Fire Proof Roofing.

THE BEST FIRE PROOF ROOFING ever introduced is said to be that of Mica, Soapstone and Plumbago, combined with other ingredients, which has been patented by the Brockville Mica and Plumbago Company, and which is now introduced into almost every city and town in this Province.

It is warranted to be perfectly proof against fire and also against frost as far as it has been tested during the last two years.

All parties wishing to get a good Fire Proof Roof are invited to my Foundry, corner of Union and Ontario Streets, in this city, where they can see for themselves the ravages made by fire close to my Moulding Shop, while strange to say, it came off comparatively unhurt from the flames.

FRIDAY EVENING, FEB. 19, 1875.

Seeing the Elephant.

It was six men of Hindoostan,
To learning much inclined,
Who went to see the elephant
(Though all of them were blind,)
That each by observation
Might satisfy his mind.

The first approached the elephant,
And happening to fall
Against his broad and sturdy side,
At once began to bawl:
"Oh bless me!—but the elephant
Is very like a wall."

The second, feeling of the tusk,—
Cried, "Ho! what have we here
So very round and smooth and sharp?
To me 'tis mighty clear
This wonder of an elephant
Is very like a spear!"

The third approached the animal
And, happening to take
The squirming trunk within his hands,
Thus boldly up and spake:
"I see," quoth he, "the elephant
Is very like a snake!"

The fourth reached out his eager hand,
And felt above the knee;
"What most this wondrous beast is like
Is mighty plain," quoth he;
"'Tis clear enough the elephant
Is very like a tree!"

The fifth, who chance to touch the ear,
Said, "E'en the blindest man,
Can tell what this resembles most
Deny the fact who can,
This marvel of an elephant
Is very like a fan!"

The sixth no sooner had begun
About the beast to grope,
Then, seizing on the swinging tail
That fell within his scope,
"I see," quoth he, "the elephant
Is very like a rope!"

And so these men of Hindoostan
Disputed loud and long,
Each in his own opinion
Exceeding stiff and strong,
Though each was partly in the right
And partly in the wrong!

JOHN G. SAXE.

The Human Hair.—How many persons abuse this delicate and beautiful ornament, by burning it with alcoholic washes and plastering it with grease, which has no affinity of the skin, and is not absorbed. Burnett's Cocoaine, a compound of Cocoa-nut Oil, etc., is unrivalled as a dressing for the hair—is really absorbed, and is peculiarly adapted to its various conditions, preventing its falling off and promoting its healthy growth.

—Sooner or later, Justice certainly overtakes the leader of a country brass band. A bridge came along and struck one on the head the other day, as he stood on the top of an Erie freight train.

—We are glad to announce that the peaches have all been killed. It has been observed that when the peaches are all killed in January, we have excellent crops in August.

—Louis Napoleon, the Prince Imperial, is classed seventh on the list of cadets receiving commissions in the Royal Military Academy at Woolwich, and is placed at the head of his class in fencing and riding.

—The newly elected Episcopal Bishop of Illinois, Dr. De Koven, is said to be "a pronounced and avowed Ritualist, holding views in relation to the Eucharist that are all the same with those held by the Church of Rome."

—One often hears strange expressions while passing along the streets. Of this character was the following from a young "hoodlum" who was trudging along on his way to school that morning: It's as cold as the hinges on the door of Purgatory."

The most unhappy person in the world is the Dyspeptic. Everything looks dark and gloomy, he feels out of sorts with himself and everybody else. Life is a burden to him. This can all be changed by taking Peruvian Syrup (a protoxide of Iron.) Cases of 25 years standing have been cured by it.

Hemorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

Dr. Wistar's Wild Cherry Balsam.—This Balsamic compound has become a home fixture. Let all who suffer, and have in vain attempted to cure their coughs, colds, bronchial or pulmonary complaints, make use of this unequaled remedy. It can be relied upon, the mass of testimony that has been published since its introduction, being ample proof of its efficacy.

No stronger warranty can be given for the merits of a cough medicine than we offer. We say to all who wish to use Allen's Lung Balsam, that unless it gives entire satisfaction they may return the bottle to us after they had used it 48 hours, and the money will be cheerfully refunded. This same warrantly has been offered the Balsam first for sale and to this time, the first bottle has not been returned, and we have received nothing but praise in its favor from those who have used it.

For over twenty years "Bryan's Pulmonic Wafers" have maintained their reputation for curing coughs, colds, and pulmonary diseases Those suffering or threatened with any of the pulmonary complaints, should at once give them a trial. They give almost immediate relief, and if taken in time generally effect a cure. Remember that a common cold or cough, if not attended to in time, often leads to that distressing disease—consumption. Sold by all medicine dealers and country stores, at 25c per bx.

The attention of those who have been suffering a long time from old complaints that have resisted all ordinary methods of treatment, is called to Dr. Wheeler's Compound Elixir of Phosphates and Calisaya. This remarkable preparation, by promoting the complete digestion and assimilation of food, creates pure vitalizing blood to restore diseased tissues, and supply nerve force to all the organs of the body It is a specific for dyspepsia in all its forms, liver complaint and disease of the kidneys; and so speedily does it act, that improvement is frequently manifest the first day of taking it. Being a chemical food, its properties are nutritive, and cannot injure child or adult under any condition of the system whatever.

Letter from Rev J. Salmon, M.D.—Chipmad Queen's County, N.B. Mr. Jas. I. Fellows.—Sir, In the practice of medicine I have recommended your Compound Syrup of Hypophosphites, and have invariably the following results: Greater freedom in the action of the Lungs, increased and more easy expectoration in cases indicated by dry cough, and decided augmentation of tone to the whole nervous system. I can safely and consistently recommend your invaluable preparation in a variety of cases, especially for chest diseases, having successfully prescribed it in Bronchitis, Asthma, Debility from liver complaint, debility from impoverished blood, I am, sir, yours truly, JAMES SALMON, Practicing Physician and Surgeon.

Somebody Says—"There is something peculiarly attractive in a horse. His intelligent eye and ear, his lofty carriage, his free and graceful motion, his vast strength, his obedient temper, and his indispensible use, all endear him to us. We have to look at his fine proportions and take in the inspiration of his energy and power," but it is only when the horse is properly cared for—when he is free from disease or unsoundness of any kind that he will exhibit these points of attraction, and without which he is of little value. A package of 'Darley's Condition Powders and Arabian Heave Remedy,' should be in possession of every man who owns a horse, to be used in case of emergency. Don't fail to get it. Remember the name, and see that the signature of Hurd & Co. is on each package.—Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

ELECTRICITY!

Thomas' Excelsior Eclectric Oil,—Worth Ten Times its Weight in Gold,—
"Pain cannot stay where it is used."

It is the cheapest medicine ever made. One bottle does cure common sore throat. One bottle has cured Bronchitis. Fifty cents worth has cured an old standing Cough. It positively cures Catarrh Asthma and Croup. Fifty cents worth has cured Crick in the back and the same quantity Lame back of eighty years standing The following are extracts from the few of the many letters that have been received from the different parts of Canada which we think, should be sufficient to satisfy the most sceptical. J Collard, of Sparta, Ontario, writes: Send me 6 doz of Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now, its cures are truly wonderful." Wm Maguire of Franklin, writes "I have sold all the oil we got left, it acts like a charm it was low first but takes splendidly now." M. Cole of Iona writes: "Please forward 6 doz. Thomas Eclectric Oil, I am near out; nothing equals it. It is highly recommended by those who have used it." J. Redford, Thamesville, writes, "send at once a further supply of Eclectric Oil. I have only one bottle left. I never saw any thing to sell so well and give such satisfaction." J. Thompson Woodford, writes: "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it." Miller and Rye, Ulverton, P.Q. writes: "The Eclectric Oil is getting a great reputation here and is daily called for, send us a further supply without delay—Leymone, Gibb & Co., Buckingham, P.Q., writes: "send us one gross Eclectric Oil—we find it to take well."

☞ Sold by all medicine dealers. Price 25 cents.

Prepared by S. N. Thomas, Phelps, N.Y., and Northrop & Lyman, Toronto, Ont., sole Agent for the Dominion. Note.—Eclectric—Selected and Electrized. Sold in Kingston by E. H Parker, J. G. King, Heath and Gunn, G S. Hobart McLean & Co., and all medicine dealers.

ALLEN'S LUNG BALSAM.

Is warranted to break up the most troublesome cough in an incredible short time. There is no remedy that can show more evidence of real merit than this Balsam, for curing Consumption, Coughs, Colds, Asthma, Croup, &c. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. It is introduced to the suffering public, after its merits for the positive cure of such diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical journals as being equal to any prescription that can be made up for such diseases by the medical faculty. The Balsam is consequently recommended by physicians everywhere.

Sold by all Druggist. Price $1 per Bottle PERRY DAVIS & Son, Agents. Montreal
