Georgetown Can Now Telephone to Europe

MESSAGES CAN NOW BE SENT OR RECEIVED FROM BRITAIN AND THE CONTINENT

For some time leading cities of Canada have been within reach by Telephone of practically all the more important centres of Great Britain and Eastern Europe, but up to this time arrangements for bringing this trans-Atlantic service to telephone users at the smaller Canadian exchanges have been incomplete.

It is now announced by our local representative of the Bell Telephone Company, that telephone users at all points served by the Company will also be able to call, or be called by, any telephone in the European countries whose service has been linked up for trans-oceanic telephoning.

It is interesting to note what this amounts to in the number of telephones brought within the talking radius of Canadian subscribers.

Telephones—Great Britain, 1,600,000; Germany, 2,850,000; Belgium, 204,000; Holland, 237,000; Switzerland 234,000; France (Paris), 318,000; Denmark (Copenhagen), 127,000; Norway, (Oslo), 43,000; Sweden—Stockholm, 116,000; Gothenburg, 31,000; Malme, 16,000. Total 163,000. Total for Europe 5,766,000.

The Canadian Telephone user is also within reach through the instrument in his home or office with telephones in the Western Hemisphere, as follows:—In the United States, 18,500,000; In Cuba, 72,000; In Mexico, 30,000 in Canada 1,280,000.

This makes a grand total of telephones within the circle of oral communication of 26,048,000 instruments.

BALLINAFAD

Sunday and Monday were real Jubilee days in the history of the Community when the former Presbyterian Church, now in the United Church of Canada, celebrated its fiftieth anniversary and combined with it the still longer years of service of the former Methodist congregation. A happy combination of circumstances calling the venerable missionary and writer Bishop Francis Warne back to his boyhood home, 5th line Erin Twp., secured his services as preacher for the occasion, and not soon will the words of thanksgiving, exhortation and earnest appeal to young and old be forgotten. Delivered with words touched by the fiery flame of the Spirit the message of God's love for each soul burned its way into the hearers' hearts. His reminiscences, connected personally with old familiar names and incidents, were touchingly pathetic.

In the morning the Sunday School sat together each scholar wearing a souvenir badge of golden ribbon suitably inscribed.

Greetings were read from former ministers and residents, among the latter being one from ex-Mayor Hills of Toronto, now lying ill and special prayer in his behalf was offered by the former minister, Rev. N. Waddell who assisted at both services. Mr. R. N. Shortill of Toronto brought greetings from the Centennial Church.

At both services the choir of home talent led the hearty singing of a congregation crowded beyond the doors and contributed several musical numbers.

Photos of former ministers and residents were on view also old-time household utensils, hand grain-mill, lantern of unique design for candle use, and a candle a century and a half old.

The pastor, Rev. M. C. Gandier desires on behalf of the congregation to thank all who helped to make the Golden Jubilee so great a success.

On Monday a large company partook of the bountiful supper and enjoyed a program of music and addresses. Birthday cakes bearing candles for each year of church life in the community as far back as 1843 glowed with light as short accounts of each church were read by Mr. F. W. Shortill and the pastor. Mr. W. Swindlehurst also added interesting remarks.

Miss Florence Cook sang acceptably accompanied by Mrs. Warden, a former resident. The excellent orchestra of the United Church in Georgetown was much appreciated while the Acton quartette gave pleasure in several happy selections. The spirit of days agone was revived in the sweet notes of the violin numbers of Mrs. Archie McEnery and Mr. Harry Shortill. Rev. Dr. Dickie and Rev. Caldwell made happy addresses.

GENERAL NEWS

David Watson of McDonald Avenue, Oakville, with several broken ribs, and T. Mackie of Oakville, with internal injuries, are in St. Joseph's Hospital as area ult of their half-ton truck upsetting in the ditch at Stop 32 on the highway on Saturday evening.

Rev. J. A. Jewett, Edward Fish, C. N. Fish, Trafalgar, and E. P. Lunau, Oakville, left Saturday on a hunting expedition, travelling by motor. They will camp at Hall's Lake, Haliburton county, and expect to be gone two weeks.

When Stanley Wood, the Palermo merchant, entered his store on Tuesday morning of last week he found burglars had been at work during the night and had removed a large quantity of tobacco, a case of tea, a case of salmon and a liberal supply of men's heavy underwear, evidently preparing for a long, hard winter.

McLEAY—BEALMEAR

A quiet but very pretty Autumn wedding was solemnized on Friday evening, Nov. 2nd, at the home of Mr. and Mrs. W. H. Willson, when their only daughter, Josephine Ruth, was united in marriage to Robert Whitt McLeay, son of Mrs. R. C. McLeay of Mimico. Rev. Dr. Dickie officiated and Mrs. Copp of Toronto, cousin of the bride, played the wedding music. The bride, who was given in marriage by her father, was becomingly gowned in her travelling costume, a two-toned brown ensemble suit, carrying a nosegay of bronze crysanthemums. She was attended by Miss Georgina McLeay, sister of the groom, who was attired in blue georgette and crepe, carrying pink mums. The groom was supported by Mr. Charlie Willson, brother of the bride.

Mr. H. B. Williams of Toronto, the bride's uncle, sang during the signing of the register. Following the ceremony a buffet luncheon was served after which the bride and groom left immediately on a motor trip to Detroit and other points. Upon their return they will reside at Briarwood Ave., Port Credit.

Mrs. J. A. Clemence of Bronte is suffering from a broken rib, received when she fell from a chair upon which she was standing.

The work of excavating at the western approach to the bridge at Oakville has been completed and the piles are being driven. These piles are of cypress wood, each pole being 70 feet long, and are shipped here from Memphis, Tennessee. They are particularly fine timbers, uniform in in size, and are driven by steam hammer supplied from the engine of a large dredge that is anchored in the river at the bridge.

The London Hunt and Country Club is widely known for the excellence of its afternoon teas. For several years this progressive club has used no other tea but Red Rose Orange Pekoe —a blend that leads all others in flavor and full-bodied richness. Put up only in bright, clean aluminum packages. 11SW

CORRESPONDENCE

POPPY DAY

Georgetown, Nov. 5th, 1928.

The Editor, Georgetown Herald,
Georgetown, Ont.

Sir:—

On Saturday, 10th November next, collections will be made in Georgetown and District, under the auspices of the Canadian Legion, in aid of "Poppy Day Fund".

The Legion has a duty to perform in aiding needy war veterans and their dependents, and it is doing its utmost to carry out its duty to their comrades. However, it should be realized that others also have no less an indebtedness to those who were prepared to sacrifice all, and did indeed sacrifice a great deal, so that Canada and the British Empire should be saved for civilization.

It is now ten years since the signing of Armistice. These have been hard years for all of us, but how much harder for those who by their patriotism have found themselves today unable, for a multitude of reasons, to have even the bare necessities of life. Men left the service making light of any disabilities caused through the war, only too glad it was all over. It is only now the toll of war is making itself felt to many of these.

Ten years after, have the citizens of Georgetown and District forgotten—forgotten not only the living but the dead, for they, in dying, left us the sacred charge as immortalized in the words

"If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields."

What will be the answer?

Yours truly,

C. Cousens,
President Canadian Legion,
Georgetown Branch.
