THE GREAT REMEDY FOR

CONSUMPTION

which can be cured by timely resort to this stand and preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

Fire Proof Roofing.

THE BEST FIRE PROOF ROOFING ever introduced is said to be that of Mica, Soapstone and Plumbago, combined with other ingredients, which has been patented by the Brockville Mica and Plumbago Company, and which is now introduced into almost every city and town in this Province.

It is warranted to be perfectly proof against fire and also against frost as far as it has been tested during the last five years.

All parties wishing to get a good Fire Proof Roof are invited to my Foundry, corner of Union and Ontario Streets, in this city, where they can see for themselves the ravages made by fire close to my Moulding Shop, while strange to say, it came off comparatively unhurt from the flames.

FRIDAY EVEN'G, FEB'Y 5, 1875.

That Amateur Flute.

The company all were seated, and the laugh and jest went round, light-hearted revellers unconscious of their doom. The executioner entered. He bore in his hand a silver flute. A malignant smile lighted up his features. "Ha, ha!" he said, with a fiendish glee, "I will administer unto them an adagio; and not a man shall escape."

Now, therefore, this, accompanied with many apologies to the honored shade of Edgar Allan Poe:

Hear the flutter with his flute—
Silver flute,
O what a world of wailing is awakened by its toot!
How it demisemi quavers
On the maddened air of night!
And defieth all endeavors
To escape the sound or sight
Of the flute, flute, flute,
With its tootle, tootle, too!—
With reiterated tootings of exasperating toots.
Should he get that other flute,
Golden flute—
Oh, what a deeper anguish will its presence institoot!
How his eyes to heaven he'll raise,
As he plays,
All the days,
How he'll stop us on our ways
With its praise!
And the people, oh the people,
That don't live up in the steeple,
But inhabit Christian parlors
Where he visiteth and plays,
Where he plays, plays, plays—
In the crudest of ways,
And thinks we ought to listen,
And expects us to be mute,
Who would rather have the earache,
Than the music of his flute—
Of his flute, flute, flute,
And the tootings of its toot—
Of the toots where with he tortureth is agonizing toot.
Of the flute, flewt, flaut, floot,
Phlute, phlewt, phlewght,
And the tootle, tootle, tooting of its toot.

—*Arguliana.*

Indispensable.—There are some simple remedies indispensible in every family. Among these the experience of years assures us, should be recorded Perry Davis' Pain Killer. For both internal and external application we have found it of great value; especially can we recommend it for colds, rheumatism, or fresh wounds and bruises.—*Christian Era.*

—o—

ACTION OF DAMAGES.—Early last fall in the serious accident which happened on the line of the South Eastern Railway near Abercorn, through the washing away of a culvert, Mr. Philo Langskin, the well-known contractor and builder of Ricsburg, District of Bedford, was badly injured and lay at the point of death for a long time. He will probably be permanently crippled, and has to-day, through his attorneys, Messrs. Doutre, Doutre & Hutchinson, taken an action of damages against the railway company for $50,000.—*Montreal Witness.*

—o—

Thousands have been changed by the use of the Peruvian Syrup a protoxide of Iron) from weak, sickly, suffering creatures, to strong, healthy and happy men and women, and invalids cannot reasonably hesitate to give it a trial. For Dyspepsia and Debility it is a specific.

Consumption, so prevalent and fatal, is dreaded as the great scourge of our race, and yet in the formative stages, all pulmonary complaints may be readily controlled by using "Bryan's Pulmonic Wafers." They will relieve the worst cough in a few minutes, and have a most beneficial influence on the bronchial and pulmonary organs—but they must be used in time. Public speakers and singers will also derive great benefit by using them. Sold by all medicine dealers and country stores, at 25c per box.

Burnett's Flavoring Extracts.—The superiority of these extracts consists in their perfect purity and great strength. They are warranted free from the poisonous oils and acids which enter into the composition of many of the factitious fruit flavors now in the market. They are not only true to their names, but are prepared from fruits of the best quality, and are so highly concentrated that a comparatively small quantity only need be used.

Letter from Rev. J. Salmon, M.D.—Chipman Queen's County, N.B. Mr. Jas. I. Fellow—Sir In the practice of medicine I have recommended your Compound Syrup of Hypophosphites, and have invariably the following results: Greater freedom in the action of the Lungs, increased and more easy expectoration in cases indicated by dry cough, and decided augmentation of tone to the whole nervous system. I can safely and consistently recommend your invaluable preparation in a variety of cases, especially for chest diseases, having successfully prescribed it in Bronchitis, Asthma, Debility from liver complaint, debility from impoverished blood. I am, sir, yours truly, JAMES SALMON, Practicing Physician and Surgeon.

Dr. Wheeler's Compound Elixir of Phosphates and Calisaya—a chemical food and nutritive tonic. This elegant and agreeable preparation is perfectly reliable in all cases of nervous prostration and general debility, arising from mental or physical exertion, intemperance, irregular habits, chronic wasting diseases depending upon indigestion, mal-assimilation of food and impoverished blood. It is composed only of ingredients that enter into the formation of the system, and being purely physiological in its action, may be taken safely under all circumstances, as it builds up the constitution radically and permanently in the same manner as our daily food.

Owners of Horses Rejoicing.—And why not? And who knows but what their horses are rejoicing as well; who can prove the contrary? But their owners rejoice because of the astonishing and almost miraculous effects on their horses of 'Darley's Condition Powders and Arabian Heave Remedy.' Some were lean and poor having no appetite, other would devour their food ravenously, yet derive no benefit from it; some were hide-bound, with rough and shaggy hair; others had severe colds and coughs; many had the heaves and other complaints peculiar to horses; on all operated like a charm, the disease or complaint was speedily removed, the appetite and digestive organs corrected, the skin softened, and a sleek and shining appearance given to the coat all without any danger to, or preventing the horse being used. Remember the name, and see that the signature of Hurd & Co. is on each package.—Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

ELECTRICITY!

Thomas' Eclectric Eclectric Oil.—Worth Ten Times its Weight in Gold.—
"Pain cannot Stay where it is used."

It is the cheapest medicine ever made. One bottle does cure common sore throat. One bottle has cured Bronchitis. Fifty cents worth has cured an old standing Cough. It positively cures Catarrh Asthma and Croup. Fifty cents worth has cured Crick in the back and the same quantity Lame back of eighty years standing. The following are extracts from the few of the many letters that have been received from the different parts of Canada which we think should be sufficient to satisfy the most sceptical. J. Collard, of Sparta, Ontario, writes: "Send me 6 doz of Dr. Thomas' Eclectric Oil have sold all I had from you and want more now, its cures are truly wonderful." Wm Maguire of Franklin, writes, "I have sold all the agent left, it acts like a charm it was slow first but takes splendidly now." M. Cole of Iona writes: "Please forward 6 doz. Thomas Eclectric Oil. I am near out; nothing equals it. It is highly recommended by those who have used." J. Bedford, Thamesville, writes, "send at once a further supply of Eclectric Oil. I have only one bottle left. I never saw any thing to sell so well and give such satisfaction." J. Thompson Woodford, writes "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it." Miller and Rye, Ulverton, P.Q., writes: "The Eclectric Oil is getting a great reputation here and is daily called for, send us a further supply without delay—Leymeure, Gibb & Co., Buckingham, P.Q., writes: "send us one gross Eclectric Oil—we find it to take well."

☞ Sold by all medicine dealers. Price 25 cents.

Prepared by S.N. Thomas, Phelps, N.Y., and Northrop & Lyman, Toronto, Ont., Sole Agent for the Dominion. Note.—Eclectric—Selected and Electrized. Sold in Kingston by E. H. Parker, J.G. King, Heath and Gunn, G.S. Hobart McLean & Co, and all medicine dealers.

PAIN-KILLER!

After thirty-five years' trial, it is still receiving the most unqualified testimonials to its virtues from persons of the highest character and responsibility. Physicians of the first respectability recommend it as a most efficacious preparation for the extinction of pain. It is not only the best remedy ever known for bruises, cuts, burns &c., but for dysentery or cholera, or any sort of bowel complaint, it is a remedy unsurpassed for efficiency and rapidity of action. In the great cities of India, and other hot climates, it has become the standard medicine for all such complaints, as well as for dyspepsia, liver complaints, and other kindred disorders. For coughs and colds, canker, asthma and rheumatic difficulties, it has been proved by the most abundant and convincing testimony to be be an invaluable medicine. It used internally and externally.

Sold by all Druggist Price $1, per bottle. PERRY DAVIS & SON, Agents. Sole Proprietor.

Change of Proprietorship.

THE Subscriber in thankfully acknowledging the very liberal patronage he has received from the residents of Kingston and neighbourhood during the past 17 years, begs to announce that he has sold his entire interest in his Retail Drug Store, to Messrs. C. H. Lavell & Co, who will carry it on in future in the old premises, and bespeaks for them a continuance of the favors so liberally bestowed on him.

HENRY SKINNER.

In accordance with the above we, the Subscribers, take pleasure in informing our friends and the public generally, that we have purchased the above Retail business and hope by strict attention to business and by keeping a complete Stock constantly on hand to merit a share of public patronage.
