DE ROOS' COMPOUND RENAL PILLS are celebrated all over the world as a most safe and speedy remedy for the above dangerous complaints, Discharges of any kind, Stone in the Bladder, and diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and in three days will effect a cure when copaiba, cubebs, and all dangerous medicines of that class have utterly failed. 1s. 1½d., 2s. 9d., 4s. 6d., 11s., and 33s. per box, of all the Agents below, and through every other Chemist in the world.

These celebrated Pills are an infallible remedy in the most obstinate cases. By their use alone, many thousands have been annually restored to health, when every other medicine has failed. Their vast superiority over everything else in the cure of the above complaints, is universally acknowledged, and the extraordinary demand for them ever since their first introduction is without precedent. In no instance have they ever been known to fail, or produce those dangerous symptoms so often resulting from copaiba, cubebs, turpentine, and other medicines usually resorted to. They require neither confinement nor change of diet, and may justly be considered the only really safe and efficacious remedy for all stages of those disorders for which they are recommended.

By the introduction of the above, the Proprietor has no desire to supersede his own personal usefulness, but there are doubtless many who from natural diffidence, sense of shame, or fear of discovery, would bear their afflictions in silence rather than apply for aid, or unbosom their sorrows to those from whom they may reasonably expect sympathy and relief. To such it is believed the above will be an acceptable boon, for besides their uniform efficacy, the sufferer can safely conduct his case without the knowledge of a second person, and thus cure himself speedily, privately, and at the least possible expense.

CAUTION.—The immense demand for the above having induced some unprincipled person to imitate them, and assume the name of Dr. De Roos, sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. To PROTECT THE PUBLIC AGAINST FRAUD, Her Majesty's Hon. Commissioners have directed the words "WALTER DE ROOS, LONDON," to be printed in white letters on the Stamp affixed to the above, without which none can be genuine, and to imitate which is felony, and the offender will be prosecuted by Her Majesty's Government.

REVIEWS.

"The information therein conveyed is really essential to those who contemplate marriage."—Record.

"It contains precisely the information too often sedulously kept from the young and thoughtless. However, the knowledge must come some time, and happy is the person who does not become its possessor too late."—Politician.

The above work, which contains the practical remarks of nearly a quarter of a century, and treats in plain and sympathising tone upon the various impediments and disqualifications to marriage, particularly recommends itself as a safe unerring, and infallible guide to the speedy restoration and permanent preservation of health and vigour. For want of a book of this nature, many a once promising youth who started fairly on the voyage of life, has been swiftly and irretrievable wrecked on the shoals and quicksands which beset his course. The necessity and importance of the work are further shown by the fact, that there are few persons who do not at some period require such information as may be found in its pages. While therefore it affords a wholesome lesson to the unexperienced, its perusal may also be instrumental in averting the serious consequences of indiscretion from those who have unhappily incurred them; and as the treatment recommended has been uniformly successful in many thousands of parallel cases, the reader may therefore confidently anticipate for himself the same beneficial result.

PERSONS IN ANY PART OF THE WORLD, may be successfully treated by forwarding a correct detail of their case, with a remittance for Medicines, &c., which will be returned with the utmost despatch, and secure from observation.

N. B.—Should difficulty arise in procuring any of the above, enclose the amount per draft, or otherwise, to 10, Berners Street, and they will be sent securely packed per return.

TESTIMONY FROM MAINE.

Astonishing Cure with only One Bottle.

JOSIAH B. HALL & Co. says:—

Presque Isle, Aroostook Co., Me., April 24th, 1854.

"We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story."

Messrs. Joseph B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 18 years, has been complaining of a pain in her side for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by 'Hoofland's German Bitters,' I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.
