"Look here," cried the diner: "Is this apple pie or plum pie?"

"Can't you tell by the taste, sir?" asked the waiter.

"No, I can't."

"Then," said the waiter, "What on earth does it matter, sir, which it is?"

AL'S "SINGING FOOL" HIS GREATEST ROLE

Depths of tragedy are sounded by Al Jolson in "The Singing Fool," the special production in which he is presented by Warner Bros., next Friday and Saturday, at the Gregory Theatre, Georgetown.

In it he is revealed as one of the most powerful emotional actors on the screen. His creation is in decided contrast to his work as a comedian, though his former work was partially demonstrated the fervor of which he is capable.

In "The Singing Fool" he is first seen as a carefree, wise-cracking entertainer—a singing waiter in a New York cabaret—but eventually there comes to him a weight of sorrow and mental stress that entirely changes the course of his life. Don't miss seeing this wonderful picture.

LIMEHOUSE

A quiet but pretty wedding took place in Limehouse United Church on Saturday evening, August 31st, 1929, when Miss Elizabeth M. Caldwell was united in marriage to Mr. Clarence J. Buck of Georgetown.

Rev. H. Caldwell, father of the bride, performed the ceremony and Miss Erma Buck, sister of the groom played the wedding march.

The bride wore a gown of beaded French georgette with hat to match and carried a bouquet of roses and ferns.

Her going away dress was figured brown silk with hat to match.

After a short reception at the parsonage the young people left for a motor trip among the Muskoka lakes, and on their return will reside in Georgetown.

Only members of the families concerned were present and a subdued quiet seemed fitting owing to the recent death of the bride's sister, Miss Ada H. Caldwell.

Goat Milk Farm at Oakville

With a large goat farm at Oakville, Toronto and Hamilton invalids are now assured of a supply of goat's milk, recommended by medical men for its health-giving qualities. A new company under the trade name "Goat's Products Ltd.," has been incorporated and already the goats—largely pure bred—on the farm just outside the northwest limits of Oakville number over one hundred. Eventually it is intended that the farm shall carry upwards of 1,000 "nannies" of various breeds, Nubian, Toggenburg and Saanen breeds. The present daily production of the farm is 500 quarts of milk.

Alleged Bank Swindlers Caught.

Sought by police of two provinces for months, two men and two women, alleged bank swindlers, were arrested over the week-end. The first arrest was made Saturday at Trenton when Walter Lasher, of Toronto, was taken into custody after he is alleged to have defrauded a bank there of $600. Fred Bruner, Mary Rawlinson and Maud Mulholland, also of Toronto, escaped from Trenton by motor car, only to be arrested in Toronto on Sunday afternoon. Banks and merchants throughout Ontario and Quebec, police charge, have lost thousands of dollars by a check-swindling scheme practiced in United States cities on a big scale by racketeers. The quartette now in custody, according to the police, were the first to introduce this method of check swindling in Canada. A West Toronto bank was defrauded of $600 and several merchants in the west end of the city of smaller amounts of money through cashing checks after small purchases had been made in their stores.

Laughlin—Peden.

The home of Mr. and Mrs. Robert J. Peden, Belwood, Ont., was the scene of a pretty wedding on Saturday, August 31st, when their second daughter, Anna Beatrice, was united in marriage to Mr. John Elgin Laughlin, son of Mr. and Mrs. Wm. Laughlin of Caledon, Ont. The Rev. Mr. Laing officiated. The wedding march was played by Mrs. Geo. Peden of Fergus, and leaning on the arm of her father, the bride beautifully gowned in white georgette and carrying a large bouquet of butterfly roses, lily-of-the-valley and Maiden hair fern, entered the drawing room, preceded by the groom and two little pages, Roy Hunter, of Orangeville, nephew of the groom and Bobby Lawson of Georgetown, nephew of the bride, dressed alike in white silk suits and carrying baskets of sweet peas. The music continued quietly during the entire ceremony and during the signing of the register "At Dawning" was sung beautifully by Mrs. George McNee of Belwood. After congratulations, a buffet luncheon was served by girl friends of the bride. The toast to the bride, proposed by the Rev. Mr. Laing was responded to by the groom in his usual capable manner. The bride and groom left amid showers of confetti and good wishes for Eastern points. The bride travelled in a brown ensemble, with hat, shoes, gloves and purse to match and a brown fox fur the gift of the groom. On their return they will be at home to their friends at Caledon, Ont. Guests were present from Belwood, Fergus, Orton, Grand Valley, Mono Centre, Caledon, Cataract, Orangeville, Georgetown and Toronto.

Canada has one motor vehicle for every nine persons of population. A recent estimate places the aggregate number of motor vehicles in the Dominion at 1,076,819. Only three countries exceed Canada in heavier density of motor cars, namely, United States, with one to every 5.11 persons; Hawaiian Islands 7.9 persons, and New Zealand 8.0 persons.

The New England conscience got busy recently in a small town in Massachusetts when a resident mailed back anonymously to the maitre d'hotel of the Royal York Toronto, a package of spoons, serviettes and dining room "sundries borrowed some time previously The writer, in returning the articles to Monsieur Maillard, the maitre, said: "My conscience has been bothering me a great deal since and I have been unable to keep them any longer."

The Stoney Indians, Alberta, cannot be said to be a "vanishing race," for while the section of the tribe living on the Nordegg reserve was making a two-week trek to attend the annual Indian pow-wow at Banff, four babies were born. Mothers and children are all healthy and well.

Last spring a man came into the C. P. R. ticket office on Sparks street, Ottawa, for a ticket to Leonard where he had a job. He was five cents shy on his fare, but the railway gave him a ticket anyway. The other day a man in overalls walked into the Sparks street office and said: "I owe you five cents on a ticket; here it is."

Hon. Chas. Stewart, Minister of the Interior, who has been flying over the Rocky Mountains recently, announced at Banff that the buffalo herd there will be augmented shortly by addition of animals specially selected from the herds at Wainwright and Elk Island.

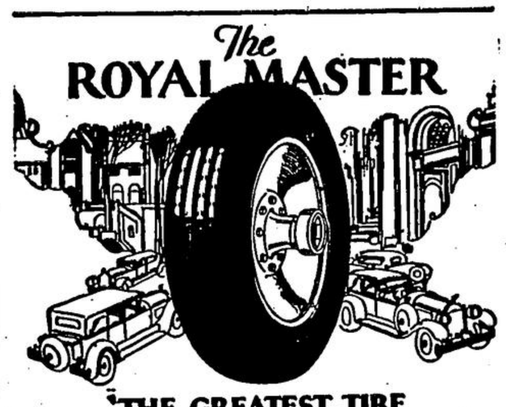
The ROYAL MASTER



"THE GREATEST TIRE THE WORLD HAS EVER KNOWN"

The Royal Master was built without regard for cost. It is the finest tire that can be built.

Its massive tread is double thick, cured by a new slow process. Its carcass is made with extra plies of web fabric. Side-walls are guarded against scuffing.

The Royal Master is made *oversize*. Or rather, the *right size* for real tire economy.

If you want tires that will last as long as you keep your car, then buy Royal Masters.

Not one Royal Master in a thousand will ever puncture. Not one in five thousand will blow out under two years of service.
