In Memoriam

CUNNINGHAM—In loving memory of Mary Burnside, beloved wife of Wm Cunningham, who passed peacefully away February 16th, 1917

Oh how sad it was to part
With her we loved so dear,
Cut away in the Prime of Youth
In the mist of life and cheer
Short and sudden was the call,
"And her so dearly loved by all,"
But oh, how sweet the promise given
We will meet with joy in Heaven

Thanks and Please

We sincerely thank the many who so punctually responded to our request last issue for money due us on subscription, and the dates on their labels will be corrected very shortly. Again we must repeat the fact that it is absolutely necessary that we call on all subscribers in arrears to assist us in our business by paying us what is due on subscriptions to the HERALD. Hundreds of accounts have been mailed and more are being sent out every day, and while the individual amounts are small the aggregate is large and means a great deal to us. In order to finance our business and pay our debts, all accounts must be paid by March 15th. Will you who owe us on subscriptions kindly treat us as you would wish to be treated and pay us the amount due NOW?

If any error has occurred in any of the accounts you will always find us willing and ready to adjust same.

Kindly remember that March 15 is the date when all outstanding accounts positively must be paid.

Sincerely,
J. M. Moore.

Terra Cotta

The C.N.R. have a gang here at present digging a well at the station.

The song service held in the Methodist Church last Sunday was greatly enjoyed by all present. There was a fair turnout.

We were sorry last week to hear of the death of Mr. Frank McTaggart of Toronto, after a lingering illness. Mr. McTaggart, prior to his removal to Toronto, had been for many years a highly respected resident of this place. We all join in extending our sincere sympathy to the bereaved widow and family.

Mr. and Mrs. A. Burgess and family of the 10th line are moving to their new farm at Union. We are sorry to lose such kind and estimable citizens from our midst, but all join in wishing them continued success in their new home.

The Ladies' Aid meeting was held at the home of Mrs. R. Icam, Main St., on Tuesday afternoon. A good program was given and a splendid tea was served.

Our school teachers, Miss Mary Lyons and Miss Norma Hunter, of Silver Creek and Alton schools, spent the week end at their respective homes here.

A number of our citizens took in the Orangemen's dance at Cheltenham on Friday evening.

The radio craze seems to be spreading rapidly in our hamlet. Mr. E. Townsend has a radio and loud speaker installed in his residence here. Mr. George Aldous has also installed an up-to-date radio.

Terra Cotta has this winter organized an orchestra as follows:—Mr. Ed. Sanderson, J. L. Craine, Norman Icam, violinists; Mr. Wm. Townsend, banjo; Miss Elsie Icam, accompanist.

Messrs. Roy and Arthur McKeown of Acton spent Sunday with Terra Cotta friends.

Norval

Miss Malcolm is spending two weeks at her home in Galt.

Mr. James McKinney visited friends in Toronto last Saturday.

Norval Young People held a valentine social in the basement of the Methodist church on Monday evening. An enjoyable time was spent in games and community singing after which home-made candy and apples were partaken of to the satisfaction and delight of all

The W. A. of St. Paul's church will hold a pancake social at the Rectory on Tuesday evening, Feb 24th. Good program, admission 25c.

A number of our citizens had a sleighing party and visited the home of Wm. Wylie, on his return home with his bride. All had an enjoyable time. Some of the party had quite a shaking up when the sleigh upset. No one was seriously hurt.

The young people of the Methodist church held their usual weekly service. Cecil Barth spoke on the subject of "Zeebridge and Battle of Ostend." Come out and encourage the young people and it will help you at the same time.

Mrs. Jos. McMaster paid a visit to friends in Detroit for a few days last week.

The Granites of the Glen played their first game of the series with the Coating Mill last night, the score being 7-0 in favor of the Glen.

Hockey

The benefit hockey game in the Arena last Friday night between our Junior and Intermediate teams drew a large crowd and was one of the best exhibitions of hockey we have witnessed in the Arena this year. Both teams played good hockey and while one could hardly expect the Juniors to come off victors in such an event, they certainly made it very interesting for the Intermediates.

In the first period the play was fairly even and each team was feeling the other out When the gong sounded the score was 2-2.

In the second period the Juniors by their splendid stick handling and combination play bulged the net twice, while the Intermediates attacks upon their opponent's goal failed to connect and the period closed 4-2 in favor of the Juniors

The third period was quite fast and this time the Intermediates done the scoring by some neat combination work, getting two tallies in the early part of the period. This made the score a tie 4-4 and it remained so at the end of the third period.

In the ten minutes overtime the Intermediates tallied making the final score 5-4 in their favor.

The teams lined up as follows:—

Intermediates— Kennedy, goal; Bush and Blackburn, defence, Telfer, r.w.; M. McDonald, c.; J. Kentner, l.w.; Bush and Buck, subs.

Juniors—Duncan, goal; Halpin and Ford, defence; Gibbons, r.w.; Hewitt, l.w.; Davidson, c; Hepburn and Reid, subs.

Ray Graham performed the duties of referee to the entire satisfaction of all concerned.

The attendance at this benefit game was much appreciated and the boys thank our citizens for their splendid response.

In the opening game of the Georgetown Civic League at the Arena last evening the Glen defeated the Coating Mill by a score of 7-0. The play was fast but rough. Five penalties were handed out, the Glen drawing them all. The play at first was very ragged but improved as the game went on, the Glen having the edge all the way through. The first period ended 3-0 in favor of the Glen, the second period 5-0. In the third period the Coating Mill worked hard but were unable to score and the Glen slipped in two more goals making the final score 7-0. Woods, McCartney and Isley were best for the losers, Hewitt and Halpin for the winners. The line-up was as follows:

Glen—Goal, Tracy; defence, Halpin; centre, Norton; l.w., Hewitt; r.w., Graham; subs., Huntley.

Coating Mill—Goal, Ingram; defence, Lucas and Isley; centre, King; l.w., Woods; r.w., McCartney; subs., Tuck, Benson.

Referee—James Clark.

In the second game the Wanderers defeated the Granites by 3-2. Blackburn scored for the Granites shortly after the opening. The play was fast but also rough. The Wanderers came back with a goal making it 1-1 at the end of the first period. In the second period neither teams scored. In the third period the Wanderers scored two goals. The Granites worked hard to even the score but could only get one. The final score was 3-2. The line-up was as follows:

Wanderers—Goal, Walters; defence, Cleave and Devereaux; centre, Hepburn; l.w., Graham; r.w., Ruddy; subs., Ridler.

Granites—Goal, Cain; defence, Kennedy and Scott; centre, Blackburn; l.w., Parr; r.w., Bailey; subs., Corke.

Referee—A. Duncan.

Curling

To date forty games have been played in the Inter-rink competition of the Georgetown Curling Club giving the various rinks the following standing:—

Skip	Played	Won	Lost
Wallace	8	6	2
Tuck	8	6	2
Ross	9	6	3
Grout	9	5	4
Brown	9	5	4
Wemyss	7	3	4
Mimms	8	3	5
Kentner	9	3	6
Marcellus	7	2	5
Near	8	2	6

At present Wallace and Tuck are tied for 1st place with each to play a postponed game. They have already played each other, so their final standing depends upon the results of their games with other rinks. If each loses his game, Ross will be brought up to first place with Wallace and Tuck. This will mean a three cornered play off for the championship. If Wallace and Tuck each win his next game they will still be tied and will have to play off. In short whichever way the play goes, the finish promises to be exciting.

—After all, doesn't the "end of the world" come to many thousands of people every day, and will come to all of us sooner or later in less than a hundred years.
