Opposite Dr. Dupuis, Princess Street.
Kingston, Nov 27, 1874.

Fire Proof Roofing.
THE BEST FIRE PROOF ROOFING ever introduced is said to be that of Mica, Soapstone and Plumbago, combined with other ingredients, which has been patented by the Brockville Mica and Plumbago Company, and which is now introduced into almost every city and town in this Province.
It is warranted to be perfectly proof against fire and also against frost as far as it has been tested during the last two years.
All parties wishing to get a good Fire Proof Roof are invited to my Foundry, corner of Union and Ontario Streets, in this city, where they can see for themselves the ravages made by fire close to my Moulding Shop, while strange to say, it came off comparatively unhurt from the flames.
J. BROKENSHIRE,

Kingston, Feb 8, 1875.

Daily British Whig
THURSDAY EVEN'G, FEB. 25, 1875.

Can a Woman Keep a Secret.

Can a woman keep a secret?
Ask you this with tone sincere.
Keep it ever! Lower whisper,
Lest your little maid may hear.

In her hour of bitter waking,
Past her red lip's rosy bars,
Went this cry to mortal hearing
Voice to aught beneath the stars?

Did that pallid, patient mother,
Meeting you at morning tide,
Tell you of her weary vigil,
Hope and love both crucified?

Look where evening revels echo
Round the haughty, lovely queen,
While fair blossoms rain their petals
Over hair and rippled sheen.

Ask her why her velvet bracelet
Seems a trifle out of place,
Will she tell you how, in anger,
Fingers strong have left their trace?

When a slave from thraldom fleeing,
Sought a woman's tender aid,
Was the fugitive who trusted
Ever stricken or betrayed?

All through all the jester's charges,
Still abides a better trust,
In the safety of the secret,
Woman keeps if keep she must.

MY CHOICE.

Some folke are fond o' Irish stew,
And shine love sausage, some ragout,
While other folks, and not a few,
Love good fat mutton;
The South Sea Is anders pree er
A European, "fat and fair,"
Juicy, and rich and ripe. O rare,
Luxurious glutton!

The Alderman loves well to dine
On turtle, venison, and wine,
Till stuffed and gorged like greedy swine
Or greasy sayage.
Fat beef John Bull delights to see;
To Frenchman, frogs and fricassee;
But give, we gods! O give to me
Fat pork and cabbage!

How seldom we see a splendid head of hair! From sickness, excessive labor or neglect, thousands find their hair gradually wasting away. Burnett's Cocoaine is a perfect Hair Dressing—a promoter of the growth of the hair—a preparation free from irritating matter. It has great affinity for the human skin—is rapidly absorbed and imparts lustre and strength.

—Germany is becoming alarmed at the outflow of her population, and is taking measures, by opposing the action of Emigration Agents, and otherwise, to remedy the matter.

—The Americans are the greatest paper consumers in the world, using seventeen pounds per head per annum, while the English consume only eleven and a half pounds and the French seven pounds to each inhabitant.

—A lease for 999 years has just run out in England. The land is at Woolwich, and was church property a thousand years ago, but the crown leased it for military purposes. It now reverts to the heirs of the original holders.

—In India they complain that since the opening of the Suez Canal they are overrun by "a class of low Europeans." Glad they know how it is themselves.

—Philosophers say that shutting the eyes makes the sense of hearing more acute. A wag says that this accounts for the many closed eyes that are seen in church.

—The Good Templars of a town in California have hit upon the ingenious plan of leasing a column in the local newspaper for the promulgation of temperance doctrines.

—Mrs. Lydia Bradley, a very wealthy widow of Peoria, Ill., has been unanimously chosen President of the First National Bank of that town.

Allen's Lung Balsam—Is the great modern remedy for Coughs, Colds, Consumption, Asthma, Croup and Bronchitis. It is recommended by Physicians everywhere, who are acquainted with its great usefulness.

Save Your Doctor's Bill.—When Dr. Wistar's Balsam of Wild Cherry will cure coughs, colds, bleeding at the lungs, and arrest the fell destroyer, Consumption, it does more than most physicians can do. The use of a single bottle, costing one dollar, will satisfy the incredulous that they need look no further for the required aid.

The most unhappy person in the world is the Dyspeptic. Everything looks dark and gloomy, he feels out of sorts with himself and everybody else. Life is a burden to him. This can all be changed by taking Peruvian Syrup (a protoxide of Iron.) Cases of 25 years standing have been cured by it.

Hemorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

☞ Coughs and Colds, when left to themselves, frequently bring on pulmonary complaints, which lead to that distressing and fatal disease—consumption; but if attended to in time, "Bryan's Pulmonic Wafers" are a certain remedy. They stop the irritating cough, and soothe and strengthen the bronchial tubes, allaying all irritations and inflammation. They are also particularly adapted for the use of singers and public speakers. Sold by all medicine dealers and country stores, at 25c per box.

So much has been said in public prints about the value of Phosphates as fertilizers, and as nerve and brain food to supply the waste of tissues, resulting from mental and physical exertion, that they have become universally recognized as the most important nutritive agents known to science. They are nature's restoratives, whether it be the worn out soil, or the constution run down with wasting chronic diseases, depending upon indigestion and imperfect cell-growth and the formation of healthy tissues. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is not only elegant and reliable, but extraordinary in its effect in energizing and vitalizing all the organs of the body.

Letter from Rev J. Salmon, M.D.—Chipman Queen's County, N.B. Mr. Jas. I. Fellows.—Sir, In the practice of medicine I have recommended your Compound Syrup of Hypophosphites, and have invariably the following results: Greater freedom in the action of the Lungs, increased and more easy expectoration in cases indicated by dry cough, and decided augmentation of tone to the whole nervous system. I can safely and consistently recommend your invaluable preparation in a variety of cases, especially for chest diseases, having successfully prescribed it in Bronchitis, Asthma, Debility from liver complaint, debility from impoverished blood. I am, sir, yours truly, James Salmon, Practicing Physician and Surgeon.

Somebody Says—"There is something peculiarly attractive in a horse. His intelligent eye and ear, his lofty carriage, his free and graceful motion, his vast strength, his obedient temper, and his indispensible use, all endear him to us. We have to look at his fine proportions and take in the inspiration of his energy and power," but it is only when the horse is properly cared for—when he is free from disease or unsoundness of any kind that he will exhibit these points of attraction, and without which he is of little value. A package of 'Darley's Condition Powders and Arabian Heave Remedy,' should be in possession of every man who owns a horse, to be used in case of emergency. Don't fail to get it. Remember the name, and see that the signature of Hurd & Co. is on each package.—Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

ELECTRICITY!
Thomas' Eclectric Oil.—Worth Ten Times its Weight in Gold.—"Pain cannot Stay where it is used."
It is the cheapest medicine ever made. One bottle does cure common sore throat. One bottle has cured Bronchitis. Fifty cents worth has cured an old standing Cough. It positively cures Catarrh Asthma and Croup. Fifty cents worth has cured Crick in the back and the same quantity Lame back of eighty years standing. The following are extracts from the few of the many letters that have been received from the different parts of Canada which we think should be sufficient to satisfy the most sceptical. J. Collard, of Sparta, Ontario, writes: Send me 6 doz of Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now, its cures are truly wonderful." Wm Maguire of Frankford, writes "I have sold all the agent left, it acts like a charm it was slow first but takes splendidly now." M. Gole of Iona writes: "Please forward 6 doz. Thomas Eclectric Oil. I am near out, nothing equals it. It is highly recommended by those who have used." J. Redford, Thamesville, writes, "send at once a further supply of Eclectric Oil. I have only one bottle left. I never saw any thing to sell so well and give such satisfaction." J. Thompson Woodford, writes: "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it." Miller and Rye, Ulverton, P.Q., writes: "The Eclectric Oil is getting a great reputation here and is daily called for, send us a further supply without delay—Leymoue, Gibb & Co., Buckingham, P.Q., writes: "send us one gross Eclectric Oil—we find it to take well."
☞ Sold by all medicine dealers. Price 25 cents.
Prepared by S. N. Thomas, Phelps, N.Y., and Northrop & Lyman, Toronto, Ont., sole Agent for the Dominion. Note.—Eclectric Selected and Electrized. Sold in Kingston by E. H. Parker, J. G. King, Heath and Gunn, C. S. Hobart, McLean & Co, and all medicine dealers.

ALLEN'S LUNG BALSAM.
Is warranted to break up the most troublesome cough in an incredible short time. There is no remedy that can show more evidence of real merit than this Balsam, for curing Consumption, Coughs, Colds, Asthma, Croup, &c. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action; and imparts strength to the whole system. It is introduced to the suffering public, after its merits for the positive cure of such diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical journals as being equal to any prescription that can be made up for such diseases by the medical faculty. The Balsam is consequently recommended by physicians everywhere.
Sold by all Druggist. Price $1 per bottle.
PERRY DAVIS & Son, Agents. Montreal
Kingston Feb 17, 1875.

MARAVILLA COCOA.—Taylor Brother the largest manufacturers of Cocoa in Europe, having the exclusive supply of this unrivalled Cocoa invite comparison with any other Cocoa for Purity—the Aroma—Sanative, Nutritive and Sustaining Power—Easiness of Digestion—and especially, high delicious flavour. One trial will establish it as a favorite Beverage for breakfast or luncheon, and a soothing refreshment after a late evening. N.B. Caution—"Maravilla" is a registered Trade Mark.
MARAVILLA COCOA—The Globe says—"Taylor Brothers Maravilla Cocoa has achieved a thorough success and supersedes every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition distinguish the Maravilla Cocoa above all others. For invalids and Dyspeptics, we could not recommend a more agreeable or valuable beverage." For further favourable opinions vide Standard, Morning Post, British Medical Journal &c., &c.
HOMŒOPATHIC COCOA.—This original preparation, which has attained such a world wide reputation is manufactured by Taylor Brothers under the ablest homœopathic advice, aided by the skill and experience of the inventors; and will be found to combine in an eminent degree the purity fine aroma, and nutritious property of the fresh nut.
SOLUBLE CHOCOLATE made in one minute without boiling. The above articles are prepared exclusively by Taylor Brothers, the largest manufacturers in Europe, and sold in tinlined Packets only by Storekeepers and other all over the world.
