Gift Given to CARE Big Christmas Bargain

Wondering what to give for Christmas as an expression of friendship? From a Canadian who cares.

You can make your Christmas dollars do double duty. If you choose to make your gift to the memory of someone on your shopping list. A message on your card will tell him that an expression of your good wishes at Christmas time a gift of food bearing his name has been shipped to someone in the world — perhaps a child — who doesn't eat every day, thus sending as well a Christmas message of good will to our unfortunate fellow beings in other lands.

Where you puzzle over sentiments of someone who has everything and in our list the most tasteless, the imagery of the world ... even one of them.

MERRY CHRISTMAS

To you, who have done so much to make serving you a joyful privilege we extend our warm good wishes and greetings, our grateful thanks.
