GENTLEMEN—Mr. Counter, your present representative, having declined a re-nomination, and having been requested by a number of the Electors of Victoria Ward to allow my name to be put in nomination as Alderman for said Ward, for 1856, but as the representative of no party or clique, in which position I sat in the City Council for seven years. IN LAKE'S LOTTERY,
To be drawn at Smith's Falls, C. W., on Friday 21st Day of December, 1855.
$8540 worth of valuable Property divided into 80 Prizes,
Five Capital Prizes of Real Estate,
1st $2800, 2nd $1800, 3rd $600, 4th $500, 5th $100.

Tickets only Two Dollars Each.

HERE an opportunity is afforded for investing Two Dollars with a greater probability of a more valuable return, than ever has, or probably ever will present itself again. That the property put up has not been over valued, a glance at the respectable names attached to the annexed certificate will suffice to satisfy the most sceptical and that the drawing will be conducted honourably and fairly. I need only say that Messrs. Easton, Easton's Corners; J. S. Gilman, Prescott; W. H. Wilson, Brockville; R. E. Mattheson, Perth; J. Shaw, Jr., L. S. Wilson, G. C. Mittleberger, and James Armstrong, Smith's Falls, have kindly consented to act as a Committee of Management, to see that every pledge made to the public shall be fully redeemed. As only a sufficient number of Tickets will be sold to cover the actual valuation of the property, each ticket holder will stand an equal chance of drawing either of the capital prizes or any other. Immediately after the drawing a certified statement of the same, will be printed in a newspaper, copies of which will be sent to the Agents in the several localities, which will enable ticket holders to see at a glance whether or not a prize has been drawn to his number. In conclusion, please permit me to refer you to the Agents where you can examine "small bills" and ascertain particulars, and let me advise you to purchase a ticket at once as delays are dangerous."

The present is the time to buy,
To-morrow may not come.

HENRY LAKE.

CONSUMPTION, ASTHMA, BRONCHITIS, CATARRH, and other affections of the LUNGS and CHEST, cured by INHALATION, local and general treatment Inhalation alone will fail to cure most of these diseases, but in connection with proper general remedies, under Dr. HEATH'S direction, it is highly curative in these heretofore, incurable affections Dr. Heath is frequently applied to by persons who have neither been relieved by Inhalation, nor be enfitted by shoulder-braces, nor inhaling tubes. The fact is that inhalation is only an auxiliary, and that those "Traps" are absolutely injurious.

As a proof of the success attending Dr. Heath's combined treatment, we refer to the subjoined—a few only of a large number of letters.

423 Broadway New York, Sept. 8, 1855.

DEAR DOCTOR—Although not indebted to you pecuniarily, I am under obligations of gratitude, which I do not expect to be able to pay for your skill in curing me of a Bronchial affection, some three years ago which had troubled me for a number of years, and which would not yield to caustic applications, gargles or washes. Notwithstanding my profession requires the almost constant use of my vocal organs, the cure is permanent.

If you think this will be of any service to yourself or the public, you will please use it in any manner to attain it. You will, no doubt, remember two or three of my friends were also cured by you.

MARCUS COLBURN.

Nervous, Chronic, Scrofulous, and affections of the Generative system, tax the constitution to such an extent to render it liable to take on Tuberculous and other Chronic forms of disease in both sexes. Those afflicted with any of these diseases can apply with a certainty of relief to Dr. Heath, No. 880 Broadway, New York, from 9 A. M. to 4 P. M., Sundays excepted. Patients at a distance may be treated or advised by letter, on stating their cases fully.

Who is Dr. Heath? For the information and satisfaction of those who perchance do not know, we refer them to an interesting editorial which appeared in the Day New York Book two weeks since, and which has been extensively copied in the leading papers of that city. We will let others answer this question left our readers who have not read the above named article, entitled 'The Character and Men to New York—The Metropolis of North America,' should complain of our neglect to publish it also.

I have known Dr. Heath for ten or twelve years, during which time he has assiduously devoted himself to the study and treatment of Chronic Diseases, Genito-urinary, Nervous and Constitutional Affections, Diseases of the Ear and Eye, but especially in treating Consumption and affections of the Chest with flattering success.

J. K. SNEEL, M. D., Green Point, Brooklyn.

Having seen numerous affidavits of cures performed by Dr. Heath, of No. 880 Brordway, we take pleasure in recommending him to the afflicted.—Advocate and Register, Rahway, N. J.

We most cheerfully recommend Dr. Heath to an enlightened public, as a professional friend of surpassing attainments and of eminent success in his department of practice.

LESTER GREEN, M. D., N. Y.
J. A. SMITH, M. D., N. Y.

Dr. Heath is a gentleman of high moral character and most estimable professional abilities.

GEO. PETRIE, M. D., N. Y.

The two chief characteristics in a good doctor are moral excellence and professional ability, both of which Dr. Heath possesses in an eminent degree.

Hon. A. LOOMIS, N. Y.

New York, Sept. 24, 1855.

DR HEATH.—Dear Sir:—I have taken my pen in hand to inform you that I am entirely free from every symptom of that alarming Consumptive Throat Disease, which I came under your medical care with, and which was so rapidly undermining my constitution. I was almost despairing of getting cured at all, until I was advised by Mr. Shaw to try you, and see if you could not relieve me.

You have not only cured me physically, but you have relieved me of excessive suspense and anxiety of mind.

Yours in gratitude,
JOS. G. BYERS, N.

Life and Death.

THE

Mysteries of Disease laid open to the People.

Health is the Principle of Life: Disease is the Principle of Death.

THE R. R. R. Remedies possess the great power to secure to the Human System Health and Long Life, and to free the Human Family from Pains, Aches, and all Bodily Infirmities.

The art of preserving Health and the method of curing disease by the R. R. R.'s.

Radway's Ready Relief is to be used in all cases where there is pain. The moment it is applied externally, or taken internally, it will allay the most torturing aches, pains, cramps, spasms, burns, scalds, &c., quicker than Morphine, Chloroform, Veratrine, or any other anodyne or remedy that has ever been used by medical men.

It is far than these dangerous remedies.—The public will bear in mind that Chloroform, Morphine, Opium, &c., only stifle the pain by stupifying the senses, so that the perceptive faculties lose the power of feeling, and that after the influence of these narcotics have passed from the system—the pain again breaks forth with its terrible pangs, with renewed violence.

Radway's Ready Relief stops the pain, and removes the cause of the disease that occasions it; it infuses new life into the weak and diseased parts. It braces up the nerves, and establishes in the system a reaction of health and strength in place of pain, weakness and disease.

As a counter irritant, Radway's Ready Relief applied to the surface of the body, where there is inflammation or congestion, it will instantly scatter the congested blood, equalizes the circulation, and in a few minutes the most excruciating pains are removed. This may be seen in cases of Lumbago, Gout, and Rheumatism, in their most terrible forms, where an application of Radway's Ready Relief will restore the patient to ease and comfort.

Crippled with Rheumatism, Arm and Leg perished—No hopes of his recovery—Timely use of R. R. R.—A wonderful Cure.

LESTER FROM ISAAC HUDDLESTONE.

Rapids Parish, La., June 10th, 1855.

Messrs Radway and Co.—Radway's Ready Relief has cured Peter May of Rheumatism, when there was no hope of his ever recovering. I heard of his situation and I sent for him.—His right arm and leg were all perished. He had no use of them at all; but to the use of your medicine, in two months he was carrying the mail from Cherryville to Burr's Ferry. I objected. He said he must do something for a living. It has been fourteen months since he was cured. He is now well, and is working on his farm, and the whole cost of his cure for your medicine was five dollars.

ISAAC HUDDLESTONE.

RADWAY'S REGULATORS.

We here direct the attention of the public to our newly discovered remedy—Radway's Regulators; they possess the great curative properties of a Purgative, cathartic, aperient, sudorific, anti-dyspeptic, corrector and Regulator of the system. They are in fact the only perfect purgative or cathartic remedy that has ever been discovered or given to the world.

Radway's Regulators will answer a better purpose than Calomel or Mercury, without entailing on the system the terrible injuries of these baneful drugs.

They are in the form of Pills, elegantly coated with gum, perfectly tasteless, and can be taken without sickening or nauseating the patient. They are to be used in all cases when the system is out of order, or under the influence of disease. One or two doses of Radway's Regulators has frequently checked the progress of the most terrible diseases, and restored the system to health and regularity.

They establish new and improved principles in medicine, and secure the great and important power of regulating to a healthy, natural and harmonious action, each and every organ in the body. This great controlling power has never formed any part of the popular Cathartic, Vegetable or Indian Purgative Pills, that have ever been in use.

Radway's Regulators rid the system from disease and restore the human body to health, on an entirely different principle to the weakening, sickening and griping method of the common cathartic and purgative pills.

One or two of Radway's Regulators will remove the cause that occasions pain or sickness, or any irregular or unnatural action or condition of the organs of the body, quicker, more effectual, and with less trouble to the patient than six or ten of the common cathartic or purgative pills. The moment Radway's Regulators are taken into the system afflicted with disease, their equalizing efficacy begins; they search out the element of disease wherever it may be seated, they act upon the whole surface of the intestines and bowels, attracting the foul and morbid humors from the blood, glands, secreting vessels, and expelling these seeds of disease from the body, restoring a healthy and regular action to the Liver, Bowels, Pancreas, Heart, Kidneys, Bladder, Skin, and all other Viscera.

THE BOWELS.

All of the common pills of the day, called Vegetable, Indian, Cathartic, &c., claim that they cure disease by purging from the bowels. This is as far as they go—they act upon the bowels by irritating the mucous membrane, and thus obtain an evacuation in the same manner as the bowels are moved by eating something that disagrees with the system. This is truly an unnatural method of restoring the system to health by swallowing pills that disagrees with and irritates it. Those who have taken these common pills are well aware of the weak and debilitated condition their systems are left in. After the scouring operation of these drastic purgatives is over, the bowels are sore and feeble, and again become costive and bound up. Hence arise dyspepsia and a host of diseases.—Radway's Regulators never leave the bowels in a costive condition, or occasion pain or weariness in their operation.

NO. I.

Diseases and complaints caused by Exposure and Atmospherical Changes, over which Radway's Ready Relief and Radway's Regulators possess the most remarkable curative powers, and which will readily yield to the R. R. treatment.

COLDS AND FEVERS.

When the system is first seized with a sudden cold, or a fever sets in. A dose of from three to six of Radway's Regulators should be taken—this is all the medicine, at this stage of the disease, that is required, in a few hours the system will be restored to sound health. But if the cold and fever is neglected and coughs, headaches, colds, chills, pains and aches in the limbs, joints, muscles, bones, side and back, sore throat, hoarseness, difficult breathing, follows the cold and fever—then Radway's Ready Relief should be applied externally, and a good dose of the Regulators taken. As soon as the Relief is applied a reaction will take place, and in a few hours the patient will be free from all pain or annoyance.

If these signs of the presence of disease in the system are unnoticed, and violent fevers break out in the form of Bilious, Typhoid, Scarlet, Ship Fever and other malignant fevers, such as Pneumonia, Lung Fever and Brain Fever, a more rigid treatment becomes necessary. The Regulators should be given every four hours, in large doses of from four to six, until free and copious discharges from the bowels are obtained. The relief applied, will produce a salutary effect upon the skin, and in water, will abate the fever.

If inflammations or congestions take place, Radway's Regulators and Ready Relief should be taken in large doses. A cure will quickly follow their use. In cases of Biliousness or Malignant Bilious Fever, or Billous Pneumonia, Radway's Regulators, given in full doses, and the whole surface of the body bathed with Radway's Ready Relief, will effectually and speedily cure the patient.

IN RHEUMATISM

Attacking the joints and limbs, inflicting its terrible piercing pangs of pain with merciless rapidity—changing about from joint to joint and from limb to limb to limb, Lumbago, Neuriagia, or Gout afflicts you, Radway's Ready Relief applied to the parts where the pain is felt, will quickly relieve you from its excruciating pangs. Radway's Regulators will effectually and speedily cure the patient.

SMALL POX—SCARLET FEVER—MEASLES.

Radway's Ready Relief is not only a cure for these infectious maladies, but will prevent those who use the Relief and Regulators against the infection.

We have known the R. R. R. rid whole neighborhoods of the infection of Small Pox and Scarlet Fever. We have likewise known shipmasters who have saved the lives of their crew and passengers, and entirely driven away the Small Pox and Ship Fever from their vessels by sprinkling the Ready Relief through their infected ships. It is astonishing what happy effects the Ready Relief will have if freely sprinkled in places where these contagious and infectious poisons prevail.

We will guarrantee that if those who are now suffering with fever and ague, or its effects, will place their systems under the influence of of Radway's Ready Relief and Regulators, to cure them entirely of this distressing malady, and to free them from the fever of ague that is now lingering in their systems, and to render their bodies ague proof against renewed attacks.

Those now suffering from Enlargements of the Spleen, Engorgements of the Liver, and other organic enlargements are promised speedy deliverance from their miseries by the R. Relief and Regulators,

We now direct the attention of the public to our second great discovery for the cure of chronic disease,
