CHURCH MEETINGS.

The Presbyterian and Baptist Churches Have Their Annual Reckonings.

The annual meeting in connection with the Baptist church was held on Wednesday evening last week. Rev. Mr. Norton in the chair. The membership was fairly well [illegible] that all departments of the church's work were in a prosperous condition. The treasurer reported that after all liabilities had been paid there remained a balance on hand. The contributions during the year had been very liberal, but owing to undertakings of the new year, missionary and otherwise, the treasurer asked the membership to make their contributions for 1892 as much larger than last year as they could. The treasurer of the Sunday School reported that the receipts for the year amounted to $99, the expenditure, of which $35 was for missions, $72, leaving a balance on hand of $7. It was suggested that steps be taken to increase the size of the library. Officers of the church and Sunday School were appointed as follows:—

Treas. of Church.....R. F. Bessey
Clerk.....R. D. Warren
Ushers.....F. Harley & E. Search
Sexton.....Jas. Drummond
Supt. of Sunday School..R.D. Warren
Assistant Supt.....L. W. Goodenow

PRESBYTERIAN CHURCH.

The annual meeting of the congregation of the Presbyterian church was held last Thursday evening in the basement of the church, and after partaking of refreshments provided by the ladies, the business part of the work was begun. The meeting was well attended, a hearty interest was manifested. Reports were read by the secretaries of the various branches of church work. The statement from the session presented by the pastor showed that 13 names had been added to the Communion roll during the year, leaving the total number of communicants at 129. The treasurer's report presented by Mr. Grant, treasurer of the congregation, was particularly satisfactory. It showed that the revenue from all sources during the year amounted to over $1900.00 out of which $950.00 had been paid towards the building fund. Miss Pringle presented a report from the W. F. M. S. which showed that the society had increased in membership and that the receipts which amounted to $73.10 was an increase over former years.

ADDRESS AND PRESENTATION.

At the close of the school term, Miss M. McDonald of Acton was presented by her pupils of S. S. No. 13, Multnur, with a beautiful toilet set and the following address:—

Dear Teacher:

On this, the eve of your departure from our school after a diligent and loving labor of three years for our educational welfare, we, your pupils, cannot allow you to leave us without expressing to you our love and gratitude by presenting to you this toilet set as a token of our esteem for you as a teacher and friend. We do not ask you to accept this gift on account of its intrinsic value but as a memento of our respect for you and we hope that in years to come when you look upon it you may think kindly of your many friends and former pupils in this school section.

Sig'd. on behalf of school } Willie Andrew. R. J. Johnston. Mary H. Lemaux.

Mr. R. Lennox Secty.-Treas. also read the following on behalf of the Board of Trustees.

To Miss Maggie McDonald:

Dear Madam.—We, the trustees connected with the school which you have been teaching for the past three years, cannot allow you to leave us without giving expression to our regard for you both as a public teacher and as a private individual. As a teacher we have ever found you ready to do your utmost for your pupils, sparing neither time nor talents for the furtherance of their education. We feel that while you were impartial and upright in your dealings with your pupils you did it in such a loving manner that you drew their sympathies and thus gaining their confidence helped them the more to learn. As a private individual we feel thankful that your influence was for good; an influence felt by all with whom you came in contact. Your Christian character, firmness to do what you knew to be right, willingness to help in any good cause, along with your pleasing manner and affable disposition won the confidence of our many friends here. We truly wish you every success in whatever sphere in life you may be placed and, at last, when your duties on earth are ended you may be gathered home with the redeemed of the Lord forever. Signed:

CORRESPONDENCE.

(We do not hold ourselves responsible for opinions expressed by correspondents.)

Mr. Editor,

Dear Sir,—Our municipal elections for the year 1892 have taken place, and the way that the electors expressed themselves at the polls ought to silence the party howlers. There are some people that would like to make capital out of party cries in the composition of our Council. This the people know a good man, when they, baulked in it proved by the fact that they have again returned John Warren by a good majority—a tried and true man for this Township. The tumblers and the jesters who perched on the Cook platform (of being taken advantage of last year) were mere nonplus after all. Although John Wrigglesworth was especially marked for defeat he is again victorious. He is good enough. Mr. Stewart was left out in the cold by Mr. John Murray's vote, therefore Mr. Campbell must needs thank him for his seat this year. All the same the political color of the Council is not changed. Although the year '92 augers well with some little assistance in Mr. Campbell things ought to go very nicely. We would suggest a little reform in payment for sheep that are killed or die, as some over zealous [illegible] seem to think they should have pay (and a good round price too) for sheep that die of old age or natural causes arising therefrom. I think, Mr. Editor the readers of the above cannot accuse the writer of being either Tory or Grit as I have always voted for the best man let him be Grit or Tory. I am an independent elector of this township and as such claim the right of my convictions.

Wishing you a prosperous new year,
I am, sir,
Esquesing, 11 Jan. Alic.

OBITUARY.

Died on the 22nd ult., at Gravenhurst, Mrs. Ellen Ferran, the beloved wife of Noah Ferran, the Mail Agent and Contractor of this place. Since her marriage and residence here she by her affable and kind manner won all those with whom she has had to do. Being highly educated and of refined taste, having in her younger days passed successfully through a collegiate course of education, but being of domestic and retiring disposition, excepting in regular attendance at her place of worship, (Presbyterian church) she seldom left her home, consequently she formed but few acquaintances further than her intimate neighbors, but to those few her loss has been severely felt. On the 12th she gave birth to a daughter and was doing very well until the morning of the 20th when her husband had to summons the best medical aid of both Gravenhurst and Bracebridge. Sadly she passed away quietly in the early morning of the 22nd. to the great grief of her husband and relatives. Mrs. Ferran was born in Scotland, she was the youngest daughter of late Mr. William Alexander and for many years of Glenwilliams in the County of Halton. The family came to Canada about 30 years ago when Ellen was only a few months old. That they have prospered in the land of their adoption is shown by the positions held by the brothers and sisters of the deceased. The eldest brother holds the principalship of Galt Central School, whilst her other brother is a successful carriage and wagon builder at Watford. One of the sisters is the wife of James Graham of the Brandon Sun; another the widow of a late Chicago builder and the third, who has taken charge and care of the motherless infant, is the wife of the Rev. James Rookenridge, of Toronto. Her remains were interred in the cemetery of Glenwilliams on Dec. 24th.—Con.

The death of Eliza Gamble, relict of the late Jas. Lyons took place on Thursday last. The deceased was born in the County Tyrone, Ireland 83 years ago. She came with her husband and two children to this country about 60 years ago and settled near Cheltenham, and 25 years afterward moved to near Norval. The family consisted 6 boys and 4 girls, 1 boy and 3 girls being dead. The remaining are James and Samuel J. near Norval; George and Robt. at Glenwilliams; Mrs. Jas. Clark and Mrs. A. Dolson, Chinguacousy. John, Jennie and Bella died about 30 years ago. The husband of the deceased died 12 years ago. Mrs. Lyons was a member of the Presbyterian church. A very large number of friends attended the funeral on Saturday when the remains were interred in Norval Cemetery.

King of Medicines.

A Cure "Almost Miraculous."

When I was 17 years of age I had a severe attack of rheumatism, with which I remained in bed for nine months. A specialist, called to the form of white swelling, appeared in another part of my body, and for 17 years I was an invalid, being confined to my bed a great part of the time. In that time I underwent seven operations, some of which were very painful and left me crippled. I tried many remedies and was under the care of several physicians, but was not benefited. I decided to try Hood's Sarsaparilla. The first bottle I took made me better, and by the time I had taken three bottles I was able to walk across the room without crutches. I continued to take Hood's Sarsaparilla for about [illegible] months, which having used six bottles, I felt myself so fully relieved from the disease that I went to work for the firm of Wallace Mill Co., and also since then HAVE NOT LOST A SINGLE DAY on account of sickness. I believe the disease is expelled from my system, I always feel well, am in good spirits and have a good appetite. I am now 25 years of age and can walk as well as any one, except that one limb is a little shorter than the other, owing to the loss of bone, and the sore formerly on my right leg. To my friends my recovery seems almost miraculous, and I think Hood's Sarsaparilla is the king of medicines." WILLIAM A. LEHM, 6 N. Railroad St., Kendallville, Ind.

100 Doses One Dollar

After returning from a trip a round the world, that occupied six years, Loudin's Original Fisk Jubilee Singers are making a visit to Ontario and singing in a large number of the leading towns. During their absence they sang 80 consecutive nights in Melbourne, Australia; 60 in Sydney, 40 in Adelaide, 18 in Calcutta, &c. At one place they engaged a hall that seated 3200 people. They gave 30 consecutive concerts here to a full house each time, the prices being 50c., 75c and $1. This is only an example of the remarkable success with which they met in their tour of the world. No doubt many of our readers will be glad to know that Loudin's Jubilee Singers will visit Georgetown on Tuesday 26th January when they will sing in the town hall. For prices see advt.

Indigestion

Is not only a distressing complaint, of itself, but, by causing the blood to become depraved and the system enfeebled, is the parent of innumerable maladies. That Ayer's Sarsaparilla is the best cure for Indigestion, even when complicated with Liver Complaint, is proved by the following testimony from Mrs. Joseph Lake, of Brockway Centre, Mich.:—

"Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony, was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I commenced the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an improvement in my condition. My appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life."

If there were nothing more than the principle involved, the Early Closing Sale would meet with sufficient encouragement to insure success. This [illegible] age. People come [illegible] and weigh motives more than they used to. Which means that trade is favorably disposed toward an aggressive effort towards store reform.

Directly, the vital object of this January movement is business. Instead of waiting your good pleasure we anticipate personal and home needs, and manage to keep business just when everybody expects quiet and plenty of it.

So far as early closing is concerned it remains for us to prove its practicability. The only feasible plan is to condense work into fewer hours. Nothing can do that except keen values—bigger money's worth even than you have learned to accept.

Every sensible woman reads the "Delineator" if she cares a rap about new styles. The economical way is to pay for a year's subscription, and get for $1 and costs 15 cents a month to casual readers.
