

## HILLSVIEW REPORT - ACTON

By: Julie Conroy

15 ladies and one man enjoyed the day at St. Jacobs, shopping and exploring the market. I noticed quite a few shopping bags on the bus. We also stopped at Crossroads for lunch. Aline was our driver and, as usual, did an excellent job of getting us there and home safely.

I am changing the name of "Gals on the Go" to "Gals and Guys on the Go" as I heard that some men thought they were excluded. We will take everyone. This started when I first joined the Centre 16 years ago, and the men were having interesting trips and wouldn't let me go. They said, "Start your own group", and we did. It wasn't long before the men joined us.

Everyone enjoyed the dinner and dance on Monday evening. As usual Michael Kelly Cavan was a great hit whether you enjoy dan-

cing or just listening to the music. We welcomed our usual friends from Georgetown plus a group from Milton. We hope to see them again. Gisela Lamb was happy to win the 50/50, and Liz Smith, Delbert Lipstead, Maurice McDouall, Bruce Shannon, John McLean and Grace Graham won door prizes.

We will be enjoying Swiss Chalet chicken at the next social dinner on June 11 when Howard Coultrup will be presenting the Owen Coultrup Memorial Award for Receptionist of the Year. This year's recipient is Wilda Tressel. After Wilda moved to Guelph, she still volunteered at the Centre organizing the trips to Rama and Niagara while managing the busy reception desk on alternate Friday mornings. We do miss her and the little treats that appeared on the

desk when she was working.

The OSGA carpet bowling tournament was held at the Centre last week and two teams from Oak-

ville were first and second. Acton members Elly and Siena were third, and Mary and Bruce fourth. Everyone enjoyed the day and the camaraderie.

The only mooner on Thursday, May 17 was Doug Kingshott

There was no winner this week in the weekly 50/50 draw. Next week the

amount to be won should be around \$180.

The Friday lunch on June 1 will be soup and sandwiches followed by Bingo at 1:15 p.m.

Computer workshops for this session are now finished. We have a group of members who are now very adept with using their computers and other electronic devices. Congratulations.

You are reminded to put your name and phone number on a ballot during the month of your birthday to be entered into a draw for a Manicure or Pedicure. Now that sandal season has finally arrived, we could all probably use a pedicure. The ballots are located between the main doors.

It was great to see some of our new 2018 members join us for tea and cake. This was an opportunity for them to learn more about the operation of our Centre. Welcome to all of you, and I hope you will get

involved in the many activities we promote.

Many of you are coming in with aches and pains in new parts of your body. The groans are a sure sign you are taking advantage of this warm sunny weather to get your yards and gardens in shape. How about sharing some pictures of the results of your work?

Our new and improved library is quite a busy place and invites you to pick up a book or two to have on hand to read in your leisure time when the gardening is all done. There is a book for everybody.

Sometimes our reception desk is a very busy place. Please be patient. The ladies try to do their best to address your concerns.

We realize the parking around the Centre can be a problem on most occasions. Something that might help is for everyone to park carefully between the yellow lines and to leave enough room for the next person.

Check for upcoming events on the white board beside the reception desk. Don't leave it too late to sign up for that special program you wanted to see.

Drop by the travel desk to see what's new or just to have a chat with me. I always like to talk.

## 2018-19 school year calendar approved by Ministry of Education

The Halton District School Board has received official approval from the Ontario Ministry of Education for its 2018-19 school year calendar.

The calendar's proposed dates were approved by Trustees of the Halton District School Board at the May 16 Board meeting. Calendar dates are always subject to ministry approval.

These dates have been provided to schools to be shared with students and

parents, and are also posted on the Board's website at [www.hdsb.ca](http://www.hdsb.ca)—refer to Calendar on the home page.

The school year calendar is developed with input from the School Year Calendar Committee consisting of representatives

from interested and affected groups, including parents. The 2018-2019 school year calendar is aligned with the Halton Catholic District School Board calendar to save resources on school bus transportation, which is shared between the boards.
