OUR SCHOOLS and Churches will be re-opened just as soon as the Board of Health deem it advisable to do so. Their prompt action has no doubt helped considerable to stamp out the influenza in our town. In the meantime citizens are asked to take every precaution to guard against the spread of the disease.

IT WAS JUST two years ago last month since Ontario went dry, along with a lot of others, and although but a comparatively short time ago, to-day it seems quite natural for people to get along, without lubricating gently or abundantly, as the desire or the crowd might tempt. There are some violations no doubt, quite a few, yet even the kickers amongst us must confess that good has been done if nothing more has been accomplished than practically eliminating the spectacle of a drunken man on the streets of our towns.

IT HAS VERY WISELY been determined at Ottawa to act on the suggestion that it is high time an effort was made to suppress Bolsheviki and revolutionary organizations in Canada, and of literature printed in enemy tongues. It is henceforth unlawful to belong to, or attend meetings of the Industrial Workers of the World, the Russian Social Democrat party, Russian Revolutional group, Russian Social Revolutionists, Russian Workers Union, the Ukranian revolutionary group, Ukranian Social Democratic party, or any other body of Russian Anarchists, the Chinese National league, the Chinese Labor association, "or any association which advocates bringing about political, social, economic or industrial changes by force, or which defends the use of force, violence, or threats." The penalties for infringement are very high—up to $5,000 or imprisonment for a maximum term of five years. Enemy language publications, including Russian, Ukranian and Finnish, must be licensed before they can be issued or imported, except in the case of religious or scientific works, the penalty being the same as in the other cases.

THERE NEVER was a time when prayer was any the more real than it is to-day, to those, at all events, whose sons are overseas and who know not the hour when one of those dreadful telegrams may come. This is a fact, though clerics rail at the lessened hold of the church on the people. One of the finest little poetic prayers I have seen in a long time is the following by John Oxenham:

Where'er thou be,
On land or sea,
Or in the air,
This little prayer
I pray for thee—
God keep thee ever,
Day and night,—
Face to the light—
Thy 'scutcheon white,
That no despite
Thine honor smite,—
With infinite
Sweet oversight,
God keep thee ever,
Heart's delight,—
And guard the whole,
Sweet body, soul,
And spirit high:
That live or die,
Thou glorify
His Majesty;
And ever be,
Within His sight,
His true and upright,
Sweet and Stainless,
Pure and sinless,
Perfect Knight!

Miss Alice Davidson was visiting with friends in Hamilton last week.

We are sorry to learn that Mr. Mark Varey is in the hospital with typhoid fever. We hope soon to hear of his recoverey.

Mr. C. Whitney had a large shingling bee, shingling his new barn which is about completed and is a modern up-to-date structure.

Mr. A. Pearce is spending a few days with friends in Brantford.

Mr. C. Rogers, we are sorry to learn, is now on the sick list. We hope soon to hear of his recovery.

—The McPherson Shoe which I am selling at $5.00 can't be bought in any retail shoe store in Ontario for less than $6.50 or $7. I am under no expense and don't need to do you—J. Roney, the people's friend.

Another Succesful Fair

Fine Weather and Large Crowds Favor Esquesing's Annual Event.

Large numbers of Exhibits in all Classes.

One of the most successful fairs in the history of Esquesing Agricultural Society was held at Georgetown last Wednesday and Thursday. Although the weather the first day was threatening, the second day was all that could be desired, and the large gathering made the hearts of the Directors glad. The exhibits in all classes were splendid. There was an excellent showing of stock, including horses, cattle, sheep, pigs etc; also poultry.

The exhibit in the hall was much above the average with the exception of poultry and dairy, which were only fairly well represented. In Ladies work and fine arts the showing never was better, and we desire right here to thank the ladies of our town who brought out their work and contributed largely to the splendid success of this department.

The excellent display of soldier's comforts made by the Georgetown Women's Patriotic League, on the main floor of the hall, attracted much attention and gave the people a splendid idea of the great work being done by our ladies.

The Esquesing Women's Institute also made a splendid display of soldiers comforts made by members of their society. The grand work of the ladies in this line should certainly be appreciated.

The exhibit of tractors and labor saving machinery for the farm proved a big attraction to many.

The procession of Public School Children led by the Glenwilliams Band was a feature of the day; as was also their patriotic songs by the school children under the able leadership of their musical instructor Mr. A. B. Castell. They were loudly applauded.

The music by Glenwilliams Band added very materially to the pleasure of the day and their numerous selections were appreciated by all.

The exhibit of Grafanolas by Mr Frank King was admired by many. The instruments which Mr King is handling are in a class by themselves and are having a very large sale.

Glenwilliams

In the light of later news our celebration of the conclusion of the war was without doubt a little premature. The news showed, however, that the war is fast drawing to a close and this fact alone was just cause for rejoicing. We owe our thanks to the Band for turning out in such wretched weather and furnishing us with an impromptu concert. We have had few opportunities to cheer in the past four years so we cannot be blamed for taking advantage of the opportunity when it did offer, and it is due to the few who have kept the band together in spite of many difficulties, that we had the means with which to celebrate when the occasion called for it.

The death of Driver Herbert Tracy took place October 2nd, at the home of his father, Mr. Dennis Tracy. The deceased enlisted at Guelph last April with the 64th Battery, C.F.A., and had been at Petawawa Camp all summer. When the call went out for men for the Siberian Expedition, Herbert volunteered and at the time of his death was home on his last leave before departing for Siberia. Shortly before coming home he met with a slight accident which, owing to blood-poisoning setting in, caused his death. "Herb" died in the service of his country and is entitled to a place on it's "Roll of Honor", just as much as the soldier who dies on the field of battle.

Pte. Wesley Brennan who went overseas with the 126th Peel Battalion, spent the week-end at his home here. Pte. Brennan was wounded over a year ago but is still undergoing treatment for his wounds. He is at present in Davisville Hospital. It was his first visit home since his return from France.

Acton

Col. Cameron A. Warren was here last week to say farewell to his brother, Mr. James L. Warren and family before leaving for Siberia.

Mr. J. P. Worden, the new janitor at the schools, commenced his duties on Monday. His experience in handling steam boilers will be valuable.

The Farmers' Club has removed it's store to the Matthew's building on Willow St., formerly occupied by Noble's Flour and Feed business.

Rev. I. M. Moyer and H. P. Moore, J.P., left on Tuesday for Hamilton, to attend the General Conference—the parliament of the Methodist Church—which will be in session for the next two weeks.

On the day of Acton Fair a couple of boys working for neighboring farmers broke into the home of Mr. A. T. Mann, near Bannockburn School, while the family was attending the fair, and stole $10 cash and a revolver. Constable Lawson brought them before H. P. Moore, J. P., on Monday evening. They both confessed their guilt and were sent to the County Judge at Milton for sentence—Free Press

The death took place on Saturday at his late residence in Acton, of Mr. J. L. Warren, following an illness which extended over several years. Deceased, who was about 60 years of age, was a retired farmer, but of late years had been conducting a flour and feed business in Acton. He leaves a widow and two children, Fred and Helen, to mourn his loss.
