BORN

ROBINSON—At Peel Memorial Hospital on April 27th, 1930, to Mr. and Mrs. N. A. Robinson of Norval a son, Duncan Alexander.

IN MEMORIAM

HARTSHORNE—IN loving memory of our dear son and brother, who passed away May 11th, 1925.

Even death has a wonderful mission
Though it robs us of those we love,
It lifts our hearts from surroundings
To long for that meeting above.
No matter how heavy the burden
No matter how great the despair,
Doesn't heaven seem nearer and dearer
To know that our loved one is there.

—Ever remembered by his loving Mother, Sisters and Brothers, Glenwilliams, Toronto and Alabama.

COUNTY COUNCIL NOTES

On the report of a special committee the agreement re the Children's Shelter at Milton, reducing the board to eight members, was adopted, and also the motion to provide a number of cots to board temporary children at $3.00 per week. This was the result of a joint conference between committees from Halton and Peel county councils.

The department notified the county that Guelph Collegiate could not refuse to take Halton pupils, without first giving a full year's notice, and as a result of this Halton pupils will now be able to continue at this institution without extra cost until June, 1931.

A deputation from Wellington county addressed the council and asked that about two miles of road on the town line and running through Eden Village be made a county road, and a previous piece taken over returned to township status. This was now found to not be as servicable and direct a route as the new road would be. Wellington and Halton would share in the cost of construction. The request was acceded to, provided no new land is required to make the deviation in the road. Wellington county will also hold to take the initiative in this matter.

Reeve Cleave of Esquesing and Reeve Harris of Burlington were appointed to represent the council on the Mother's Allowance Board on and after October 1st, 1930.

A young Scotchman was taking a young lady home from the dance when she remarked, "Did you read in the papers where two people were poisoned by having lunch after a dance?" "Yea, I read it, why do you ask?" inquired he. "Oh, I was just thinking how safe I was," replied the flapper.
