Ask Any of the 300,000 Happy Thought Users
Their homes have been brightened and their labors lightened by Happy Thought Ranges. They are satisfied. You will be. Baking, broiling, frying, preserving—no matter what—the Happy Thought Range is always dependable.
For forty years Canadian women have been using Happy Thought Ranges because of the satisfactory results they give. The large oven, with its even heat—the large cooking surface—easy regulation—small fuel consumption—excellent appearance—and all the little attachments that save labor have made this range their Choice.
Ask the woman who owns one. She will say: "I like my Happy Thought because it's such a good baker."
Every corner of the home heated by a Happy Thought Pipeless Furnace is a place of comfort.
The stove-heated home can have no better stove than a Happy Thought Heater.

THE MOTHER

She never touched with skillful
brush, the canvas,
And left a picture that the world
might praise;
Or, with inspired fingers on the
keyboard,
Sent down an echo through the
length of days;
But once, with eyes tear-stained,
yet looking upward,
With smiling lips she passed be-
neath the rod,
Descending almost to the vale of
"shadows"
To bring a little new born soul
from God
She never sang a song of joy or
sadness
In clear, sweet tones to make us
smile or weep;
Her voice too weak to win the
world's approval,
Was only good to hush a babe to
sleep.
She never penned a book whose
glowing pages
Might lift us up and help us in the
fight,
But day by day she sought with
loving patience,
To guide two little stumbling feet
aright.
And yet, maybap, when at the
gate of heaven
She paused, God looked at her and
smiled:
With hand outstretched, His kind
voice spoke a welcome
To her, the mother of a little
child.

**New C.O.D. Postal Service**

This new service announced several weeks ago came into effect on Monday. Parcels and packages to a valuation of $100 may be sent from any money order post office in the Dominion to any other order post office under regulations providing for their insurance where desired. There regulations have been in the hands of postmasters since their passage in the form of an order in council almost a month ago and the machinery for the operation of the new system is now all ready for operation.
