The Georgetown Herald

WEDNESDAY, DEC. 20TH, 1922

THEY GAVE THEIR LIVES that we might live in freedom and it is up to the ratepayers of Georgetown to commemorate the memory of the brave heroes who now sleep in Flander's fields. The long looked for opportunity to honor our noble dead is now at hand and you may do your part by supporting the By-law to be voted on January 1st, to erect a memorial to the boys from Georgetown who gave their lives in the great war. No more worthy expenditure was ever contemplated by a municipality and the amount to be raised is a mere pittance when compared to the value of even one precious life sacrificed in the cause of home and freedom. Let the vote be unanimous and show to the world that the ratepayers of Georgetown have not forgotten the brave boys who left home and loved ones to battle and die that Christianity and British freedom might be maintained.

MUNICIPAL MATTERS in town continue quiet and with nomination only two days off it looks very much as if the old Council would be returned for another year by acclamation. With the work undertaken by the present Council involving considerable expenditure, yet uncompleted, it would probably be in the best interests of the Municipality that they continue in office. Too frequent changes of representatives at municipal boards are often a detriment rather than a benefit. It may be true they have left undone those things which they ought to have done and done those things which they ought not to have done, but who ever saw or heard of a governing body that was perfect. The experience of the past should stand them good in the future and would, no doubt, assist them materially in the completion of the important work now under way. However, this is merely a suggestion and may not meet with the approval of the ratepayers on nomination day, but we believe it would be good business to allow those conversant with the public works now being constructed to finish them.

Obituary

WALTER J. MCKAY

The following from the Quebec Chronicle refers to a brother of our esteemed townsman, Mr. Oliver McKay:

On Sunday December 3rd there passed from our midst, after two days illness, Mr. Walter J. McKay, the greatly esteemed assistant superintendent for Messrs Anglin Norcross Limited, the contractors for the extension to the Chateau Frontenac.

The late Mr. McKay was born in Georgetown, Ontario, about 48 years ago, and leaves his widow, two brothers and three sisters to mourn his loss.

A veteran of many years, the late Quartermaster-Sergeant McKay, remarkable for his even temperament, was one of the original members of the 90th Winnipeg Rifles (The Little Black Devils), with which regiment he served throughout the Northwest rebellion of 1885 with distinction, at Batoche and Fish Creek, retiring with 16 years active service to his credit and his old regiment honored him by appointing him an honorary life member. On the outbreak of the Great War he was very active in recruiting for the 8th Battalion.

He was one of the best known and popular riflemen in the West and as a crack shot will ever be remembered for his many meritorious feats with his rifle. His house is replete with the cups, medals, badges, spoons, etc., he won at rifle meetings at Ottawa and elsewhere, amongst them the Governor General's silver (two) and bronze medals and the Taylor cup, won outright with "Possibles" (85) on two occasions.

He attended the Coronation of King Edward VII., representing his old regiment, and was the proud wearer of three medals, viz: Northwest Rebellion, Long Service and Coronation. His love for shooting, always present, he joined the local Ministers Rifle Club this season, just to keep his eye in. He was an active member of the Army and Navy Veterans Association, Winnipeg Unit.

Coming to the Chateau Frontenac works, just over two years ago, Mr. McKay resumed his activities under Mr. W. P. Mitchell, the Superintendent, with whom he had been associated for twelve years, and his demise is not only a personal loss to him, but to all members of the firm. He was greatly respected by all and the spontaneity of the request of his subordinates to attend his obsequies, at Mount Hermon Cemetery, was witness to the Honor they bore him and the knowledge of the loss of a friend whom it will be difficult to replace.

ANNIE CLARK

The remains of the late Annie Clark, who passed away at the home of Mr. Granville Clark, Guelph on Dec. 18th, were interred in Greenwood Cemetery, here on Thursday last. The funeral took place from the home of deceased's niece, Miss Alice Tost, and the service was conducted by Rev. R. F. Cameron. Deceased conducted a confectionery business in Georgetown for over forty years, retiring from same some few years ago. She was one of our most highly respected citizens and had a wide circle of friends in Georgetown and vicinity. A kind and loving friend and true Christian woman has gone to her reward.

The Warden's Dinner

Warden E. A. Harris, of Burlington, brought his year in office to a close last Thursday evening by giving his fellow members and ex members of the council, county officials and other prominent men and friends, numbering seventy-five, the warden's dinner at the Hotel McGibbon, Milton. The event was one of the most enjoyable gatherings in the History of Halton County.

The program was lengthy and the speeches were of a high order, Warden Harris receiving many compliments on the ability with which he had performed the duties of his office during the year.
