GRAND TRUNK RAILWAY OF CANADA.

CORDWOOD.

THE Grand Trunk Railway of Canada is prepared to receive Tenders for the supply of Fire-wood, to be delivered at the undermentioned places: Tenders will be received until the 10th day of December next.

Kingston Mills,	Kingston,
Cullers' Bay,	Ernestown,
Napanee,	Shannonville,
Belleville,	Trenton,
Brighton,	Colborne.

The wood is to be in proportions generally of one third soft to two-thirds hard wood, the latter to consist of Beech, Maple, Hickory, White Ash, or Cherry; no Elm or Black Ash will be received. The soft wood to consist of Tamarack, Yellow Pine, or Hemlock. The precise proportions of soft and hard wood, that will be required at the different points, will be stated in the contracts. The tenders to state a different price for each, and the quantities proposed to be delivered.

The wood, of whatever denomination, is to be of good, sound quality, split for the most part from the body of the tree; and no branch-wood to exceed four inches in diamater, whether split or round, will be accepted. All charred or half burned pieces will also be culled out.

The Cord is to contain 128 cubic feet, the wood to be in lengths of not less than three and a half, or more than four feet. It is to be piled generally six feet high, with a space of not less than two feet between front and rear piles; and when the snow lies deep, as much of it will have to be removed, before laying on the wood, as may prevent the piles from falling over in the Spring.

The ground where the wood is to be piled will be marked out at the several Stations, by an officer of the Company, who will also act as Inspector, Culler, &c., and all rejected material will have to be removed by the party supplying it, immediately on receiving notice to that effect from the Agent of the Company.

The whole quantity at each place will have to be delivered and piled up on or before the first day of June, 1856.

Payments will be made monthly, reserving ten per cent until completion of Contract, when a final settlement will be made.

Sealed Tenders, marked "Tenders for Firewood," to be addressed to

DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS,

PREPARED by Dr. C. M. JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach. Such as Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choaking or suffocating sensations when in a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant.—The testimony in its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

TESTIMONY FROM MAINE.

Astonishing Cure with only One Bottle.

JOSEPH B. HALL & Co. says:—

Presque Isle, Aroostook Co., Me., April 24th, 1854.

"We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story."

Messrs. Joseph B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, has been complaining of a pain in her side for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by 'Hoofland's German Bitters,' I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

CERTIFICATE of CAPT. DANIEL ABBOTT. Brooklyn, Me. July 16th, 1853.

"I was taken sick one year ago, last April upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep, or appetite. At last, taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell a large quantities of it.'

Respectfully, yours,

To Dr. C. M Jackson. DANIEL ABBOTT.

C. P. FESSENDEN, says:—

The Bitters give good satisfaction in every instance.

They are entirely vegetable, free from all injurious ingredients or alcoholic stimulants, always strengthening and never prostrating the system.

The only Original and Genuine in the World!

Clirehugh's TRICOPHEROUS,

To Prevent and Cure Baldness and Grey Hair, restore it to its Original Color, Entirely Remove Scurf and Dandruff, and Cure all Eruptions or Roughness of the Skin.

THIS justly celebrated and widely known Compound, which for sixteen years has met with distinguished success wherever it has been introduced, is now reduced to such a low price as will enable it to be in reach of all, as it is the cheapest and the best article now in use. Its curative properties are almost miraculous. No matter how thin or weak, coarse, dry or harsh, the hair will be restored to a soft, glossy, healthy, luxurious crop, if the Tricopherous be regularly applied. Those who have been threatened with premature grey hair, have, by the Tricopherous, not only stopped its progress, but had their hair changed to its original color.

Its strengthening and stimulating qualities are unrivalled, rousing into action the nerves and blood vessels which carry nutriment, imparting health to this greatest of nature's adornments (a beautiful head of hair) to the latest period of life.

For eradicating Dandruff it is unsurpassed.—Cleansing the skin completely of every impurity, leaving the hair neither gummy nor dry, but moist, soft and silky. It is superior to oil to dress the hair, as it keeps longer moist, and does not soil the hat, or head dress.

The Tricopherous has gradually risen in favor with the public, by its own merits and not like the puffed and ephemeral compositions existing to-day, and swallowed in oblivion to-morrow; until it has become one of the staples of life, and looked for by all as one of the necessaries of the toilet and medicine chest.

Caution. The known popularity of the Tricopherous has occasioned many spurious articles, bearing outwardly the same name and character. Ladies and gentlemen purchasing must therefore be careful to ask for Clirehugh's Tricopherous.

Price 25 cts. 50 cts. and $1 00 per Bottle—Family Bottles $2 00.

CLIREHUGH'S INSTANTANEOUS
LIQUID HAIR DYE.

NOTWITHSTANDING all the various Hair Dyes now in use, scarcely one can be depended on for giving the required shade of color, a desideratum which Mr. Clirehugh has, with the assistance of one of the first chemists of the age, now fully overcome and established. The discovery and production of this now celebrated Hair Dye must supersede the use of every similar article. Its effects are to give to red, light brown or grey hair, any of the intermediate shades of color, down to the deepest jet, with a certainty hitherto unknown, and without doubt or disappointment, where the directions are adhered to. It leaves no stain on the skin, no dull, leaden or greenish hue, gives no dry or crisp appearance, but keeps the hair pliable, soft and glossy, retaining all its natural appearance till a re-application is necessary.

Private rooms, where Ladies and Gentlemen can have the Dye applied, or at their own residence. Price One Dollar. For sale by the Inventor and Manufacturer, W. S. CLIREHUGH, Principal Office, 152 Fulton Street, corner Broadway, up stairs, New-York.

Sold by all Chemists, Druggists, Hair Dressers in the United States, Canada, and by appointed Agents in England, France, Russia, Brazil, West Indies and San Francisco.
