Fire Proof Roofing.

THE BEST FIRE PROOF ROOFING ever introduced is said to be that of Mica, Soapstone and Plumbago, combined with other ingredients, which has been patented by the Brockville, Mica and Plumbago Company, and which is now introduced into almost every city and town in this Province.

It is warranted to be perfectly proof against fire and also against frost as far as it has been tested during the last two years.

All parties wishing to get a good Fire Proof Roof are invited to my Foundry, corner of Union and Ontario Streets, in this city, where they can see for themselves the ravages made by fire close to my Moulding Shop, while strange to say, it came off comparatively unhurt from the flames.

THE POOR.

ELIZA COOK.

The naked poor I know they quail,
With crouching limbs from the biting gale;
They pine and starve by the fireless hearth;
And weep and gaze at the frost-bound earth.

Stand nobly forth, ye rich of the land,
With kindly heart and bounteous hand,
Remember now 'tis the season of need,
And a prayer for help is a call ye must heed.

A few of the blessings, a tithe of the gold,
Will save the young and cherish the old,
'Tis a glorious task to work such good—
Do it, ye great ones—ye can, and ye should!

He is not worthy to hold from Heaven
The trust reposed and the talent given
Who will not add to the portion that's scant
In the pinching home of cold and want.

O! hasten in mercy, ye sons of wealth,
Basking in comfort and glowing with health
Give what ye can spare, and be sure
He serveth his Maker who aideth the poor.

All that art can accomplish is beautifying strengthening and preserving the human hair is effected by Burnett's Cocoaine. This incomparable Hair Dressing imparts a glossiness that is healthy and natural. It is a cooling vegetable oil, agreeable and clean and dresses the hair perfectly.

Singular Clerical Dispute.—A singular clerical dispute is reported from Newcastle-under-Tyne, in England. The Rev. Mr. Veale, the rector, who had let his house and cure to Archdeacon Matthias, on Saturday, January 16th, entered with six men, took possession, and barricaded the house. At first the Archdeacon refused to leave, and was restricted to one room. He drew up his food in a basket with a rope let down from the window. The Mayor and leading men of the town met, but could decide on nothing. On Sunday the Archdeacon was hunted from room to room by the Rector and his attendants. Having been assaulted by the bailiffs, he has taken out summonses against them. Crowds gathered around the house, and constables were called in.

All for Show.—The world is crazy for show. There is not one perhaps in a thousand who dares fall back on his real, simple self for power to get through the world, and exact enjoyment as he goes along. There is no end to the aping, the mimicry, the false airs, the superficial airs It requires rare courage, we admit, to live up to one's enlightened convictions in these days. Unless you consent to join in the general cheat, there is no room for you among the great mob of pretenders. If a man desires to live within his means, and is resolute in his purpose not to appear more than he really is, let him be applauded. There is something fresh and invigorating in such at example, and we should honor and uphold such a plan with all the energy in our power.

—Trinity College, Toronto, it is stated, will shortly surrender its University powers and become simply the Divinity School of the Anglican Church, its students bearing similar relations to Toronto University to those held by Knox College students.

—Smith's Falls, which is determined not to be behind its sister towns and villages, has this season inaugurated winter races, the first of which took place this week, and were successful in every way.

The most unhappy person in the world is the Dyspeptic. Everything looks dark and gloomy, he feels out of sorts with himself and everybody else. Life is a burden to him. This can all be changed by taking Peruvian Syrup (a protoxide of Iron.) Cases of 25 years standing have been cured by it.

Dr. Lloyd, of Ohio, surgeon in the army during the war, from exposure contracted consumption. He says in a letter addressed to Messrs. J. N. Harris & Co., proprietors of Allen's Lung Balsam, I have no hesitancy in stating that it was by the use of your Lung Balsam that I am now alive and enjoying health.

Hemorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

Dr. Wistar's Wild Cherry Balsam.—This Balsamic compound has become a home fixture. Let all who suffer, and have in vain attempted to cure their coughs, colds, bronchial or pulmonary complaints, make use of this unequaled remedy. It can be relied upon, the mass of testimony that has been published since its introduction, being ample proof of its efficacy.

For over twenty years "Bryan's Pulmonic Wafers" have maintained their reputation for curing coughs, colds, and pulmonary diseases. Those suffering or threatened with any of the pulmonary complaints should at once give them a trial. They give almost immediate relief, and if taken in time generally effect a cure. Remember that a common cold or cough, if not attended to in time, often leads to that distressing disease—consumption. Sold by all medicine dealers and country stores, at 25c per bx.

The attention of those who have been suffering a long time from old complaints that have resisted all ordinary methods of treatment, is called to Dr. Wheeler's Compound Elixir of Phosphates and Calisaya. This remarkable preparation, by promoting the complete digestion and assimilation of food, creates pure vitalizing blood to restore diseased tissue, and supply nerve force to all the organs of the body It is a specific for dyspepsia in all its forms, liver complaint and disease of the kidneys; and so speedily does it act, that improvement is frequently manifest the first day of taking it. Being a chemical food, its properties are nutritive, and cannot injure child or adult under any condition of the system whatever.

Letter from Rev J. Salmon, M.D.—Chipmank Queen's County, N.B. Mr Jas. I. Fellows.—Sir, In the practice of medicine I have recommended your Compound Syrup of Hypophosphites, and have invariably the following results: Greater freedom in the action of the Lungs, increased and more easy expectoration in cases indicated by dry cough, and decided augmentation of tone to the whole nervous system. I can safely and consistently recommend your invaluable preparation in a variety of cases, especially for chest diseases, having successfully prescribed it in Bronchitis, Asthma, Debility from liver complaint, debility from impoverished blood. I am, sir, yours truly, James Salmon, Practicing Physician and Surgeon.

Owners of Horses Rejoicing.—And why not And who knows but what their horses are rejoicing as well; who can prove the contrary? But their owners rejoice because of the astonishing and almost miraculous effects on their horses of 'Darley's Condition Powders and Arabian Heave Remedy.' Some were lean and poor having no appetite, other would devour their food ravenously, yet derive no benefit from it; some were hide-bound, with rough and shaggy hair; others had severe colds and coughs; many had the heaves and other complaints peculiar to horses; on all operated like a charm, the disease or complaint was speedily removed, the appetite and digestive organs corrected, the skin softened, and a sleek and shining appearance given to the coat all without any danger to, or preventing the horse being used. Remember the name, and see that the signature of Hurd & Co. is on each package.—Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

ELECTRICITY!

Thomas' Excelsior Eclectric Oil.—Worth Ten Times its Weight in Gold.—

"Pain cannot Stay where it is used."

It is the cheapest medicine ever made. One bottle does cure common sore throat. One bottle has cured Bronchitis. Fifty cents worth has cured an old standing Cough. It positively cures Catarrh Asthma and Croup. Fifty cents worth has cured Crick in the back and the same quantity Lame back of eighty years standing The following are extracts from the few of the many letters that have been received from the different parts of Canada which we think should be sufficient to satisfy the most sceptical. J Collard, of Sparta, Ontario, writes: Send me 6 doz of Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now, its cures are truly wonderful." Wm Maguire of Franklin, writes "I have sold all the agent left, it acts like a charm it was slow at first but takes splendidly now." E. Coie of Iona writes: "Please forward 6 doz. Thomas Eclectric Oil. I am hear out nothing equals it. It is highly recommended by those who have used." J. Bedford, Thamesville, writes, "send at once a further supply of Eclectric Oil. I have only one bottle left. I never saw any thing to sell so well and give such satisfaction." J. Thompson Woodford, writes "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it." Miller and Rye, Ulverton, P.Q., writes: "The Eclectric Oil is getting a great reputation here and is daily called for; send us a further supply without delay—Leymone, Gibb & Co., Buckingham, P.Q., writes: "send us one gross Eclectric Oil—we find it to take well."

☞ Sold by all medicine dealers. Price 25 cents.

—Prepared by S. N. Thomas, Phelps, N.Y., and Northrop & Lyman, Toronto, Ont., sole Agent for the Dominion. Note.—Eclectric—Selected and Electrized. Sold in Kingston by E. H Parker, J. G. King, Heath and Gunn, G S. Hobert McLean & Co. and all medicine dealers.

PAIN-KILLER!

After thirty five years' trial, it is still receiving the most unqualified testimonials to its virtues from persons of the highest character and responsibility. Physicians of the first respectability recommend it as a most effectual preparation for the extinction of pain. It is not only the best remedy ever known for bruises, cuts, burns &c., but for dysentery or cholera, or any sort of bowel complaint, it is a remedy unsurpassed for efficiency and rapidity of action. In the great cities of India, and other hot climates, it has become the standard medicine for all such complaints, as well as for dyspepsia, liver complaints, and other kindred disorders. For coughs and colds, canker, asthma and rheumatic difficulties, it has been proved by the most abundant and convincing testimony to be be an invaluable medicine. It used internally and externally.

Sold by all Druggist. Price $1 per bottle.
