AROUND THE WORLD

To have gained first place as the largest selling gum in the world means that

WRIGLEY'S

The Gum of Quality

is liked above all others.

That its quality, lasting flavour and its sealed package are the kind most appreciated.

And that its benefits to teeth, breath, appetite and digestion have been proven.

"After every meal"

The Flavour Lasts!

Save that spoonful

Four and often five spoonfuls of ordinary tea do not go any further than three of Red Rose Tea.

Less Red Rose is required because it consists chiefly of rich, strong, full-flavored Assam teas.

Use Red Rose Tea and save that extra spoonful.

The Mirror of the World's Happenings

Because it mirrors the news of the world in which I live and am interested.

Whether it be a political discussion of a Government measure, or a searching analysis of some sociological problem, I know I shall find the matter sanely treated in "My Paper!"

Whether it be just the Bedtime Stories for the Kiddies, or the Fashion News from New York, Paris, and London for my wife, "The Star" to each of them is "My Paper!"

Whether it be a witty paragraph, or the problems in "Bringing Up Father," the whole family enjoy the humour of "My Paper!"
