LATEST NEWS ABOUT HOME.

The celebrated boy singer of Toronto, Bernie Rautenberg, has been secured for the evening. The children have been rehearsing for the occasion for some time, and it is believed that the programme will be even more popular than that of last year.

A Pastor's Removal Regretted.

The June meeting of the Georgetown Ministerial Association met in the home of Rev. J. H. McArthur, Norval, on Monday last. Members present Revs. Forbes, McKay, McArthur, McAlpine, Crawford and Mason. "Modern Biblical Criticism" was the subject for consideration and was introduced by a paper by Mr. Mason, which led to a hearty discussion by each member present. The secretary was authorized to prepare an expression of regret at the removal of Rev. G. A. Mitchell from the Association.

An Evening of Music.

A very enjoyable time was spent in the Methodist school room on Monday evening, by the Epworth League and a number of their friends. The occasion was the first entertainment given by the League since having a Heintzman piano placed in the church, for the use of League and Sabbath School. A number of selections were excellently rendered by the Georgetown Parlor Orchestra as were also vocal selections by the Glen Quartette and Mrs. Brooke. Piano solos were played by Miss Helena Mitchell and duets by Misses Helena Mitchell, Evelyn Reed, Violet Williams and Mrs. Wilson.

The Volunteers Came Back.

On Saturday, the volunteers arrived home after spending ten days in camp. The sun must have beat down upon them severely while at camp, for all were browned so badly that they cannot be literally called white people for a few days yet. The 20th was the most talked of battalion in camp, on account of the arrangements made by the officers for the men to enjoy their meals in comfort. It was a great improvement over the old system. After the arrival in town on Saturday, the 20th Band played several numbers on Main St., the opening one, "Soldiers of the Queen," being particularly good. The Band is in better condition now than for several years.

The Barn Was Burned.

On Sunday, a very vexatious fire occurred on the fifth line, when a barn belonging to Mr. George Leslie, township treasurer, was burned. It is understood that some boys in playing about the place set fire to a straw stack at the barn. In a few minutes everything was burning, and it was not long before the barn, including Mr. Leslie's binder, several calves, hens, and a large section of fence were destroyed. An annoying feature of the fire is that a quantity of lumber that was there, ready for a new barn, was badly damaged, together with the rope and tackle that was to be used in raising it. A lot of carpenter's tools, belonging to Mr. Johnston, framer, were also destroyed. No insurance.

Church Notes.

Rev. G. A. Mitchell and Rev. W. M. McKay, of Norval, enjoyed an exchange of pulpits last Sunday * * Rev. M. D. McKee, of Slocan City, B.C., is in town. Mr. McKee came from British Columbia to attend the General Assembly, and, incidentally, to marry a wife * * The Rev. Wm. Kannawin, M. A., of Shelbourne, Ont., formerly of Acton, has received a very hearty and unanimous call to Omemee and Mount Pleasant, in the Presbytery of Peterborough * * Rev. G. A. Mitchell, under whose pastoral care the Methodist church here has proceeded with its work in harmonious progress during the past three years, is about to leave us. Mr. Mitchell has taken a deep interest in the Georgetown church in all its departments, his work among the young people being particularly appreciated. He was always on the friendliest of terms with his brethren in the ministry, and took a deep interest in our schools and whatever had in view the welfare of the town and community. Mrs. Mitchell was also active and efficient in church work, while Miss Mitchell gave every satisfaction as church organist. Their numerous friends here will wish them every prosperity in the important charge to which they have been called * * *Credit Lodge, A.F. & A.M.*, will attend service in the Congregational church next Sunday evening.

Mr. and Mrs. T. Bailey have gone to spend a month at Wallbridge.

Mr. A. E. Ranney assisted in Grace church surplice choir, Toronto, last Sunday.

Mr. Harry Devereaux, of Georgetown, spent Sunday with Hillsburg friends.—Beaver.

—A garden party, under the auspices of the Ladies' Aid of Boston church, will be given at the residence of Mr. James Murray, lot 6, 4th line, Esquesing, on Tuesday, June 27th. The following first-class talent has been secured: E. W. Grant, Scotch vocalist, Toronto, Miss Anna Edwards, elocutionist, Hamilton. Also local talent. Miss Edith Bewar, accompanist. The 20th Battalion Band has been secured and will furnish music during the evening. Tea served from 5:30 to 8 o'clock. Admission 25 cents. Conveyances will leave Town Hall, Milton, at 7 o'clock, conveying any persons intending to go, free.

PERSONAL.

Dr. Barber, of Milton was in town on Saturday.

Dr. W. Adams, of Toronto, was in town yesterday.

Mr. John Austen, of Toronto, was in town on Saturday.

Rev. J. W. Pedley, of London, was in town on Thursday.

Miss Clara Bell is visiting friends in New York and Cleveland.

Mrs. (Rev.) Mason has received from Clifton Springs, much improved in health.

Mr. J. R. McLeod attended the wedding of Mr. Geo. Cottrell at Mt. Bridget last Wednesday.

Rev. M. D. McKee, of Slocan City, B.C., and Miss C. J. McKechnie were married this afternoon at the home of the bride's father, Mr. McKechnie, on John St. Mr. and Mrs. McKee will spend a short time in Ontario, and expect to be at home to their British Columbia friends by July 15th. We congratulate Mr. McKee upon taking to himself an amiable bride.

Nathan G. Ketchum, formerly of Orangeville, who is now publishing the Magic County Times in Washington Territory, recently offered a bicycle as a prize for the man whom the citizens should pronounce to be the homelicst in the county. Seneca got the prize himself on an almost unanimous vote, says the Advertiser. The editor of the Brampton Conservator would be a sure winner in such a contest.

Mr. Fred W. Barber expects to leave town in a few days to take charge of Sir Wm. Van Horne's ranch, about 20 miles east of Winnipeg. The ranch includes about 4,500 acres and is stocked chiefly with horses and cattle. When we express our regret at Mr. Barber's leaving town, we only say what every other citizen who has known him will feel. He has been a valuable member of the Public School Board for some years and has been a most agreeable citizen. We wish him the highest success in his new undertaking.

LIMEHOUSE.

A very pretty wedding took place on the afternoon of Wednesday June 14th, at the home of the bride's father, Mr. Jas. McDowell, when his eldest daughter, Minnie, was united in happy wedlock to Mr. David Ross of the 4th line. They were married in the bay window under a beautiful floral bell, in the presence of about one hundred and fifty guests. The wedding march, which was played on the bag pipes sounded charming. The bride was attired in white organdy and looked the picture of loveliness while the bridegroom wore that happy look which all men wear on such occasions. Miss Elliott of Acton acted as bridesmaid, while Mr. John McDowell, brother of the bride, supported the groom.

Mrs. Kannawin is at present visiting friends in Shelbourne.

Death, the grim reaper, has visited our little village again and this time has carried away one of our brightest and best beloved little boys, in the person of Henry Le Poidevin, aged 13 years, only son of Mr. H. Le Poidevin. Just one week before his death, little Henry complained to his mother of a sore knee. However he went to school as usual but when he returned home he acted so strangely that it was thought best to consult a doctor and Dr. Nixon of Georgetown was called in. He worked most faithfully on the case calling in Dr. Webster his partner, and also Dr. Howett of Guelph in consultation. However their combined medical skill could not save his life and poor little Henry passed away after a week of terrible suffering. The gloom which has settled down over our village is proof of the esteem in which little Henry, although only a boy, was held and also of the sympathy which is felt for the bereaved family, who mourn his loss.

NORVAL.

Our village has been somewhat quiet for the past few days, possibly owing to the absence of so many of our young sports who had gone to camp at Niagara.

The young volunteers returned on Saturday and reported a splendid time at Niagara. They say the officers of the 20th, used their men the best of all the battalions present.

Rev. W. M. McKay and Rev. G. A. Mitchell of Georgetown exchanged pulpits on Sunday.

The Ministerial Association held their regular monthly meeting at Rev. J. H. McArthur's.

Messrs. M. Howson and A. Rice attended the annual meeting of the Guelph Baptist Association at Brampton last week.

Improvements have been made in our village sidewalks. Quite a lot of new walks have been made again this year which places our village among the best for walks and roads in the country.

We are very sorry to note that another of our citizens has taken his departure in the person of Mr. John Switzer. Mr. Switzer has been employed as miller here for three or four years and has won for himself many friends. For some time past his health has not been very good and lately he was forced to resign his position. He leaves this week for Collingwood where he has secured a position on a boat. It is hoped that Mr. Switzer's health may be much improved. We wish John every success in his new position.

Owing to the increase in the congregation at the Presbyterian church the shed-room has got too small and the church are arranging to have an addition made to accommodate the large number of horses which come here every Sunday.

Ordered Tailoring..... Department.

THERE ARE TWO WAYS of conducting an Ordered Clothing business. One is to do good work, charge a very high price, and give a year's credit. The other way is to give good work, charging a very low price and getting the money when the customer gets the clothes. We work on the latter system, and to men who are looking for credit we have nothing to say, but to the cash buyer we could write enough to fill a book. The customer very often sees advertised the old worn out expression, PATCH THE LOOKS, GUARANTEE WITH WORKMANSHIP. We do not use the above expression but guarantee all clothing made on our premises, no matter what the price is, to be first-class in every respect. We cordially invite you to come to the store and examine our workmanship with others.

We append a descriptive list of a few leading lines.

REMARKABLE RESCUE.

Mrs. Michael Curtain, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefitted from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was. Sold by all druggists, large bottles 50 cents and $1.00.
