—Many in this locality have been attacked with la grippe during the winter. Business men, ministers, teachers, farmers, mechanics, have had it in large numbers. The epidemic struck the HERALD office last week, so that for some days none of the hands were really fit to work but the devil and the editor.

—AHEAD OR BEHIND?—The label attached to your HERALD each week tells you whether you are paid up or not. A number of subscribers have already paid for 1894. Some few haven't paid for '93 or '92. These are requested to send in their arrears at once. We would like to have every subscription on the list paid in full before 1894.

—An artistic placard in colors has just been issued from this office for the Fire Brigade. In its execution the greatest possible care and exactness were required and the workmanship upon it will stand the keenest criticism. It is the most creditable specimen of colored poster work that has ever been done in the county. Mr. Joe Moore, the HERALD's popular foreman, has the credit.

—Mr. and Mrs. "Doc" Cain have gone to Collingwood where they intend to reside. "Doc" has been a resident here for the past 25 years. He was always good natured and never did anyone any harm. Years ago he made money in the barber shop, but later too many of the town toughs imposed upon him and got hold, in various ways, of his money. About a year ago "Doc" got married and his excellent wife out once rid the shop of the miserable element that helped to ruin his business. They lived happily together, but having decided that three barbers were too many for Georgetown they went to Collingwood, where we hope they may have success.

At the last meeting of the County Council a communication was read from the Deputy Minister of Education stating that the grants to Halton High Schools were as follows: Oakville, $249.04; Georgetown, $214.60.

Thieves at Work.

On Wednesday night last week Mr. Thos. Ryan's hen coop was raided by thieves who took charge of five of his hens. They beheaded and plucked them, carrying with them all but feathers and heads. The next evening Ryan's bakery was broken into. A game was taken from the window and a considerable entrance made. The timid burglar took sudden flight, however, and escaped without any plunder.

The Boys at the Glen.

The Reeve and Magistrate Kennedy held a 5-hour trial on Thursday, those in trouble being certain residents of Glenwilliams. Although Mr. Lyons, the Glenwilliams store-keeper, seems to have got the worst of it in the scuffle that has caused the trouble he has come out rather ahead in the courts. At the trial, Thursday, Mino was fined $2 and costs for assault, it having been shown that he kicked Lyons while McMaster was fighting him. The costs to McMaster, who was fined at the first trial, will be about $12. In spite of the protestations of our ubiquitous Glen correspondent to the contrary, there are people who are beginning to suspect that there are bad boys in the Glen.

Another Prohibition Meeting.

Although the evening was very stormy, there was a very fair attendance at the Prohibition meeting in the Methodist church Sunday evening. The speakers were Revs. St. Dalmas and Moir. The addresses were full of stirring facts in relation to the duty of the hour. Mr. St. Dalmas, during his address, remarked that he had travelled through Maine, a Prohibition state, and saw very little of liquor or its effects. He believed Prohibition was a success there. Mr. Moir pointed out, with force, the evils of the traffic, showing the ruin that came to those who indulged in liquor. The only remedy was to remove the temptation and he counselled his hearers to work and vote with a view of this.

About the Railway Bonus.

At a meeting of the County Council, held recently, the following resolution was passed:—

Dr. Robertson moved, seconded by Mr. Lawson, that it is the opinion of this Council that a by-law should be introduced and passed by this Council agreeing to the following compromise in the railway suit now pending in the courts: 1st. That the sum of $63,000 be distributed pro rata to the municipalities that paid the money under the H. & N. W. railway bonus by-law, to be by them distributed for public purposes to the groups or sections or returned to the ratepayers in said sections; 2nd. That the balance of the money be allowed to remain as county funds for the general purposes of the county and to cover all expenses incurred in the case and to pay outstanding debentures.—Carried. Dr. Robertson moved, seconded by Mr. Pettit, that the railway committee be empowered to carry out the resolution passed by the Council in reference to the disposal of the railway suit.—Carried. Yea—Alton, Buck, Barber, Featherston, Husband, Lawson, Mortimer, Pettit, Robertson, Webster, Walren—11. Nay—Hutcheson, Macdonald, Menzies, Pearson—4.

The Bible Society.

The annual meeting of the Georgetown branch was held in the Presbyterian church on Tuesday evening. Rev. Joseph Pennell presiding. The secretary, Mr. R. E. Harrison, presented his report showing that the following amounts had been collected by the persons named:—

Misses Thornton and Tindall	$15 45
" Bradley and Ruston	11 50
" Godfrey and Hume	4 05
" Jackson and Hammond	11 00
" Lindsay and Kennedy	12 00
" Cook and Nickell	6 25
" McCullough and Miller	6 75
" Black and Robertson	4 05
" Johnston and Thompson	3 70
" & McCandless and Nixon	10 05
Collection	2 55
	$89 15

The report having been adopted, an instructive address upon the work of the society was delivered by Rev. Mr. Martin. Revs. Moir and St. Dalmas followed briefly, commending the address of Mr. Martin and the society for the excellent work it had in hand. Thanks were tendered to the collectors, the choir and the speaker. Owing to the prevailing sickness, the audience was not as large as usual and the contributions fell some short of former years.

—A merry Christmas to all.—Now is the time to look around and get your choice of a wonderful stock of Xmas goods of all kinds before they are culled out, and at prices that surprise the people. Call and see them at Morrow's Drug Store.

—REMEMBER THE DATE.—The Georgetown Dramatic Club will render the sparkling comedy "The Circuit Rider" or "Love Wins," in the town hall on Tuesday, the 19th inst. As the proceeds will be applied to paying for the stage extension, a new drop curtain and scenery now in course of preparation, an overflowing house is confidently expected. Georgetown Orchestra in attendance. Admission, 25 cents; reserved seats, 35 cents.

Going to the funeral of Rev. J. W. H. Milne, the communion service was not held in the Presbyterian church last Sunday as announced. Rev. Mr. Hume preached.

Mr. Thomas Evans, brother of Mr. John Evans, died after a lingering illness, at Le Mars, Iowa, on the 26th inst. A few months ago his brother from here and Colonel Evans of Fort Eligh were on a visit to him and have evidently their return been awaiting the news of his death.

NORVAL.

HERALD Correspondence.

The Literary concert on Thursday evening was a fair success, proving that Norval can muster a good audience to hear good talent, under the most adverse circumstances. Although disappointed somewhat that Miss Demart, vocalist, and Miss Young, accompanist could not be present on account of the grip, the opinion prevailed that Messrs. Baker and Fielding's talents in their respective departments of art had not been at all exaggerated by the imposing bills which announced their coming, while Miss Taylor of Toronto and Miss Ballentyne of Brampton proved in the emergency fairly good substitutes. Miss Taylor was also suffering from a slight cold and not in good voice. Mr. Baker's poignant pieces of humor were as taking as his songs and lighted up the evening with sparks of gaiety. Mr. Fielding is a young man of promise. His "[illegible] Kings" and "The Dash for the Colors" were especially taking.

Dr. Webster was chairman and on request made a very good impromptu address on the benefit and aims of the society.

A Box Social will be held in the new Methodist Parsonage on Monday evening, 18th. Each lady is expected to bring a box of refreshments for two. Good programme. Admission: Gentlemen 25 cents; ladies 15 cents.

E. A. Thornton, our merchant, is doing an excellent business. He is to the front with a 30 days' sale.

HORNBY.

HERALD Correspondence.

On account of the almost impassable state of the roads, the concert held in the Temperance Hall last Friday evening, Dec. 1st, was not the success financially, that the concerts, in general, have been. Mr. H. S. Musgrove, comic singer, Toronto, who appeared in full dress, sang some splendid selections, which were heartily encored by the audience. Mr. G. C. Hill, Burlington, gave several well-chosen recitations, which were certainly the treat of the evening, and last, but not least, Hornby Orchestra rendered good service towards furnishing the musical part of the programme. Mr. Jas. M. Preston discharged the duties of chairman in a very able manner, while Bro. Ben performed the duties of "stage manager," etc.

Mr. J. B. Brooks, G. W. P., Toronto, visited Jas. Coulson last week.

Mr. G. E. Hill, Burlington, was a guest of Joseph Copeland last Saturday.

Mr. Fred Douglas returned from Manitoba a week ago last Tuesday. Fred does not give a very encouraging report of the west and although wheat is so cheap at present, we think Ontario holds its own with any part of this fair Dominion.

The small voice of the snow bird whispers to Mayflower: "There's Shanks and Mun, they're both catching on, and they're all getting married but me," and again, "who's the young gentleman who curled his hair to attend a concert a few evenings ago?"

The boys hailed the beautiful snow as it fell a week ago Wednesday. In the afternoon a splendidly matched span and one of latest improved cutters went travelling up and down the 7th line. But, alas! the merits of the team faded into dim twilight when we noticed the drivers.

The majestic trees in a bush on the 8th line [illegible] to grief beneath the sturdy strokes of two such noble wood-cutters as Will Willison and Jack Coulson.
