Elsie at Powassan.

The following from the Powassan News of last week refers to the young woman who passed the worthless cheques in Georgetown recently:

Mr. Chas. Blackmore, the obliging owner of the Powassan Garage, is noted for his chivalry to the ladies, and it is to be regretted that a daring female took undue advantage of him the other day. On Wednesday night a woman who gave her name as Elsie Robberson arrived in town driving a coupe which required the attention of a mechanic. In conversation with Mr. Blackmore she made a dicker for a new Essex coach, turning her old car in on the deal and tendering a cheque on a bank in Georgetown for the balance. She drove away with the new car, spent the night in North Bay and returned south in the morning. Later on Mr. Blackmore discovered that the police were on the trail of this same woman, and that the car she had turned in was stolen from Georgetown, and that her cheques were no good. She played the same trick on a Wiarton garage man after leaving Powassan, turning in the Essex Coach. Word of her arrest is expected hourly. We are glad that Mr. Blackmore will not suffer any serious loss as he will recover the coach, little the worse for the trip.

BASEBALL

GEORGETOWN 8; MILTON 7

At a well attended ball game in the Park on Saturday last Georgetown won from Milton in the Halton County League.

The game was hard fought all the way and a real good exhibition of ball was produced. All the players were right in form. The diamond is now in excellent condition and the boys should give a good account of themselves for the balance of the season.

LACROSSE

GEORGETOWN WON FROM KITCHENER 9-2

The report of the game from the Kitchener correspondent to the Globe is as follows:

"Weakness in goal was a big factor in Georgetown winning the opening group lacrosse match from the Kitchener-Waterloo lacrosse team here on Saturday afternoon by a 9-2 score. The visitors had the edge on the play, but not by the margin the score would indicate. They had experience on the locals and showed better team play, but individually the homesters were better, with one or two exceptions. The Georgetown defense was good, blocking chances for goals well. Halpin starred for Georgetown, scoring five of their nine goals, while Stapleton, Ingram, Townsend and Bill Hill counted the other four. Runstadler and Watts tallied for the Twin City, although Eckel, Robertson, Cook and Cline played effectively, although unable to work in close for goal. The game was quite rough, with the homesters the worst offenders in this regard.

Georgetown—Goal, Jocques; points, Isley and Ridley; defense, Townsend, Harrison and Grimshaw; centre, Stapleton; home, Ingram, Claridge and Norton; outside home, W. Hill; inside home, Halpin; subs, Furlong, Costigan, Stringer and Spencer.

Kitchener-Waterloo — Goal, Fries; points, Anderson and Runstadler; defense, Wilford, Richardson and Hargott; centre, Cook; home, Robertson, Eckel and Watt; outside home, Cline, inside home, Hilker; subs, Walton and Hill.

Referee—J. Vourtney, Hespeler.

Prospects Good for Strawberries.

Prospects for a bumper crop of strawberries in Canada this year are very bright, according to the Fruit Branch of the Canadian Federal Department of Agriculture. The strawberry season in Canada extends from about the middle of May till nearly the end of August. The first crop ripens in the Saanich Valley, near Victoria, British Columbia, and the last is the Maritime Provinces.

Appeared Suspicious.

A few nights ago an automobile without any license plates attracted the attention of some young men who were returning to their homes in Nelson township. Upon approaching the car it was found that its only occupant was a woman. As the young men were about to question her a man appeared and advised them, with the aid of a revolver, it is said, to move on. As there were a number of chicken crates in the back of the car the police were notified, but upon arrival at the scene there was no trace of the car or the couple.

Large Timber Wolf Shot.

A large timber wolf which has been alarming farmers in Puslinch Township for the safety of their flocks for some time will do no more marauding. It was despatched by a shot fired by John Marshall of Aberfoyle, who hastened back to the house for his gun when he saw the animal lying in a field on the farm of James Custernor. The beast, an unusually large brute, had been terrorizing the neighborhood for weeks. There has been much speculation as to how the animal came to the section, as wolves have not been seen thereabouts for years. Mr. Marshall is sending the hide to Toronto to collect the Government bounty.
