## HILLSVIEW REPORT - GEORGETOWN

By: Florence Riehl

Intelligent, curious, and talkative—three words to describe the “Balinese” cats bred by Sandra Runalls. We had the pleasure to meet some of her show cats at our Centre. This is a breed of cat begun in California in the “40’s”. Long and sleek, these cats have ear markings that match the colour of the facial markings around the nose and mouth. Sandra has been breeding and showing Balinese cats with the Canada Cat Association for 25 years and has numerous ribbons and trophies to attest to the success of her winning cats.

“Hats Off” was the theme of this year’s Town of Halton Hills Volunteer Appreciation evening. It was a great evening, and our very own Terri was the MC. Mayor Bonnett thanked all volunteers, and Rachel Shield gave a summary of her reasons and satisfaction for becoming a volunteer. Throughout the evening, as we visited and nibbled on hors-d’oeuvre, we listened to the sweet sounds of our very own Jazz Trio. What about those cute cookies we received on the way out. The evening attested to the fact that there are many people in the Town of Halton Hills who care enough to give

freely of their time to help others.

The highlight of the evening was the “Hat Competition”. The hats worn by many of the participants were quite ingenious. Imagination was rampant. Can you imagine designing a hat using the netting from a bag of oranges? Congratulations to the winners. You were all winners!

Purple was the colour for Friday, June 15 to celebrate World Elder Abuse Day. This represents the one day in the year when the whole world voices opposition to the abuse and suffering inflicted to some of our older generations. If you wore your purple, you were invited to have a coffee on us.

Hope you took the opportunity to come out to the educational presentation by Spectrum Health Care and took advantage of their offer of a free coffee. One of the many support services available through this organization is personal/home support.

Talk to you in a couple of weeks. In the meantime, enjoy the summer weather and, when necessary, stay cool.

Recently, 15 hikers from the Acton/Georgetown Seniors' Hiking Group enjoyed a perfect day of hiking—mosquitos not with standing—at the Limehouse Hole-in-the-wall. - Submitted photo
