A campaign to raise $1000 for the British Red Cross is under way in town this week. Dr A. W. Nixon, M.P.P., is chairman of the Committee who have charge of the work, and collectors will call on every citizen to receive his or her contribution. It is a noble work for a needy cause, and we have every confidence that the people of this community will stand by their past record, and "do their bit" to alleviate the pain and suffering of those whose efforts are enabling us to live in peace and comfort.

Kindly have your contribution ready when the collectors call.

Military Notes

Rev. S. C. Nixon of Winona has received the following cable from Berne, Switzerland:—"Franklin quite well. Prisoner officer. Camp Karlsruhe, Germany."

Word has been received from Lieut. John G. Kennedy that while his wounds are severe they are not considered dangerous.

A letter written by Lieut. Kennedy two days after he was wounded was received by his sister this morning. He is progressing favorably.

PTE R. KENTNER

News was received by his mother, Mrs J. Banham, Toronto, of the death of her son Pte. R. Kentner, killed in action on the 20th Sept. 1917. Pte. Kentner was a resident of Glenwilliams, prior to his removal to Toronto. He enlisted and went away with the 204th Batt. which left Toronto last March, and was sent with a draft to France joining the 54th Batt.

Following is a copy of a letter received by his mother:

Dear Mrs Banham,

It is with very great regret I have to tell you that your son, Pte. R. Kentner was killed on the night of the 20th Sept. 1917. He was on sentry duty in the front line trench and was killed instantly and did not suffer any pain, being hit in the head by a fragment of a shell. It may be some small comfort to you to know that he has been buried behind the lines in a cemetery and his grave will be well cared for. Sympathising with you in your great loss, I am

Yours sincerely,
E. H. Holmes,
O.C.C.C. Co. 54th Batt., France

There will be a memorial service held in the Glen Methodist Church on Sunday, October 21st.

Fry thanked all for their handsome gift and while he was glad to have done his bit, he was also pleased to be home again.

One of the largest Conservative Win-the-War Conventions in the history of the county was held in Milton yesterday, when Dr. Anderson of Milton was chosen as the Conservative Win-the-war candidate.

President. J. A. Willoughby occupied the chair, and after appropriate, introductory remarks, called for nominations when the following were named:

The final decision was made between Dr. Anderson and M. C. Smith, the former having a majority of 19 votes in a total of 167.

On announcement of the final ballot the unsuccessful nominees, including J. A. Willoughby and M. C. Smith, were the first to congratulate Dr. Anderson and pledge their support in his campaign. Speeches followed by Dr. Anderson, Senator Blain, Dr. Nixon and others.

Dear Sir:—

In reply to your question:

The council of every municipality may pass by-laws in reference to trimming trees upon highway and also those on private property the branches of which extend over a highway. See Section 487, Municipal Act.

The Bell Telephone Co. may trim the trees under the supervision of the council if the provisions of the above section 487 are complied with. See Hodgins vs. Toronto, 19 O.R. 537.

Yours truly,
The Municipal World, Ltd.

Council then adjourned.

Co-Operation is Required.

Ottawa, Oct. 16—It is by the co-operation of all concerned that the Military Service Act will be applied most smoothly and with the least possible delay and trouble. This is plain, now that the programme to be carried out has been explained to the country in its broad outlines.

The men to be selected themselves, their parents or near relatives or their employers are being called upon to assist in the business like operation of the Act, and the kind of response that is made to this appeal will be an interesting indication of the good sense and democratic spirit of the Canadian people. Leading authorities here are unanimous in agreeing that, when the people get to understand the ultimate value of the Military Service Act, its fairness and its advantages, it will work so smoothly that the country will hardly notice it in application.

Can you feed more live Stock?

The Ontario Department of Agriculture is anxious that the splendid crops harvested this fall should be used to best advantage. In many cases this can be done by feeding a few more head of cattle or sheep for breeding purposes. The Department therefore calls attention to the announcement of the Federal Minister of Agriculture offering to pay freight shipments on car lots from Eastern Stock Yards to country points.

Please Note These Facts!—Individually or in corporation with your neighbors you can purchase a carload of heifers or ewes or both combined and have them shipped from any eastern Stock Yard to your station without any cost for freight charges. You will be required to make a declaration that the stock is for breeding purposes only.

Any farmer or drover can purchase a carload of cattle for feeding purposes on the Winnipeg market and have them shipped to any country point in Ontario upon payment of only one half the usual freight charges.

Feeding at the Toronto Stock Yards available at Reduced Rates and expert assistance is at disposal of farmers.

"Every effort should be made to bring the surplus stock of some sections to the surplus food of others. All indications point to a steady demand for the meat supplies of this country for some time to come."—Sir William Hearst, Ontario Minister of Agriculture.

The District Representative will assist you in organizing a co-operative car for your district if desired, or in giving any other information.

W. F. STRONG,
District Representative for Halton County.
