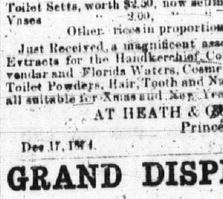
Iron in the Blood



MAKES THE WEAK STRONG.

*The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.*

*This is the secret of the wonderful success of this remedy in curing* Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

*Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.*

*See that each bottle has* PERUVIAN SYRUP *blown in the glass.*

### Chickadeedee.

High in the bare brown elm he swings
And twitters low and sweet;
What cares he that the winter snow,
Lies white beneath his feet.
December is better than May or June
For swinging the sweetest of all sweet tunes,
Chickadee dee dee dee.

Where are wife and babies brown?
Where does the wee nest hide?
For trees are bare and leaves are down
And all the country side
Lies shrouded in the drifting snow;
But he sings though bitter north winds blow,
Chickadee dee dee dee.

The night shuts down with bitter cold,
Men shiver hurrying by.
But when morning breaks in purple and gold,
Clear against the eastern sky,
We see the dainty figure swing,
And hear again the sweet notes sing
Chickadee dee dee dee.

—*Boston Journal.*

*Indispensable.*—There are some simple remedies indispensible in every family. Among these the experience of years assures us, should be recorded Perry Davis' Pain Killer. For both internal and external application we have found it of great value; especially can we recommend it for colds, rheumatism, or fresh wounds and bruises.—*Christian Era.*

A REGULAR SPONGE.—A Texan belle recently appeared at a ball in a fearfully and wonderfully made costume, of which the following is a description: Her dress represented the first flag of the Confederacy; on her arm she bore the flag adopted by the Confederate National Congress; on the lower skirt were stars for the States with the name and seal of each State in the centre; photographs of Confederate generals were on the upper skirt, together with pictures of the Alabama and Sumter; on her shoulders were steamers of the successful battles; manacles and chains were on her arms; a coronet of the seceded States was on her head, and rising above them was a black veil representing the gloom thrown over them; this was fastened with the dagger of oppression.

—Mr. Tracy proposes—so it is said—to read in evidence the whole of Mr. Tilton's novel "Tempest Tossed," and the other side will retaliate by reading Mrs. Stowe's book on Byron and Mrs. Beecher's Cookbook. The privilege of attending this great trial is nearly equivalent to a liberal education.

*Thousands* have been changed by the use of the Peruvian Syrup (a protoxide of Iron) from weak, sickly, suffering creatures, to strong, healthy and happy men and women, and invalids cannot reasonably hesitate to give it a trial. For Dyspepsia and Debility it is a specific.

*Hemorrhoids* (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 128 Notre Dame Street, Montreal.

*Dr. Wistar's Wild Cherry Balsam.*—This Balsamic compound has become a home fixture. Let all who suffer, and have in vain attempted to cure their coughs, colds, bronchial or pulmonary complaints, make use of this unequaled remedy. It can be relied upon, the mass of testimony that has been published since its introduction, being ample proof of its efficacy.

*Consumption*, so prevalent and fatal, is dreaded as the great scourge of our race, and yet in the formative stages, all pulmonary complaints may be readily controlled by using "Bryan's Pulmonic Wafers." They will relieve the worst cough in a few minutes, and have a most beneficial influence on the bronchial and pulmonary organs—but they must be used in time. Public speakers and singers will also derive great benefit by using them. Sold by all medicine dealers and country stores, at 25c per box.

*Burnett's Flavoring Extracts.*—The superiority of these extracts consists in their perfect purity and great strength. They are warranted free from the poisonous oils and acids which enter into the composition of many of the factious fruit flavors now in the market. They are not only true to their names, but are prepared from fruits of the best quality, and are so highly concentrated that a comparatively small quantity only need be used.

*Letter from Rev. J. Salmon, M.D.*—Chipman Queen's County, N.B. Mr. Jas. I. Fellow—Sir—In the practice of medicine I have recommended your Compound Syrup of Hypophosphites, and have invariably the following results: Greater freedom in the action of the Lungs, increased and more easy expectoration in cases indicated by dry cough, and decided augmentation of tone to the whole nervous system. I can safely and consistently recommend your invaluable preparation in a variety of cases, especially for chest diseases, having successfully prescribed it in Bronchitis, Asthma, Debility from liver complaint, debility from impoverished blood. I am, sir, yours truly, JAMES SALMON, Practicing Physician and Surgeon.

*Owners of Horses Rejoicing.*—And why not? And who knows but what their horses are rejoicing as well; who can prove the contrary? But their owners rejoice because of the astonishing and almost miraculous effects on their horses of 'Darley's Condition Powders and Arabian Heave Remedy.' Some were lean and poor having no appetite, other would devour their food ravenously, yet derive no benefit from it; some were hide-bound, with rough and shaggy hair; others had severe colds and coughs; many had the heaves and other complaints peculiar to horses; on all operated like a charm, the disease or complaint was speedily removed, the appetite and digestive organs corrected, the skin softened, and a sleek and shining appearance given to the coat all without any danger to, or preventing the horse being used. Remember the name, and see that the signature of Hurd & Co. is on each package.—Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

ELECTRICITY!

*Thomas' Excelsior Eclectric Oil.—Worth Ten Times its Weight in Gold.—"Pain cannot Stay where it is used."*

It is the cheapest medicine ever made. One bottle does cure common sore throat. One bottle has cured Bronchitis. Fifty cents worth has cured an old standing Cough. It positively cures Catarrh Asthma and Croup. Fifty cents worth has cured Crick in the back and the same quantity Lame back of eighty years standing. The following are extracts from the few of the many letters that have been received from the different parts of Canada which we think should be sufficient to satisfy the most sceptical. J. Collard, of Sparta, Ontario, writes: Send me 6 doz of Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now, its cures are truly wonderful." Wm Maguire of Franklin, writes "I have sold all the agent left, it acts like a charm it was slow first but takes splendidly now." M. Cole of Iona writes: "Please forward 6 doz. Thomas Eclectric Oil, I am near out; nothing equals it. It is highly recommended by those who have used." J. Bedford Thameville, writes, "send at once a further supply of Eclectric Oil. I have only one bottle left. I never saw any thing to sell so well and give such satisfaction." J. Thompson Woodford, writes: "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it." Miller and Rye, Ulverton, P.Q., writes: "The Eclectric Oil is getting a great reputation here and is daily called for, send us a further supply without delay.—Leymone, Gibb & Co., Buckingham, P.Q., writes: "Send us one gross Eclectric Oil—we find it to take well."
☞ Sold by all medicine dealers. Price 25 cents.
Prepared by S. N. Thomas, Phelps, N.Y., and Northrop & Lyman, Toronto, Ont., sole Agent for the Dominion. Note.—Eclectric—Selected and Electrized. Sold in Kingston by E. H. Parker, J. G. King, Heath and Gunn, G. S. Hobart McLean & Co, and all medicine dealers.

PAIN-KILLER!

After thirty five years' trial, it is still receiving the most unqualified testimonials to its virtues from persons of the highest character and responsibility. Physicians of the first respectability recommend it as a most effectual preparation for the extinction of pain. It is not only the best remedy ever known for bruises, cuts, burns, &c., but for dysentery, or cholera, or any sort of bowel complaint, it is a remedy unsurpassed for efficiency and rapidity of action. In the great cities of India, and other hot climates, it has become the standard medicine for all such complaints, as well as for dyspepsia, liver complaints, and other kindred disorders. For coughs and colds, canker, asthma and rheumatic difficulties, it has been proved by the most abundant and convincing testimony to be an invaluable medicine. It used internally and externally.
Sold by all Druggist. Price $1 per bottle.
