and a "full housepower" distribution panel—plenty of capacity for your electrical needs—now and in the future. Appliance Conditioning provides ample circuits and outlets. Light Conditioning, another important feature in Medallion Homes, adds beauty and safety both indoors and out. A modern, fast-recovery, two-element electric water heater is installed in every Medallion Electric Home, ready to supply all the hot water you need . . . the low-cost, flameless way. A "Gold Medallion" Home is all-electric, including heating.

Before you buy or build a new home . . . find out more about Medallion Homes . . . call your electrical contractor or your local Hydro office.

HYDRO is yours

BE SURE TO SEE MEDALLION HOMES ON DISPLAY IN YOUR AREA DURING NATIONAL HOME WEEK—SEPT. 16-SEPT. 24.
