LATEST NEWS ABOUT HOME.

Gathered by Herald Reporters or sent by Correspondents.

The Fair Season.

In the absence of Mr. R. J. Warren, Editor of Georgetown and publisher of the HERALD, we have found it impossible, owing to the rush of business, to bother about where he was or what he was doing. In perusing the Toronto dailies this morning, however, we find he has been attending the Baptist Convention of Ontario and Quebec at Owen Sound during the week, and that he has been appointed a member of the Board of Governors and also the Senate of McMaster University. We extend congratulations to the boy.

Fame for a Georgetown.

From Philadelphia, papers we have heard that at the competitive exhibition of the works of American artists, held in the art department of the great Wanamaker Store, Philadelphia, Mrs. Clara E. Humberstone, Newtonbrook, Ont., was successful in winning prizes on two subjects, in oil painting, Chrysanthemums and roses. A still greater satisfaction to Mrs. Humberstone is the fact that her paintings have been purchased by the Wanamakers, and her name added to their very exclusive list of artists, who are to supply their paintings.—*Acton Free Press.* Mrs. Humberstone is a sister of Mr. T. J. Speight of Georgetown.

A Good Concert.

The concert in the town Hall on Monday evening, under the auspices of the Presbyterian Ladies' Auxiliary, was fairly well attended. The programme given by the Killin-Keough Company, and was much enjoyed by those present. The selections were all encored. Mr. [illegible] gave a good bass contralto, and [illegible] station as a singer, while Robert Terry, reciter, ranks well in her profession. Miss Maud L. Brown, the accompanist of the evening is certainly a musician of high standing. The proceeds amounted to about $50.00

A Trafalgar Wedding.

The residence of Mr. and Mrs. David Evans 9th line, Trafalgar, was the scene of a very happy event on Wednesday October 14th, it being the occasion of the marriage of their daughter Charlotte to Mr. Wm. Long of Postville. The ceremony was performed by the Rev. Mr. Morrow in the presence of about forty invited guests. The bride looked charming, dressed in white cashmere trimmed with silk lace and ribbon and carried a bouquet of white roses and maiden hair fern with lilies of the valley in her hair. She was assisted by Miss Josie Steen, who was becomingly dressed in white organdie and carried a bouquet of red carnations. The groom was supported by his brother Mr. L. Long. After partaking of a sumptuous repast the happy couple left amid a shower of rice and good wishes for the 6 o'clock train at Oakville to spent their honeymoon at Grimsby and Niagara. The groom's gift to the bride was a handsome gold watch and chain and to the bridesmaid a gold brooch set with stones. The bride was a sister of Mrs. W. J. Betts, Georgetown.

An Autumn Wedding.

A very pretty wedding took place last Wednesday, 7th inst, at the home of Mr. and Mrs. Thos. Storey, Nassagaweya, when their daughter, Lizzie Jane became the wife of Mr. Thos. Miable of Esquesing. The house was tastefully decorated with flowers and evergreens for the occasion. While the strains of the wedding march were played the bride entered the parlor leaning on her father's arm, and the bridal party were marched under an arch of evergreens and autumn berries. The bride was attired in a handsome costume of biscuits colored extra mine, trimmed with ribbon and chiffon applique of the same shade, and carried a bouquet of white carnations. After the ceremony was performed the company, about eighty in number, repaired to the dining room, where a sumptuous repast was spread, after which the happy couple left on the evening train for a few weeks' tour through the Western Counties. The best wishes of their friends are extended to Mr. and Mrs. Miable for a long and prosperous life. The bride received many handsome and beautiful presents. The Rev. A. Blair, B. A., performed the ceremony. Mrs. Gaille, of Milton, played the wedding march and also entertained the friends with gramophone selections.—*Free Press.*

—A contingent of Englishmen who arrived last week to work in Acton tanneries report a pathetic incident in connection with their voyage out. In the company was a young lady who was betrothed to a young man who came out earlier in the year, and they were to be married on arrival. On shipboard she was take ill, died and was buried at sea, and the sad facts confronted the expectant groom upon arrival of the steamer at Montreal.

—When any business house to be reliable in every respect makes an unusually good bargain offer in these columns there is sure to be quick and big returns from the advertisement. The Family Herald and Weekly Star of Montreal two weeks ago announced in this paper their new premiums, two delightful pictures, entitled "Heart Broken" and "Hard to Choose," as well as a large coloured library map of the Dominion with an enlarged map of this province, and the publishers claim that their returns from this section have been far and away ahead of any previous year, and the demand is growing daily. Their offer certainly merits big returns, for such a liberal offer has never before been made the public It is a dollar's worth that would be hard to duplicate.

CORRESPONDENCE.

ED. HERALD.

DEAR SIR:—I have been thinking some one should take up his pen and compliment the assessor on the little trouble he has given the rate payers this year in regard to the voters' lists corrections. The revelations at the Judges' Court last year were so grievious and so unprecedented that it was surely in the Assessor's interests that he have another chance to show whether or not he was to lose the moral confidence of at least half the people.

Yours truly

ANTI-FAVORITISM.

DOAN'S KIDNEY PILLS

Are a sure and permanent cure for all Kidney and Bladder Troubles.

BACKACHE

is the first sign of Kidney Trouble. Don't neglect it! Check it in time! Serious trouble will follow if you don't. Cure your Backache by taking

DOAN'S KIDNEY PILLS.

All Stuffed Up

That's the condition of many sufferers from catarrh, especially in the morning. Great difficulty is experienced in clearing the head and throat.

No wonder catarrh causes headache, impairs the taste, smell and hearing, pollutes the breath, deranges the stomach and destroys the appetite.

To cure catarrh, treatment must be constitutional—alterative and tonic.

I was ill for four months with catarrh in the head and throat. I had a bad cough and vitiated blood. I had become discouraged when my husband bought a bottle of Hood's Sarsaparilla and persuaded me to try it. I agree all to take it. It has cured and built me up.—MRS. ELLEN RAYNOR, West Lincoln, N. S.

Hood's Sarsaparilla

Is the best—in fact the one thing that the thousands prostrated by hot weather need to purify, vitalize and enrich the blood and build up the whole system.

MORE KIND WORDS

The following note was received from a HERALD customer in Essa county the other day:

DEAR SIR—Enclosed, please find $— to pay for the HERALD for one year and the bills which arrived O.K. Was well pleased with the job. Have had several jobs printed elsewhere and have been here but none that were so well displayed and nicely printed. It was a good clean job and I was extra well pleased with it.

A CURE FOR RHEUMATISM.

Even the Most Stubborn Cases of this Painful Malady Can be Cured.

Rheumatism is caused by acid in the blood, that is an undisputed medical truth. Liniments, outward applications and [illegible] electric treatment can never cure [illegible] is rooted in the blood. A blood [illegible] yields like magic to Dr. Williams' Pink Pills—they actually make new, rich, red blood. This new blood conquers the painful poison, sweeps out the aching acid, soothes the nerves, loosens the muscles and banishes rheumatism from the system. Proof of this is found in the case of Mr. Charles Leathdale, a popular young druggist's assistant of Tilbury, Ont. He says: "I know from personal experience that Dr. William's Pink Pills cure rheumatism, because they cured me of a severe attack that for months caused me many sleepless nights and painful days. I had tried a number of other medicines, but they failed. Then I decided to give the pills a trial. Before I had finished the second box the pains began to leave me, and by the time I had taken two more boxes the pains were all gone, and I felt like a new man. That is more than six months ago and I have not had a twinge of rheumatism since. It is my belief that a fair course of Dr. Williams' Pink Pills will drive the most stubborn case of rheumatism out of the system, and as a result of my own experience I cheerfully recommend them for this trouble."

The pills cure all blood and nerve troubles such as rheumatism, sciatica, partial paralysis, St. Vitus' dance, anæmia, neuralgia, indigestion, headaches backaches, kidney troubles, and the ailments that make the lives of so many women a source of almost misery. Imitations and substitutes are sometimes offered, and the buyer should see that the full name, "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around every box. If in doubt send direct to Dr. Williams' Medicine Co., Brockville, Ont., and the pills will be mailed at 50 cents a box or six boxes for $2.50.
