

EDEN MILLS SPIRIT WALK: The Spirit Walk held on Saturday, was a guided walking tour, essentially a play with nine different scenes, at historic buildings and locations within the Village. Over 20 local residents and professional actors made up the cast that portrayed the Spirits of many colourful characters from the history of the Village. Robin Aggus (right) piped in Eden Mills resident Richard Lay, who portrayed the animated and grandiose Spirit of Adam Argo, the Village's first Post Master. As Argo may have implied, he was the driving force behind the growth of this Village of some 250 people in the early 1850s. - Les Schmidt photos

Emergency preparedness week

The theme of the Emergency Preparedness Week in its 23 year, "Be Emergency Ready—Stay Connected" will accompany a new initiative surrounding the Alert Ready system. This system is designed to deliver critical and potentially life-saving emergency alerts to Canadians. The events this year run across Canada from May 7 through May 13. #PrepareYourSelfie!"

The objective of the annual event is to inform community residents about the preparation and needs in case of an emergency. "The new alerting system will provide information on what action members of the public would need

to take to keep themselves and other affected persons safe during an emergency," said John deHooge, Chief of Fire Services at the Town.

Ontarians are encouraged to take the time to assemble a 72-hour Emergency Preparedness Kit and share it via social media and talk through what your family would do during an emergency.

Take the challenge. Promote it as much as you can. Challenge your family, friends and colleagues.

We encourage you to discuss Emergency Preparedness with your family and friends. Plan, Prepare, Be Aware. #EPweek2018 #AlertReady #Prepareyourselfie

Motor vehicle collision near Regional Road 25 and 15 Side Road

On Monday, May 7, the Halton Regional Police Service responded to a report of a serious injury collision, involving two motor vehicles near the intersection of Regional Road 25 and 15 Side Road, in the Town of Halton Hills.

At approximately 4:40 p.m., a 38-year-old male resident of Hamilton was operating a 2015 Hino cube van southbound on Regional Road 25, south of 15 side road when it came into contact with a 2014 Kia Forte

operated by a 25-year-old female resident of Toronto.

Early medical assessments deemed the female to possibly be suffering from life-altering injuries. The Halton Regional Police Collision Reconstruction Unit responded to assist in the investigation. Further assessments were conducted and her medical status was eventually updated to having suffered from only minor injuries. The male driver of the cube van also suf-

fered minor injuries. The scene was held for approximately seven hours for the at-scene collision investigation and subsequent scene clean-up.

Witnesses to the collision are asked to call the Collision Reconstruction Unit at 905 825-4747 extension 5065, or Crime Stoppers at 1-800-222-TIPS (8477), online at www.haltoncrimestoppers.com, or by texting "Tip201" with your message to 274637 (crimes).
