We are thankful to our Acton and Brampton customers. Our overhead is light and that is why we are the cheapest boots, shoes and repairing shoe store in Ontario. Georgetown's Credit Good

Council met one evening last week and disposed of the $22,000 twenty year pavement debentures bearing 5½ per cent. The tender of Gairdner, Clark & Co., Toronto, 103.13 was accepted. Georgetown's credit is evidently first-class judging from the bid for debentures.

A Splendid Production

The "Ten Commandments" at the Rex Theatre last Saturday drew large crowds both afternoon and evening. The picture was a masterpiece with a splendid moral and was much appreciated by those who had the privilege of seeing it. It was unfortunate that by an oversight in reading the contract the wrong prices were published and it was necessary to charge an advanced fee, but with it all the picture was well worth the price charged.

Brampton Fair Sept. 29th and 30th

Bigger and grander than ever. You will miss a good time if you do not come to Brampton Fair Sept. 29th, when there will be staged in the afternoon a girls' soft ball tournament with four teams engaged, Acton, Streetsville, Erin and Brampton, all well known and worth while teams. In the evening there will be a grand tatoo in which seven bands will take part, Weston boys' band, Oakville, Port Credit, Acton, Milton, Burlington and Brampton Citizens Band. There will be a splendid concert put on with special numbers by outstanding players in the Band. On the second day, Sept. 30th, there will be some good horse races, three classes. In the show ring six silver cups will be competed for and lady drivers will have a chance to win a silver tea service valued at $45. Other attractions in the show ring with a big midway should make our Fair of 1925 the best yet. Do not forget the date, Sept. 29th and 30th. Be one of the crowd at Brampton.

Saves $24 A Year

Cooking experts figure that the SMP Enameled Ware Roaster will save the average Canadian family fully $24.00 a year in meat bills. The secret is, it roasts the meat with very little shrinkage. Also, it makes cheap cuts taste like the best cuts.

You place the roast in the roaster, put on the cover; the roaster does the rest. No basting required. Every roast is perfectly cooked.

The cover fits close, so that cooking odors cannot escape. Grease can't spatter out, which means a sweet clean oven. Prices range from $3.50 to $3.50 each, depending on size and finish—and don't forget the saving of $24.00 yearly.
